4. To be eligible, each candidate may only be included in one list.
5. Each list shall include and identify at least two (2) candidates who meet the independence requirements under applicable legislation.
6. Each list containing 3 (three) or more candidates must also contain the number of candidates belonging to the underrepresented gender such as to ensure the minimum gender balance quota required under the legislation including pro tempore regulations in force. In the event of non-fulfilment of the obligations laid down in this paragraph, the list will be deemed not submitted.
7. In the event of non-compliance with the requirements laid down in this article, the list will be deemed not submitted.

8. The following shall be submitted together with the lists, it being specified that any changes that should occur prior to the actual date of the shareholders' meeting shall be promptly notified to the Company:

10. If, on the date of expiry of the deadline for filing lists, only one list has been filed, i.e. only lists submitted by shareholders who are connected with each other pursuant to the laws and regulations in force at the time, the provisions of the laws and regulations in force at the time shall apply.
11. Shareholders will vote for the list and therefore all candidates included therein, without any changes or exclusions.

Article 14

Elections of the Board of Directors

1. All those entitled to vote may only vote for one list.
2. Election of the Board of Directors shall be according to the following criteria:
 - a) Members making up five-sevenths of the members up for election, as this number may be rounded down in the case the result is a fractional number, will be taken from the list that obtained the highest number of votes (the "majority list"), all members bar one according to the sequential order in which they were listed;
 - b) the remaining directors will be taken from the other lists (the "minority lists"), and to that end, votes for each of the minority lists shall be divided by one, two, three, four and

so forth according to the number of directors to be elected. The ratios thus obtained will be applied sequentially to the candidates on each of these lists in the progressive order envisaged therein. The ratios thus attributed to the candidates on the various lists shall be ranked in decreasing order. The directors elected shall be those obtaining the highest ratios. In the event of a ratio tie between candidates, the elected candidate shall be taken from the list from which no director has yet been selected or from that which the lowest number of directors have been elected

If no director has yet been elected from said lists or if there is a tie between the number of directors voted on in relation to the lists, then the candidate obtaining the highest number of votes on such lists will be elected. In the event of a tie in terms of both list vote and ratio, then a Shareholders Meeting shall be called to vote on the election and the candidate who obtains a simple majority of votes shall be elected. The above procedure is subject to the requirement that at least one director must be taken, if presented and voted on, from a list presented by shareholders not connected, whether directly or indirectly, with those who presented or voted on the list that obtained the majority of the votes cast.

3. In the event that the majority list contains an insufficient number of candidates to cover the seats to be filled in accordance with the above paragraph 2, notwithstanding application of the election mechanism under said paragraph 2, (i) all candidates of the majority list; and (ii) the remaining candidates, taken from the minority list which is second in terms of the number of votes required to complete the Board of Directors according to the progressive order indicated therein, shall be elected.

If it is not possible to complete the Board of Directors in the manner described above – thus presenting the minority list that is second based on number of votes leads to a number of candidates lower than that required, the remaining directors shall be taken from the other minority lists in descending order starting with the highest voted first and moving down to the next list as the candidates are exhausted in the preceding list based on number of votes

4. If, after the vote and the application of preceding paragraphs 2 and 3 above, the outcome is that gender balance and the independence requirements are not achieved as provided by the applicable legislation and regulations, the necessary number of elected candidates shall be excluded and substituted by candidates from the under-represented class in progressive order of their listing, as shall be taken from the same list on which the excluded candidates appear.

Replacements shall be made with reference firstly to those belonging to the under-represented gender and secondly to those in possession of the independence requirements.

This replacement mechanism shall be firstly applied in sequential order, to the lists from which no director of the missing class has been chosen, starting with that which has obtained the most votes. Should this process not be sufficient, or should all the lists presented list at least one director in possession of the requirements of the missing class, the replacement shall be applied, in sequential order, to all the lists, starting with that which received the most votes.

Within the lists, the replacement of excluded candidates shall be effected starting from the candidates having the highest progressive number. The replacement mechanism is

not operative in relation to candidates taken from lists that presented less than three candidates.

5. If only one list is submitted, the entire Board of Directors shall be taken from that list in accordance with applicable legislation and regulations. If no list is submitted, the shareholders' meeting shall act on majority vote in accordance with the law.
6. In all those cases in which, as a result of the application of the preceding provisions: (a) it is not possible to complete the Board of Directors and/or (b) gender balance is not achieved or an insufficient number of directors in possession of the independence requisites are elected, having regard to the legislation and regulations in force, then the completion or replacement, as the case may be, shall be effected pursuant a resolution passed at the Shareholders' Meeting by simple majority on those candidates put to vote individually.
7. If no lists are submitted or if, the entire Board of Directors is not elected, the shareholders' meeting shall act on majority vote in accordance with the law, respecting any minimum allotment ratio between genders (male and female) provided by law and regulations.

Article 15

Termination of office

1. If the legal or regulatory requirements or requirements under these Articles of Association are no longer met, this constitutes grounds for removal of the director from office, unless such requirements are still met by the minimum number of directors who are required to meet such requirements under applicable legislation and regulations and in accordance with these Articles of Association.
