AGENDA OF THE ORDINARY SHAREHOLDERS' MEETING
OF UNIEURO S.P.A., CONVENED FOR 21 JUNE 2022 IN
SINGLE CALL**

6. Submission for approval of plan based on shares of Unieuro called the “2023 - 2028 Performance Shares Plan” pursuant to article 114-*bis* of Legislative Decree 24 February 1998 No. 58; related and consequential resolutions.

Dear Shareholders,

This Report has been drawn up pursuant to article 114-*bis* and 125-*ter* paragraph 1 of Legislative Decree 24 February 1998 No. 58 (“**TUF**”) and article 84-*ter* of the Regulations adopted by means of Consob resolution No. 11971 of 14 May 1999 (“**Issuers’ Regulations**”).

This report (“**Report**”) was approved by the Board of Directors of Unieuro S.p.A. (“**Unieuro**” or “**Company**” or “**Issuer**”) at the meeting which took place on 11 May 2022 and shall be made available to the public, in accordance with the law and regulations, at Company’s registered office, on its corporate website in the section “Unieurospa.com / Corporate Governance / Shareholders’ Meetings / Shareholders’ Meeting 2022”, and in the further manner envisaged by current legislation.

* * * * *

With reference to item 6 on the agenda of the ordinary Shareholders’ Meeting, the Board of Directors is desirous to submit for Shareholders’ approval, pursuant to and for the purposes of article 114-*bis* TUF, an incentive plan entitled “2023 - 2028 Performance Shares Plan” (“**Plan**”) reserved for executive directors of the Company and/or Managers with Strategic Responsibility and/or employees of the Company and/or of other companies belonging to the group of which Company is parent (“**Subsidiaries**” and the Company and Subsidiaries are collectively the “**Group**”). Such Plan concerns the grant of (i) non-transferrable rights, subject to conditions, to be allocated Unieuro shares (“**Shares**”) on a gratuitous basis in the amount as shall be determined based on the achievement or over achievement of certain performance objectives and conditional upon occurrence of the vesting conditions provided for in the plan and (ii) a cash bonus calculated with reference to any dividends as may be distributed and paid by the Company for each of the three cycles of the Plan.

The Shares to service the Plan will be obtained from: (i) an appropriate capital increase on a gratuitous basis, which may be carried out in one or more tranches pursuant to article 2349 Civil Code up to a maximum nominal value of Euro 180,000.00 to be imputed entirely to capital, through issuance of a maximum of 900,000 Shares. Specific powers shall be granted to the Board of Directors pursuant to article 2443 Civil Code to enable them to implement this capital increase (“**Capital Increase**”) and (ii) treasury shares taken from shares purchased pursuant to article 2357 and 2357-*ter* Civil Code.

In this regard, your attention is drawn to the fact the proposals of Capital Increase and authorisation to purchase and dispose of treasury shares shall be submitted for Shareholders’ consideration and approval at the Shareholders’ Meeting of the

Company, the former as sole item on the agenda of the extraordinary Shareholders' Meeting and the latter as item 7 on the agenda of the ordinary Shareholders' Meeting. These proposals are illustrated by specific reports drawn up pursuant to Articles 72 and 73 respectively of the Issuers' Regulations and in accordance with Annex 3A thereto.

As concerns beneficiaries as identified by the Board of Directors from among the persons belonging to the categories for which it is reserved, (the "**Beneficiaries**,"), the Plan is deemed to constitute a related-party transaction. Therefore, the specific procedures envisaged under Consob resolution No. 17221 of 12.3.2010 ("Regulations for related-party transactions") are not applicable in virtue of the exemption provided for by internal regulations adopted by Unieuro relating to management of Related-Party Transactions adopted by Unieuro for compensation plans based on financial instruments approved at the Shareholders' Meeting in accordance with article 114-*bis* TUF and the relative executive transactions.

For more information on the terms and conditions of the Capital Increase as well as on the authorisation for the purchase and disposal of treasury shares, please refer to the above-mentioned explanatory reports, which shall be made available to the public within the timelines and in the manner prescribed by law and applicable regulations, as well as the brief illustration set forth below.

The information document on the Plan drawn up pursuant to article 84-*bis* and in accordance with Annex 3A of the Issuers' Regulations ("**Information Document**") shall be made available to the public within the timelines and in the manner provided for by the applicable legal and regulatory provisions and shall be available on the Company's corporate website in the section "Unieurospa.com / Corporate Governance / Shareholders' Meetings / Shareholders' Meeting 2022", as well as on the authorised storage mechanism "EMARKET STORAGE" (<https://www.emarketstorage.com/home/homepage.en.htm>), together with a copy of this report.

A. Reasons underpinning the adoption of the Plan

The Plan is part of a set of instruments used by the Company to integrate the fixed component of the remuneration package of strategic resources with a variable component connected to continuance of the employment relationship, in line with the best market practices and of the previous medium-long term incentive plan approved at the Shareholders' Meeting held on 17 December 2020.

To that end, in line with national and international best market practices, the Company believes that share-based compensation plans constitute an effective incentive and loyalty instrument for those personnel who hold key roles as well as for employees, so as to maintain high levels of - as well as improve - performance, which in turn contributes to an increase in the growth and sustainable success of the Company.

Therefore, the Plan includes the following objectives:

- (i) to focus the attention of Plan Beneficiaries on factors of strategic interest of the Company and direct key resources towards the pursuing of medium-long term results with a view to sustainability of the Group's economic and financial performance;
- (ii) build loyalty among the Plan Beneficiaries and incentivize their continuance with the Company by developing retention policies;
- (iii) align the interests of the Beneficiaries with those of the shareholders, with a view to developing the growth of the Company's value; and
- (iv) ensure that the overall remuneration of recipients of the Plan remains competitive whilst at the same time developing policies to attract new talent to managerial and professional roles.

In preparing the Plan, the Board of Directors and the Remuneration and Appointments Committee of Unieuro - also engaging an external consultant of primary standing - conducted a benchmarking activity to ascertain the current best practices in Italy and abroad on long-term policies for remuneration of management. Consequently, said Board of Directors and Remuneration and Appointments Committee submit that the Plan reflects the best international practice in that it will promote loyalty building of Plan beneficiaries and their continuance of work relations within the Group

We underline that the adoption of share-based remuneration plans responds to the recommendations under the Corporate Governance Code emanated by Borsa Italiana S.p.A. as concerns the remuneration of executive directors and managers with strategic responsibilities.

The proposal for adoption of the Plan has been formulated by the Board of Directors on the proposal of the Remuneration and Appointments Committee.

B. Plan Beneficiaries: members of the Board of Directors of the Company, of the parent companies and/or of subsidiaries, who shall benefit from the plan and classes of employees or collaborators of the Company and of the parent or subsidiary companies, who shall likewise benefit from the Plan

The Plan is intended for executive directors pursuant to the Corporate Governance Code as well as directors vested with particular duties by the Board of Directors of the Company, managers with strategic responsibilities - meaning those managers of the Company who are entrusted with the power and the responsibility, directly or indirectly, for the planning, management and control of the Company's activities - and employees of the Company or of Group companies as shall be identified by the Board of Directors.

Identification of named Beneficiaries, including members of the Board of Directors, determination of the number of Rights to be granted to each of them as shall correspond to a base number of Shares in relation to which please refer to Paragraph C below (it being understood that the actual number of Shares to be allotted to each Beneficiary shall depend on the degree of achievement of the Performance Objectives) as well as any other decision in relation to Beneficiaries, shall be undertaken by the Board of Directors, subject to the prior opinion of the Remuneration and Appointments Committee and the Board of Statutory Auditors if required pursuant to article 2389 Civil Code, taking into account the relevance of the position covered by the Beneficiary within the Company and/or the Group and the function said Beneficiary performs in the value creation process. A Board member shall abstain from any decision hereunder in relation to which he/she is has an interest.

The Board of Directors resolved on 11 May 2022, having received the opinion of the Remuneration and Appointments Committee and of the Board of Statutory Auditors where required, that the Chief Executive Officer as well as the General Manager and Chief Financial Officer in office on the Grant of Share Rights Date shall be included among the Beneficiaries of the 1st Cycle of the Plan, should it be approved at the Shareholders' Meeting.

Names of the Beneficiaries and the other information required under paragraph 1 of Scheme 7 of Annex 3A to the Issuers' Regulations shall be provided at the time of the grant of share rights in the manner set forth in article 84-*bis*, paragraph 5, letter a) of the Issuers' Regulations and in any case in the manner and within the timelines provided by the laws in force from time to time.

It is envisaged that the recipients of the 1st cycle of the Plan may be a maximum of 60 persons, not yet identified by name, save for the Chief Executive Officer, the General Manager and the Chief Financial Officer in office on the Grant of Share Rights Date, who have an employment relationship with the Company and/or the Group and fall into one of the following classes: ,

- Company and/or Group company managers;
- Company or Group company personnel at first level (*primo livello impiegatizio*) (or higher).

The identification of Beneficiaries from the employee category of the Company or of any Group company, the determination of the number of any Rights to be granted to any of them corresponding to the Base Number of Shares and any other decision pertaining to Beneficiaries, shall be made by the Board of Directors having received the opinion of the Remuneration and Appointments Committee. The Board of Directors may delegate such decision to the Chief Executive Officer, having regard to the relevance of the respective position covered within the Company and/or the Group and taking into account the function any such Beneficiary performs in the process of creation of Company value.

The Remuneration and Appointments Committee shall carry out consultative and propositional functions as regards the implementation of the Plan, pursuant to the Corporate Governance Code of Borsa Italiana S.p.A.

C. Plan: characteristics; subject matter; manner of implementation; duration; exercise of Rights

The Plan concerns the grant to each Beneficiary of (i) non-transferrable rights, subject to conditions, to be allocated Unieuro ordinary shares ("**Rights**") on a gratuitous basis in the amount as shall be determined based on the achievement or over achievement of certain performance objectives and conditional upon occurrence of the vesting conditions provided for in the plan and (ii) a cash bonus calculated with reference to any dividends as may be distributed and paid by the Company for each of the three cycles of the Plan

The free allocation of Shares shall be carried out in the years 2026 (1st cycle), 2027 (2nd cycle) and 2028 (3rd cycle).

The actual allocation of Shares for each of the three envisaged cycles shall be resolved upon by the Board of Directors, who shall determine the actual number of Shares to be allocated based on the degree of performance objectives achieved and subject to occurrence of the vesting conditions envisaged under the Plan.

We propose that to service the entire Plan a maximum number of 900,000 ordinary Shares not showing nominal value and having the same characteristics as those already in circulation be earmarked for the Plan as may be taken from the Capital Increase and/or treasury Shares (already in circulation and in the Company's own portfolio or as may be subsequently purchased).

It should be noted that Shares allocated to a Beneficiary (following the vesting of the Rights) shall carry the same dividend rights as the ordinary shares of the Company on the date of issuance and shall, therefore, bear the coupon bonds current on that date.

The Plan has a time horizon of 5 years (2023-2028) and envisages three cycles, each consisting of (i) the grant of share Rights to the Beneficiaries; (ii) the relative vesting period; (iii) possible allocation of the Shares and (iv) lock up period where applicable

More specifically: the 1st Cycle has a three-year duration (i.e., grant of share Rights to the Beneficiaries for 1st Cycle, vesting period relating to the business years 2023/2024, 2024/2025, 2025/2026 with any allocation to be carried out after the approval of the annual financial report relating to the business year closed on 28 February 2026) in addition to the lock up period where applicable. The 2nd Cycle has a three-year duration (i.e., grant of share Rights to the Beneficiaries for 2nd Cycle, vesting period relating to the business years 2024/2025, 2025/2026, 2026/2027 with any allocation to be carried out after the approval of the annual financial report relating to the business year closed on 28 February 2027) in addition to the lock up period where applicable.

The 3rd Cycle has a three-year duration (i.e., grant of share Rights to the Beneficiaries for 3rd Cycle, vesting period relating to the business years 2025/2026, 2026/2027 and 2027/2028 with any allocation to be carried out after the approval of the annual financial report relating to the business year closed on 29 February 2028) in addition to the lock up period where applicable.

By way of illustration only, the following graph shows the proposed three Cycles of the Plan each having a three-year duration:

	FY 2023 - 2024 (01/03/23 - 29/02/24)	FY 2024 - 2025 (01/03/24 - 28/02/25)	FY 2025 - 2026 (01/03/25 - 28/02/26)	FY 2026 - 2027 (01/03/26 - 28/02/27)	FY 2027 - 2028 (01/03/27 - 29/02/28)	FY 2028 - 2029 (01/03/28 - 28/02/29)	FY 2029 - 2030 (01/03/29- 28/02/30)
1 st Cycle	Vesting Period			Lock Up Period ¹			
2 nd Cycle		Vesting Period			Lock Up Period ¹		
3 rd Cycle			Vesting Period			Lock Up Period ¹	

The allocation of the Shares on a gratuitous basis for each of the three cycles of the Plan is dependent upon the achievement of specific performance objectives as shall be ascertained by the Board of Directors at the end of the vesting period, subject to fulfilment of the following vesting conditions (“**Vesting Conditions**”):

- on the Share allocation date, the Beneficiary's relationship with the Company and/or with a Group company is still in continuance, unless the Beneficiary is deemed a Good Leaver (as defined in the Information Document);
- the minimum performance threshold for at least one of the Performance Objectives has been achieved during the vesting period;
- in consideration of the individual allocations to be made by the Board of Directors or by any other body they may entrust with such task, there is from time-to-time sufficient available reserves, as reported in the last approved accounts of the Company, to carry out the Capital Increase or the purchase of Shares pursuant to articles 2357 and 2357-ter Civil Code to service the Plan. It is understood that the Board of Directors may, at its sole discretion, proportionally reduce the number of Shares to be made available for allocation to Beneficiaries for each Cycle of the Plan.

The performance objectives applicable to each Plan Cycle shall be determined by the Board of Directors having consulted with the Remuneration and Appointments Committee prior to the grant of share Rights. With reference to the 1st cycle of the Plan, the performance objectives are represented by Adjusted EBIT and Free Cash Flow Adjusted and ESG Indicator as below defined.

For more information on this point, please refer to the Information Document.

¹ The lock-up period will be effective for 24 months from the date of delivery of the Shares.

We underline that the Board of Directors shall, on the grant date, set the number of Rights to be granted to each Beneficiary, having duly: heard the opinion of the Remuneration and Appointments Committee; evaluated the importance and strategic value of each Beneficiary in creating new value for the Company and/or the Group; taken into account the particular relevance of the office held as well as the importance of the Beneficiary in terms of loyalty building.

The maximum share incentive as may be granted to a particular Beneficiary shall be determined taking into account his/her level of responsibility/criticality of the office held.

For the sake of clarity, the performance objectives for the 1st cycle of the Plan, shall be linked to the following parameters:

- **Adjusted EBIT Indicator**

Meaning the consolidated EBIT post application IFRS 16 adjusted for (i) non-recurring charges/(income) (ii) non-recurring depreciation and write-downs and (iii) the effects of adjustment of revenues for extended warranty services net of the relative estimated future costs for assistance services, as a consequence of the change in the business model for directly managed assistance services.

The performance objectives based on Adjusted EBIT Indicator has a 50% percentage weighting of the total Shares subject to allocation and coincides with the Unieuro adjusted cumulative EBIT relating to the accounting periods of the 1st Cycle. Achievement of performance objectives shall be calculated with reference to the methodology described in the Information Document.

- **Adjusted Free Cash Flow Indicator**

Meaning the consolidated cash flow generated/absorbed by operating and investment activities comprehensive of financial obligations pre-adoption of IFRS 16. Consolidated Adjusted Free Cash Flow is that adjusted by operative flows and by non-recurring investments and includes adjustments for non-recurring charges (income), their non-monetary component and the related tax impact.

The performance objectives based on Adjusted Free Cash Flow Indicator has a 25% percentage weighting of the total Shares subject to allocation and coincides with the Unieuro cumulative Free Cash Flow relating to the accounting periods of the 1st Cycle. Achievement of performance objectives shall be calculated with reference to the methodology described in the Information Document.

- **ESG Indicator**

It is the ESG performance indicator based on KPIs (“**Key Performance Indicators**”) attributable to 4 specific projects: 1st KPI: number of contacts (audience) achieved by the #Cuoriconnessi initiatives against cyberbullying; 2nd KPI: acquisitions of energy with certification attesting its origin from renewable sources; 3rd KPI: level

of Employee Net Promoter Score (eNPS), as a tool for measuring human resources' level of satisfaction; 4th KPI: Group employees involved in specific training on sustainability issues.

The ESG indicator has a percentage weighting of 25% on the total of the Shares subject to Allocation and shall be measured in accordance with the methodology described in the Information Document.

Achievement of the performance objectives of the Plan shall be checked at the end of each vesting period through a timely process of verification of the results actually achieved, on the part of the Board of Directors having heard beforehand the opinion of the Remuneration and Appointments Committee.

The overall performance shall be calculated by adding together the annual results of the individual parameters in the reference vesting period.

For each of the performance objectives, an achievement curve is provided that links the number of Shares as may be allocated to the level of Performance Objective achieved or overachieved in accordance with different thresholds:

- a minimum performance threshold fixed at 80% of performance threshold (target) below which no Shares shall be allocated and upon attainment of which 50% of Shares to be allocated on achievement of the threshold;
- an performance threshold (target) upon achievement of which a Base Number of Shares shall be allocated;
- a maximum performance threshold (cap) fixed at 150% of the performance threshold (target) upon reaching or exceeding it, on which the maximum number of Shares equal to 150% of the Shares attributable to reaching the target threshold will be attributed

The achievement of performance objectives entails the accrual of the Rights (for each performance objective) in the relationships indicated in the chart and table below:

As regards intermediate values between 80% and 100% and between 100% and 150%, linear interpolation shall be applied to determine the accrued Rights.

Cash Bonus

The Rights entitle each Beneficiary to receive a cash bonus measured against any cash dividends distributed and paid by the Company, for each cycle of the Plan, up to the date of the Share allocation date, according to the provisions of the Information Document. Such bonus shall be payable subject to the delivery of Shares relating to each cycle of the Plan, provided that all the vesting conditions have been met.

D. Any support of the plan from special Funds for incentivizing the participation of workers in the company as referred to in Article 4 paragraph 112 of the Law of 24 December 2003 No. 350

The Plan is not supported from any special Funds for incentivizing the participation of workers in the company as referred to in article 4, paragraph 112 of Law 24 December 2003 No. 350

E. Manner or criteria of price determination for the subscription or purchase of the shares

Not applicable as the Plan involves the allocation of Shares on a gratuitous basis upon achievement of the performance objectives.

F. Any constraints encumbering the shares or the options rights granted with particular reference to any term within which the subsequent transfer to the Company or to third parties is permitted or prohibited

Rights are personal, non-transferable and otherwise non disposable inter-vivos and must not be pledged or used as security.

The Rights granted to each Beneficiary cannot be traded, transferred or otherwise disposed of in any way or be subject to any third-party enforcement or interim legal measures. In case of breach of the provisions under this paragraph the Beneficiary shall forfeit his/her Rights.

Transfer of Rights means any and all transactions involving a disposal of Rights to third parties, whether directly or indirectly, whether or not on a gratuitous basis, including by swap and/or by conferment.

Any sale, assignment, encumbrance or transfer made in breach of the obligation in the previous paragraph will not be binding on the Company and the breaching Beneficiary shall forfeit the Rights granted to him/her.

Once the Shares have been duly transferred to a Beneficiary, he/she may freely trade them.

Beneficiaries who are also members of the Board of Directors and/or managers with strategic responsibilities are obliged to make a lock up commitment from the Share delivery date for each Cycle in which they are a Beneficiary. Such commitment consists of the obligation to continuously and personally hold 100% of the Shares granted to the particular Beneficiary under the Plan for at least 24 months starting from the Share Delivery Date (having deducted a number of Shares commensurate to the tax, social security and welfare charges arising in virtue of the Delivery of Shares which, instead, may be freely disposed of).

The Plan provides a Claw-Back clause which applies in the event that - within 3 (three) years from the Share Delivery Date - it transpires that the performance objectives ascertained by the Board of Directors were achieved:

- on the basis of data and/or information furnished by the competent company bodies, that is proven to be "manifestly incorrect", meaning a material or calculation error of the results that caused an objective to be achieved whereas, had the error not been made, such objectives would not have been achieved or would have been achieved differently;
- due to a wilful or grossly negligent alteration by a Beneficiary of the data used to achieve his/her objective/s;
- due to acts and/or conduct on the part of the Beneficiary in violation of laws, regulations or Company rules which impact on the achievement of the objective/s;

The Board of Directors reserves the right to take appropriate measures:

- to demand the return of the Shares allocated under the Plan and any Cash Bonus paid out, less a number of Shares having a value commensurate to the value of the tax, social security and welfare charges connected with the Delivery of the Shares;
- to cancel any Cash Bonus accrued but not yet paid out;
- to demand payment of the proceeds of any sale of Shares allocated under the Plan, less the amount commensurate to the tax, social security and welfare charges arising as a consequence of the Delivery of the Shares, in the case that the Shares have already been sold, transferred or otherwise disposed of. Such proceeds may be offset against the salaries and/or any severance pay of the Beneficiary.

A Malus clause is also provided which envisages that: the number of Shares may be reduced or; Shares subject of a grant of share Rights not be allocated or; any Cash Bonus not be paid out, to a Beneficiary in the event that, in the period between the Share

allocation date and the Share delivery date or Cash Bonus payment date, it transpires that the Rights have been granted or the Shares have been allocated:

- on the basis of data and/or information furnished by the competent company bodies, that is proven to be "manifestly incorrect", meaning a material or calculation error of the results that caused an objective to be achieved whereas, had the error not been made, such objectives would not have been achieved or would have been achieved differently;
- due to a wilful or grossly negligent alteration by a Beneficiary of the data used to achieve his/her objective/s; or
- due to acts and/or conduct on the part of the Beneficiary in violation of laws, regulations or company rules which impact on the achievement of the objective/s.

In consideration of all the foregoing, the Board of Directors respectfully submits the following resolution proposal for your approval:

"The Shareholders of Unieuro S.p.A., at the ordinary Shareholder's meeting:

conditional upon; carry out the grant of rights and allocation of ordinary Shares to the beneficiaries (establishing whether to use for this purpose newly issued shares raised from the Capital Increase or treasury shares from time to time in the Company's portfolio), perform all the tasks entrusted to the Board of Directors pursuant to the Plan as well as carry out each and every act, fulfilment, formality and notice as may be necessary or appropriate for the purposes of the management and/or implementation of the plan. 3. *that they duly confer upon the Board of Directors, by way of its Chairman and Chief Executive Officer pro-tempore in charge acting individually, such officers having the faculty to sub-delegate the tasks to third parties and also by means of special attorneys appointed for this purpose, the broadest powers deemed necessary and/or appropriate to carry out the legislative and regulatory obligations arising in relation to the adoption of the resolutions.”*

**EXPLANATORY REPORT OF THE BOARD OF DIRECTORS
ON THE PROPOSAL REFERRED TO IN ITEM 7 ON THE
AGENDA OF THE ORDINARY SHAREHOLDERS' MEETING
OF UNIEURO S.P.A., CONVENED FOR 21 JUNE 2022 IN
SINGLE CALL**

7. Authorisation to purchase and dispose of treasury shares; related and consequential resolutions.

Dear Shareholders,

This report has been drafted pursuant to article 125-*ter* of Legislative Decree 24 February 1998 No. 58 ("**TUF**") as well as article 73 of the Regulation adopted by Consob resolution No. 11971 of 14 May 1999 ("**Issuers Regulations**") and in accordance with Annex 3A - Scheme 4 thereto.

We remind you that the authorisation to purchase (buy back) shares granted to the Board of Directors at the Shareholders' Meeting held on 17 December 2020, has been partially executed and is due to expire on 17 June 2022.

In light of the imminent expiry of the above-mentioned resolution authorising the buy back of shares, the Board of Directors deems it appropriate to propose at the Shareholders' Meeting that said authorisation be renewed in accordance with the terms and conditions illustrated in this report ("**Report**") so that Unieuro S.p.A. ("**Company**" or "**Unieuro**") maintain the powers to purchase and dispose of treasury shares

* * * * *

With reference to item 7 on the agenda of the Shareholders' Meeting, the Board of Directors is desirous to submit for Shareholders' consideration and approval, pursuant to articles 2357 and 2357-*ter* Civil Code and 132 TUF, its proposal that authorisation be granted to allow, in one or more tranches, the purchase and disposal of a number of (own) shares equal to 2,000,000. It is understood that the number of ordinary shares held from time to time in the portfolio of the Company and of its controlled companies may not in any case exceed 10% of the Company's then current share capital (in compliance with the limits laid down under article 2357 paragraph 3 Civil Code).

This Report illustrates the reasons underlying the request for authorisation, as well as the terms and the manner according to which the purchase and disposal of treasury shares would be carried out.

1. Reasons underlying the request for the authorisation to purchase and dispose of treasury shares

Authorisation for the purchase and disposal of treasury shares as per this Report is required in general to avail of any opportunities that the market may offer in the future, and in particular to allow the Company to carry out the transactions listed below:

- a) disposal of and/or use of treasury shares, in line with the strategic plan that the Company is desirous to pursue in the context of extraordinary transactions,

including by way of example and not by way of limitation: share swaps; exchanges; contributions; support for capital transactions; in the context of swaps or sale of share packages and/or to enter into commercial and/or strategic alliances or for any other use deemed to be of financial and/or management interest for the Company; and/or

- b) buy back of shares in the context of medium and long-term investment, or in any case to avail of market opportunities including by way of the purchase and resale of shares whenever such activity is deemed appropriate both on the market (as regards the sale) and in the 'over the counter' market or outside the market provided that the transaction is on market conditions and in compliance with the applicable laws and regulations; and/or
- c) buy back of shares to be used, where deemed appropriate, for servicing existing and future stock incentive plans, including for the long-term, for the benefit of directors and/or employees and/or collaborators of the Company or of companies controlled by Unieuro; and/or
- d) carrying out of activities to support market liquidity where necessary and in compliance with the provisions in force (including for the purposes contemplated by market practice), to favour regular trading conduct and avoid anomalous price movements, as well as regularize trading and price trends against any temporary distortionary phenomena linked to an excess of volatility or poor trading liquidity; and/or
- e) launching of share buyback programmes for the purposes set out in article 5 of Regulation (EU) no. 596 of 16 April 2014 on market abuse ("MAR") - i.e., reduction of share capital, fulfilment of obligations deriving from debt instruments convertible into shares or from share option programmes or any other assignments of shares to employees or members of the management and control bodies of the Company or its connected companies or any other purpose contemplated by the latest version of said regulation and/or for the purposes contemplated by permitted market practices pursuant to article 13 MAR, in accordance with the terms and in the manner as may be approved by the Board of Directors,

it being understood that should the grounds for the buy back no longer apply, then treasury shares in the portfolio or purchased in execution of this authorisation may be used for one of the other purposes indicated above and/or otherwise disposed off.

2. Maximum number, class and nominal value of the shares subject of the authorization

The Board of Directors requests authorisation for the purchase of ordinary shares (fully paid up) of the Company, including in one or more tranches, to an extent that the Board of Directors shall be free to determine, up to a fixed maximum equal to 2,000,000. It is understood that the number of ordinary shares held from time to time in the portfolio of the Company and of its controlled companies may not in any case

exceed may not in any case exceed 10% of the Company's then current share capital (in compliance with the limits laid down under article 2357 paragraph 3 Civil Code).

Said authorisation shall include the powers to subsequently dispose of the shares in the portfolio, in whole or in part and in one or more tranches, whether or not the maximum quantity of shares as may be purchased, has been exhausted and on the understanding that the Company shall not be permitted to effect any further purchases once the aggregate limit of 2,000,000 ordinary Unieuro shares has been reached, which is the absolute maximum limit on buy back purchases, which remains unvaried irrespective of the sale or use of the treasury shares held in the portfolio.

3. Information for the purpose of a complete assessment of compliance with the provisions of article 2357 paragraphs 1 and 3 Civil Code

In accordance with the provisions of article 2357, paragraph 3 Civil Code, the nominal value of buy back shares the Company may purchase shall not exceed one fifth of its share capital, including shares held by controlled companies.

The share capital of the Company is 4,139,724.20 divided into 20,698,621 ordinary shares having no par value.

As at the date of this Report:

- (i) the Company holds 600,000 treasury shares which represent 2.9% of the Company's share capital, and
- (ii) no company controlled by Unieuro holds shares in the Company.

You are reminded that pursuant to article 2357 first paragraph Civil Code, the buy back of shares is permitted within the limits of distributable profits and available reserves reported in the most recent duly approved financial statements.

Please note that the draft financial statements as at 28 February 2022 as shall be submitted for approval at the Shareholders 'Meeting convened in single call on 21 June 2022 (assuming the Shareholders give their approval as per the terms proposed by the Board), report available and freely distributable reserves of Euro 56,940/thousand.

Furthermore, we underline that the Board of Directors is required to verify compliance with the conditions required by the first and third paragraphs of article 2357 Civil Code concerning buy back of shares prior to completion of each authorised purchase, thus checking the sufficiency of the available reserves from time to time. In the event of share: purchase; sale, swap; contribution; devaluation, the appropriate accounting entries must be made in compliance with the provisions of law and applicable accounting principles.

4. Requested authorisation duration

The authorisation for the buy back of treasury shares is requested for the maximum duration allowed by article 2357 second paragraph Italian Civil Code and therefore for a period of 18 (eighteen) months from the date of approval of this proposal at the Shareholders' Meeting.

Without prejudice to the limits referred to in paragraph 2 above, during such period, the Company may carry out the transactions envisaged herein in relation to treasury shares in one or more tranches.

The authorization for the sale, disposal and/or use of any treasury shares as may be purchased is requested without any time limits, mindful that there are no regulatory constraints in this regard and in order to allow maximum flexibility, also in terms of timing, for any share disposal.

5. Minimum and maximum economic consideration and the market valuations upon which they were determined

The Board of Directors proposes that the purchases of treasury shares be made, mindful of the manner chosen for the carrying out of the transaction, in compliance with the terms and conditions established by applicable legislation also taking into account the conditions provided for by article 3 of the Delegated Regulation (EU) 2016/n. 1052 of 8 March 2016 ("**Delegated Regulation**") implementing the MAR and the accepted market practices from time to time, if and to the extent applicable for the purposes referred to in Paragraph 1 above. The Company shall also comply, where applicable, with the limitations and requirements concerning purchase price provided for by the accepted applicable market practices from time to time where the conditions therefor subsist and it is deemed opportune to make use of them.

In this regard, it is proposed that the unit price for share purchase be established from time to time for each individual transaction, it being understood that:

- shares' purchase may be carried out for consideration not lower than a minimum of 10% and not higher than a maximum of 10% of the share reference price recorded in the trading session of the day preceding each individual transaction; and in any case
- shares' purchase price shall comply with the provisions of article 3 paragraph 2 Delegated Regulation which, as at the date of this Report, means a price not higher than the higher of the price of the last independent trade and the highest current independent purchase bid on the trading venue where the purchase is carried out or in conformity with the regulations in force from time to time.

The assignment or other disposal transaction or use of treasury shares acquired in virtue of the authorization proposed herein shall be:

- where executed in cash, then at a price per share to be established on the basis of the criteria set forth in the applicable legislation and/or pursuant to acceptable

market practices from time to time and in any case at a price not lower than 10% of the price reported on the Market Euronext Milan organized and managed by Borsa Italiana S.p.A. in the trading session preceding each individual transaction; that this price limit may be waived in the event of the sale of shares in execution of stock incentive plans and, in any case, plans pursuant to Article 114-bis of the TUF;

- where carried out in the context of any extraordinary transaction, by way of example but not limited to, share swap, exchange, contribution or to service capital transactions or other corporate and/or financial transactions and/or other transactions of an extraordinary nature or in any case any other non-cash disposition, then according to the economic terms that shall be decided by the Board of Directors taking into account the nature and characteristics of the transaction and the market trend of Unieuro stock;
- as regards shares required to serve stock incentive plans, then according to the terms and conditions indicated by the regulations of the said plans made available by the Company within the timelines and in the manner provided for by the legislation in force;

and in any case in compliance with the terms, conditions and requirements established by current legislation and, where applicable, by market practices accepted from time to time.

6. Manner in which the purchases and disposals will be made

Share buy back shall be made in the manner as shall be determined from time to time by the Board of Directors, who shall ensure equal treatment among the shareholders and respect of the operating procedures established by the organization and management regulations of markets and who shall also ensure compliance with article 132 TUF and article 144-*bis* Issuers' Regulation, within the remit and operating limits of the MAR, including permitted market practices pursuant to article 13 MAR, of Delegated Regulation and of the applicable legislation generally applicable to the sector (including the provisions under Regulation (EU) 2019/2115 or published by CONSOB or ESMA).

The Company may delegate the task of coordinating and executing treasury share transactions to a specialised intermediary.

The above-mentioned operating procedures are exempted by article 132 paragraph 3 TUF as concerns the purchase of treasury shares held by employees of the Company or of companies controlled by Company and assigned or subscribed pursuant to of articles 2349 and 2441 paragraph 8 Civil Code or deriving from compensation plans approved pursuant to article 114-*bis* TUF. Shares serving stock incentive plans shall be allocated in the manner and within the term provided for by the relative plan regulations.

Mindful of the various purposes that may be pursued through treasury share transactions, the Board proposes that the authorization be granted to allow purchases in any manner allowed by the legislation, including regulations, in force from time to time as the board shall identify at its discretion, which at the date of this Report may be:

- (i) through public bids or exchange tender offerings;
- (ii) by purchases made on regulated markets, in accordance with the procedures established by Borsa Italiana S.p.A., which do not allow the direct matching of buy orders with predetermined sell orders;
- (iii) through the purchase and sale of derivative instruments traded on those regulated markets or multilateral trading systems that provide for the physical delivery of the shares under the conditions established by article 144-*bis* letter c) Issuers' Regulations¹;
- (iv) through the grant to shareholders of put options proportionate to number of shares held;
- (v) in carrying out the systematic internalization activity in a non-discriminatory manner and which provides for the automatic and non-discretionary execution of transactions based on pre-set parameters;
- (vi) the methods established by market practices accepted by Consob pursuant to article 13 of MAR;
- (vii) under the conditions indicated in article 5 MAR;
- (viii) in the manner prescribed by market practices accepted by Consob or ESMA.

Those shares serving stock incentive plans shall be allocated in the manner and within the term indicated by the regulations of said plans in force from time to time.

With regard to disposals, the Board of Directors proposes that the authorization allow that any process be adopted as may be deemed opportune to achieve the pursued objectives - including the use of treasury shares to service share incentive plans and/or the assignment of rights in rem or personal rights or securities lending - whether carried out directly or through intermediaries, in adherence with the provisions of the law and regulations in force on the subject.

Notice will be given of any transaction for purchase and disposal of treasury shares in conformance with the applicable disclosure obligations provided for under domestic and EU provisions.

¹ In any case, authorised financial intermediaries will be appointed to carry out the purchase and sale of derivative instruments. The amount of shares that may be purchased shall be a maximum of 600,000 ordinary shares, with no par value, approximately equal to 2.9% of the shares currently outstanding.

We remind you that for as long as they remain the property of the Company, treasury shares shall not carry voting rights, dividend rights or option rights; such rights shall be assigned in proportion to the other shares held.

7. Further information should the purchase transaction be instrumental to a reduction of share capital by cancellation of the shares subject of the buy back

We confirm that the buy back of shares is not deemed instrumental to a reduction of the share capital of the Company. This is without prejudice to the Company's right to execute any share reduction as may be approved at a future Shareholders' Meeting, by cancelling treasury shares in the portfolio as well as cancelling treasury shares without a reduction in capital, as likewise may be approved at a future Shareholders' Meeting.

The Company's shares have STAR status and are traded on the Euronext STAR Milan segment. Pursuant to the Regulations governing markets organised and managed by Borsa Italiana S.p.A. in order to obtain and maintain STAR qualification for their shares, issuers having shares traded on the Euronext STAR Milan segment - as has Unieuro - shall adopt policies for the remuneration of executive directors and top management which lay down performance objectives tied to payment of any variable component which shall be predetermined, measurable and linked to a significant extent to the long-term horizon.

At the Shareholders' Meeting held on 17 December 2020, the plan called the "2020-2025 Performance Shares Plan" was approved in accordance with the above-mentioned requirement. This plan envisages the gratuitous assignment of rights to receive ordinary shares of Unieuro, conditional upon achievement of certain performance objectives which is reserved for employees and/or Executive Directors of Unieuro and/or of other companies belonging to the Group.

Said plan has three cycles starting from 1 March 2020; the third and final cycle started on 1 March 2022 with vesting of any rights and allocation of shares envisaged during 2025.

The Board of Directors has decided to put forward a proposal at the 2022 Shareholders' Meeting called to approve the financial statements as at 28 February 2022, for adoption of the new 2023 - 2028 Performance Shares Plan. If approved, this new plan shall provide for the assignment of rights of the first cycle starting from 1 March 2023 and is not a continuance of the prior 2020-2025 Performance Shares Plan.

The Company has been supported by a consulting firm of primary standing so as to confirm the correct preparation of the Plan and the alignment of the principles contained therein with the indications of the market, proxy advisors and best practices.

Therefore this Information Document exclusively discusses the Plan proposal approved by the Board of Directors of the Company on 11 May 2022. Each reference to the Plan contained in this Information Document is to be interpreted as that Plan as shall be put forward for approval at the shareholders' meeting.

As better described hereinbelow, certain aspects of Plan implementation shall be determined by the Board of Directors in virtue of powers that shall be conferred on said Board at the Shareholders' Meeting.

Information concerning the resolutions that the Board of Directors shall adopt to implement any such Plan as may have been approved by the Shareholders' Meeting and in compliance with the general criteria indicated therein, shall be provided, where necessary, in the manner and within the timelines indicated by article 84-*bis* paragraph 5 letter a), of the Issuers' Regulation and in any case by the regulatory provisions in force from time to time.

We underline that the Plan is deemed of "particular relevance" for the purposes of art. 114-*bis*, paragraph 3 TUF and art. 84-*bis* paragraph 2 Issuers' Regulation, on grounds that its interested parties are, *inter alia*, directors with delegated powers and managers with strategic responsibilities of the Company.

2. REASONS UNDERPINNING THE ADOPTION OF THE PLAN

2.1 Objectives to be achieved through the implementation of such a plan.

In line with national and international best market practices, the Company believes that share-based compensation plans constitute an effective incentive and loyalty instrument for personnel who hold key roles as well as for employees, so as to maintain high levels of - as well as improve - performance which in turn contributes to an increase in the growth and sustainable success of the Company.

Indeed, the Plan is part of a set of instruments used by the Company to integrate the fixed component of the remuneration package of strategic resources with a variable component connected to continuance of the employment relationship, in line with best market practices and of the previous medium-long term incentive plan approved at the Shareholders' Meeting held on 17 December 2020.

The Plan includes the following objectives:

- (i) to focus the attention of Plan Beneficiaries on factors of strategic interest of the Company and direct key resources towards the pursuing of medium-long term results with a view to sustainability of the Group's economic and financial performance;
- (ii) build loyalty among the Plan Beneficiaries and incentivize their continuance with the Company by developing retention policies;
- (iii) align the interests of the Beneficiaries with those of the shareholders, with a view to developing the growth of the Company's value; and
- (iv) ensure that the overall remuneration of recipients of the Plan remains competitive whilst at the same time developing policies to attract new talent to managerial and professional roles.

The reasons and criteria on the basis of which the Company established the relationship between the Allocation of the Shares under the Plan and other components of overall remuneration are grounded, on the one hand, in the facilitation of loyalty and, on the other, in recognition of an overall benefit for the interested parties in line with market practices.

In addition, the adoption of a share-based remuneration plan responds to the recommendations under the Corporate Governance Code which acknowledges that such plans constitute an instrument which is apposite to align the interests of executive directors and managers with strategic responsibilities of listed companies with those of shareholders, thus facilitating the priority objective which is creation of value in the medium-long term.

The Plan shall be developed over a medium-long term horizon since this is considered the most suitable timespan for achievement of the incentive and loyalty objectives that said Plan pursues.

2.2 Key variables, including any performance indicators considered for the purposes of realising plans based on financial instruments.

For each Plan Cycle, each Beneficiary shall be granted a number of non-transferable Rights on a gratuitous basis and subject to conditions to be allocated Shares in Unieuro, also on a gratuitous basis, upon the achievement or overachievement of certain Performance Objectives as fixed for each Cycle, and conditional upon occurrence of the Vesting Conditions provided for in the Plan. Moreover, the Plan provides for a Cash Bonus as better described in article 4.2 below which shall be paid to the Beneficiary conditional upon Delivery of the Shares relating to each Cycle of the Plan provided that all the related Vesting Conditions have been met.

The incentive levels shall be defined, in terms of the maximum number of Shares that may be awarded, in accordance with the following principles of the remuneration policy adopted by Unieuro, foreseeing in particular an adequately balanced management remuneration structure with coherent weighting given to:

- the fixed component and the powers and/or responsibilities assigned;
- a variable component having maximum limits and aimed at anchoring the remuneration to the performance actually achieved;
- variable remuneration of those managerial roles having greater influence on company results and characterized by a significant incidence of the long-term incentive components, such remuneration more appropriate for deferral over a period of at least three years.

For each of the Performance Objectives, an incentive curve is envisaged that links the number of Shares as may be allocated, to the level of Performance Objectives achieved or overachieved by the Company:

- a minimum performance threshold set at 80% of the performance threshold (target) below which no Shares shall be allocated and upon attainment of which a number of shares shall be allocated commensurate to 50% of the Shares to be allocated upon achievement of the target threshold;
- an performance threshold (target) upon achievement of which a Base Number of Shares shall be allocated;
- a maximum performance threshold (cap) fixed at 150% of performance threshold (target) upon achievement or overachievement of which a maximum number of Shares shall be allocated commensurate to 150% of the Shares to be allocated upon achievement of the target threshold.

The Performance Objectives applicable to each Plan Cycle shall be determined by the Board of Directors having consulted with the Remuneration and Appointments Committee prior to the Grant of Share Rights and shall be formulated with reference to the 1st Cycle by:

- **Adjusted EBIT Indicator**

Meaning the consolidated EBIT post application IFRS 16 adjusted for (i) non-recurring charges/(income) (ii) non-recurring depreciation and write-downs and (iii) the effects of adjustment of revenues for extended warranty services net of the relative estimated future costs for assistance service, as a consequence of the change in the business model for directly managed assistance services.

The Performance Objectives based on Adjusted EBIT indicator has a 50% percentage weighting of the total Shares subject to Allocation and coincides with the Unieuro adjusted cumulative EBIT relating to the accounting periods of the 1st Cycle. Achievement of Performance Objectives shall be calculated with reference to the methodology described in the table in Section 4.5 of this Information Document.

- **Adjusted Free Cash Flow indicator**

Meaning the consolidated cash flow generated/absorbed by operating and investment activities comprehensive of financial obligations pre-adoption of IFRS 16. Consolidated Adjusted Free Cash Flow is that adjusted by operative flows and by non-recurring investments and includes adjustments for non-recurring charges (income), their non-monetary component and the related tax impact.

The Performance Objectives based on Adjusted Free Cash Flow indicator has a 25% percentage weighting of the total Shares subject to Allocation and coincides with the Unieuro cumulative Free Cash Flow relating to the accounting periods of a Cycle. Achievement of Performance Objectives shall be calculated with reference to the methodology described in the table in Section 4.5 of this Information Document.

- **ESG Indicator**

Indicates Unieuro's level of sustainability in line with its ESG strategy, as laid down in the 2022-2026 Sustainability Plan adopted by the Company. The weaving of environmental, social and governance issues into business activity is reflected by the choice of an ESG performance indicator based on KPIs ("**Key Performance Indicators**") attributable to 4 specific projects: 1st KPI: number of contacts (audience) achieved by the #Cuoriconnessi initiatives against cyberbullying; 2nd KPI: acquisitions of energy with certification attesting its origin from renewable sources; 3rd KPI: level of Employee Net Promoter Score (eNPS), as a tool for measuring human resources' level of satisfaction; 4th KPI: Group employees involved in specific training on sustainability issues.

The ESG indicator has a percentage weighting of 25% on the total of the Shares subject to Allocation and shall be measured in accordance with the methodology described in the table in Section 4.5 of this Information Document.

The Shares shall be allocated at the end of each Vesting Period provided that the Board of Directors is satisfied that the following Vesting Conditions have been fulfilled:

- on the Share Allocation Date, the Beneficiary's Relationship with the Company and/or with a Group company is still in continuance, unless the Beneficiary is deemed a Good Leaver;
- the minimum performance threshold for at least one of the Performance Objectives has been achieved during the Vesting Period;
- in consideration of the individual Allocations to be made by the Board of Directors or by any other body they may entrust with such task, there is from time-to-time sufficient available reserves, as reported in the last approved accounts of the Company, to carry out the Share capital Increase or the purchase of Shares

pursuant to articles 2357 and 2357-ter Civil Code to service the Plan. It is understood that the Board of Directors may, at its sole discretion, proportionally reduce the number of Shares to be made available for allocation to Beneficiaries for each Cycle of the Plan.

The Board of Directors shall verify the Vesting Conditions no later than the 30th (thirtieth) calendar day following the date of the Shareholders' Meeting that approves the annual Financial Report as of: 28 February 2026 with reference to the 1st Cycle of the Plan; as of 28 February 2027 with reference to the 2nd Cycle of the Plan; as of 29 February 2028 with reference to the 3rd Cycle of the Plan. Said Board shall also duly assess achievement of the Performance Objectives on the basis of the Non-Financial Declarations and the relevant annual financial reports.

For more information on the Performance Objectives, please refer to paragraph 4.5 below of this Information Document.

2.3 Elements underpinning the determination of the amount of remuneration based on financial instruments; the criteria for its determination.

On the Grant of Share Rights Date, the Board of Directors shall set the number of Rights to be granted to each Beneficiary, having duly: heard the opinion of the Remuneration and Appointments Committee; evaluated the importance and strategic value of each Beneficiary in creating new value for the Company and/or the Group; taken into account the particular relevance of the office held; evaluated the importance of the Beneficiary in terms of loyalty.

Please note that for the 1st Cycle of the Plan, a total of 200,000 shares shall be allocated to Beneficiaries of the Cycle upon achievement of target threshold.

More specifically, the Board of Directors having received the prior opinion of the Remuneration and Appointments Committee, has provided, should this Plan be approved at the Shareholders' Meeting, for the grant of the following Rights to receive Unieuro Shares in relation to the 1st cycle of the 2023-2028 Performance Shares Plan to Managers with Strategic Responsibilities: (i) Chief Executive Officer: 40,000, (ii) General Manager: 27,000, (iii) Chief Financial Officer: 17,000.

The amount of maximum share incentive rights corresponding to the attainment of maximum performance threshold for all Performance Objectives allocated to a particular Beneficiary, shall be determined with reference to the level of responsibility/criticality of the office held by the particular assignee.

As regards the connection with the Vesting Conditions you are referred to point 4.5 below.

2.4 Reasons underpinning any decision to implement compensation plans based on financial instruments not issued by the issuer of financial instruments, such as financial instruments issued by subsidiaries or parent companies or third-party companies with respect to the group to which they belong. In the event that such instruments are not traded on regulated markets, indication of the criteria used to determine the value attributable to them

Not applicable on grounds that the Plan is based exclusively on financial instruments issued by the Company.

2.5 Evaluations of significant tax and accounting implications that have impacted the definition of the plan.

No significant implications of a tax and accounting nature have impacted the definition of the Plan.

2.6 Any support of the plan from special Funds for incentivizing the participation of workers in the company as referred to in article 4, paragraph 112, of Law 24 December 2003, No. 350.

In case of events such as:

- i. transactions concerning the Company capital such as, but not limited to, capital reductions to account for losses through the cancellation of shares, increases of Company share capital, whether gratuitous or for consideration, offers to shareholder with or without option rights, possibly also to be conferred as a contribution in kind, any grouping or splitting of Shares;
- ii. mergers or company splits, purchase or sales of equity investments, companies or a part of company business;
- iii. events or circumstances, including those caused by external factors (e.g., COVID-19) of an exceptional nature that have potential to or will affect the results and/or performance of the Company and/or the Group perimeters;
- iv. legislative or regulatory changes or other events likely to affect the Rights, the Shares and/or the Company and/or Group companies.

Within the above context, the Board of Directors may, having heard the opinion of the Remuneration and Appointments Committee, make all amendments or integrations it deems necessary and/or appropriate to maintain unaltered the substantial and economic contents of the Plan itself, within the limits provided for by the legislation in force from time to time, autonomously and without any need to seek further approval at any Shareholders' Meeting.

More specifically, upon the occurrence of extraordinary events that materially impact the performance scenarios on which the Performance Objectives in the Plan are based, the Board of Directors of the Company, upon the proposal of the Remuneration and Appointments Committee, may make apposite corrections to the Performance Objectives so that the substantial and economic contents of the Plan remain unvaried.

For the purposes of the foregoing, "extraordinary event" means: (i) any material change in the macroeconomic and/or competitive scenarios or any other extraordinary event having a material impact beyond the management's control; and/or (ii) the occurrence of any material adverse effect whether or not of an economic or financial nature, e.g., the effects of the Covid-19 emergency or high intensity events of belligerence.

Any variations to the Performance Objectives must be for the purpose of safeguarding the principles and guidelines which underpin the Plan and shall not be made to create undue advantages or penalties for either the Beneficiaries or the Company.

If, during the Vesting Period:

- i. any public offer to purchase or public tender to exchange Shares were to be promoted; or
- ii. trading of the Shares on the electronic stock exchange (*Mercato Telematico Azionario*) organized and managed by Borsa Italiana S.p.A. were to be revoked;
- iii. a Shareholder were to acquire control of the Company pursuant to and for the purposes of article 93 TUF;

the Board of Directors shall be entitled to grant the Beneficiaries the right to receive the Shares *pro rata temporis* and *pro rata* performance.

3.4 Description of the methods applied to determine the availability and allocation of the financial instruments on which the plans are based.

The Plan concerns the Grant of Share Rights on a gratuitous basis which, conditional upon achievement of the Performance Objectives, give rise to the Allocation of Shares also on a gratuitous basis.

The number of Shares subject to any Allocation shall be fixed with reference to the level of achievement of - and/or any achievement in excess of - the Performance Objectives.

Shares deriving from a buy-back programme or from a capital increase may be used to service the Plan pursuant to the combined provision of articles 2349 and 2443 Civil Code up to a maximum value of Euro 180,000.00 by means of issuance of a maximum of No. 900,000 ordinary shares with no indication of their nominal value and having the same characteristics as those in circulation, to be assigned free of charge to the Beneficiaries under the terms and conditions of the Regulations.

The proposed capital increase referred to above to service the Plan, together with the description of the terms and conditions thereof, are illustrated by a specific explanatory report prepared pursuant to article 72 and Annex 3A of the Issuers' Regulations, available to the public on the Company's corporate website in the section "Unieurospa.com / Corporate Governance / Shareholders' Meetings / Shareholders' Meeting December 2022" as well as on the centralized storage mechanism e-market STORAGE within the timelines provided for by law and applicable regulations.

Such proposal shall be submitted to the Company's Extraordinary Shareholders' Meeting for due consideration and approval.

The determination of the main features and guidelines of the Plan, as shall be submitted for approval by the Shareholders' Meeting pursuant to and for the purposes of article 114-*bis* TUF, has been performed by the Board of Directors with the proactive and consultative support of the Remuneration and Appointments Committee in accordance with the recommendations of the Corporate Governance Code and in line with the best applicable corporate practices.

Attention is drawn to the fact that Directors of the Company may also be Beneficiaries of the Plan. In such case, the board's decision on the Grant of Share Rights shall be adopted in compliance with the provisions of article 2391 Civil Code and, to the extent necessary, article 2389 Civil Code.

As concerns Beneficiaries, the Plan is deemed to constitute a related-party transaction. Therefore, the specific procedures envisaged under Consob resolution No. 17221 of 12.3.2010 ("Regulations for related-party transactions") are not applicable in virtue of the exemption provided for by internal regulations adopted by Unieuro relating to management of Related-Party Transactions adopted by Unieuro for compensation plans based on financial instruments approved at the Shareholders' Meeting in accordance with article 114-*bis* TUF and the relative executive transactions.

3.6 For the purposes of the requirements under article 84-*bis* paragraph 1 Issuer's Regulations, the date the decision was taken by the corporate organ competent to propose the approval of the plan at the shareholders' meeting and any proposal of the remuneration committee

On 6 May 2022, the Remuneration and Appointments Committee proposed the guidelines for adoption of the Plan to the Board of Directors.

On 11 May 2022, the Board of Directors, following the indications of the Remuneration and Appointments Committee, approved the Plan guidelines and agreed that they be submitted for approval at the Shareholders' Meeting. Moreover, on the same date, the Board of Directors, having obtained favourable opinion from the Remuneration and Appointments Committee, approved this Information Document and the Directors' explanatory report on the Plan pursuant to article 114-*bis* TUF.

3.7 For the purposes of the requirements under article 84-*bis*, paragraph 5 letter a) Issuer's Regulations, the date the decision was taken by the competent corporate body regarding the allocation of the instruments and any proposal to said body as may have been formulated by the remuneration committee.

The Rights envisaged for the 1st Cycle of the Plan shall be granted to the Beneficiaries by the Board of Directors having heard the opinion of the Remuneration and Appointments Committee and following approval of the Plan at the Shareholders' Meeting.

The Beneficiaries of the First Cycle may be identified on one or more occasions by the 30th (thirtieth) calendar day following the date of the Shareholders' Meeting that approves the Plan; those of the second Cycle by the 30th (thirtieth) calendar day following the date of the Shareholders' Meeting that approves the annual financial report as at 29 February 2024; those of the third Cycle by the 30th (thirtieth) calendar day following the date of the Shareholders' Meeting at which the annual financial report as at 28 February 2025 is approved.

The Shares shall be allocated to the Beneficiaries by the Board of Directors, subject to the opinion of the Remuneration and Appointments Committee at the end of the Vesting Period subject to the Performance Objectives having been achieved and in general the continuance of the Vesting Conditions.

The dates for the Grant of Share Rights and Allocation of Shares shall be communicated in the manner and within the timeline provided for in article 84-*bis* paragraph 5 letter a) of the Issuers' Regulations.

3.8 Market price recorded on the above-mentioned dates, for the financial instruments on which the plans are based, if traded on regulated markets.

On 6 May 2022 and on 11 May 2022 the Remuneration and Appointments Committee and the Board of Directors respectively met to establish the proposal for the Plan guidelines for submission at the Shareholders' Meeting. On said dates, the official closing price of the Stock Exchange was, respectively, Euro 15.60 and Euro 15.58.

The Share price at the time of the Grant of Share Rights and of Allocation of Shares by the Board of Directors shall be communicated in the manner and within the timeline provided for under article 84-*bis*, paragraph 5 letter a) of the Issuers' Regulations.

The task of establishing any safeguards shall be delegated to the Board of Directors at the time the Plan Regulations are drawn up. Execution of the Plan subject of this Information Document shall take place in full compliance with the disclosure obligations imposed on the Company, in such way as to ensure transparency and consistency of information to the market, as well as in compliance with the procedures adopted by the Company in relation thereto.

It is submitted that the structure of the Plan, its conditions and the manner of Grant of Share Rights and Allocation of Shares, are such that they shall not be influenced by any dissemination of privileged information for the purposes of article 17 of Regulation (EU) No. 596/2014, given that the procedure for the Grant of Share Rights shall be performed in any case, in full compliance with the disclosure obligations imposed on the Company, in order to ensure transparency and consistency of information to the market, as well as in compliance with the internal procedures adopted by the Company for such matters.

The Beneficiaries are obliged to comply with the provisions governing the abuse of privileged information provided for under the applicable legislation and regulations, with specific reference to the prohibition on the conducting of Share transactions in the closed period pursuant to article 19 paragraph 11 Regulation (EU) No. 596/2014, as well as with reference to transactions concerning the disposal of any Shares that may be subject to Allocation after verification of Performance Objectives achievement.

The Board of Directors, having consulted the Remuneration and Appointments Committee, may also provide for further closed periods that prevent disposal of the Shares and which may apply to all or only certain of the Beneficiaries.

4. CHARACTERISTICS OF THE FINANCIAL INSTRUMENTS ASSIGNED

4.1 Description of the manner in which plans are structured.

Subject matter of the Plan is the Grant of Share Rights on a gratuitous basis to Executive Directors and/or Managers with Strategic Responsibilities and/or employees of the Company or of companies of the Group, which entitle a Beneficiary to receive Shares on a gratuitous basis: a) in an amount as shall be decided with reference to the level of achievement or overachievement - of certain Performance Objectives, conditional upon the occurrence of the Vesting Conditions under the Plan and b) for the Cash Bonus.

Shares deriving from a buy-back programme or from a capital increase may be used to service the Plan pursuant to the combined provisions of articles 2349 and 2443 Civil Code up to a maximum value of Euro 180,000.00 by means of issuance of a maximum of No. 900,000 ordinary shares with no indication of their nominal value and having the same characteristics as those in circulation, to be assigned free of charge to the Beneficiaries under the terms and conditions of the Regulations.

The Shares subject to Allocation shall carry regular dividend rights which shall pass to each Beneficiary as of the moment in which title therein passes to him/her.

4.2 Period of effective implementation of the plan with reference also to any different cycles envisaged.

The Plan has a time horizon of 5 years (2023-2028) as concerns the Vesting Period running from 1 March 2023.

More specifically, the Plan provides for three Cycles, each consisting of four stages: (i) Grant of Share Rights to the Beneficiaries; (ii) relative Vesting Period; (iii) Allocation of the Shares on the Share Allocation Date and (iv) Lock Up Period where applicable.

More specifically: the 1st Cycle has a three-year duration (i.e., Grant of Share Rights to the Beneficiaries for 1st Cycle, Vesting Period relating to the business years 2023/2024, 2024/2025, 2025/2026 with any Allocation to be carried out after the approval of the annual financial report relating to the business year closed on 28 February 2026) in addition to the Lock Up Period where applicable. The 2nd Cycle has a three-year duration (i.e., Grant of Share Rights to the Beneficiaries for 2nd Cycle, Vesting Period relating to the business years 2024/2025, 2025/2026, 2026/2027 with any Allocation to be carried out after the approval of the annual financial report relating to the business year closed on 28 February 2027) in addition to the Lock Up Period where applicable. The 3rd Cycle has a three-year duration (i.e., Grant of Share Rights to the Beneficiaries for 3rd Cycle, Vesting Period relating to the business years 2025/2026, 2026/2027 and 2027/2028 with any Allocation to be carried out after the approval of the annual financial report relating to the business year closed on 29 February 2028) in addition to the Lock Up Period where applicable.

By way of illustration only, the following graph shows the proposed three Cycles of the Plan each having a three-year duration:

	FY 2023 – 2024 (01/03/23 – 29/02/24)	FY 2024 – 2025 (01/03/24 – 28/02/25)	FY 2025 – 2026 (01/03/25 – 28/02/26)	FY 2026 – 2027 (01/03/26 – 28/02/27)	FY 2027 – 2028 (01/03/27 – 29/02/28)	FY 2028 – 2029 (01/03/28 – 28/02/29)	FY 2029 – 2030 (01/03/29 – 28/02/30)
1 st Cycle	Vesting Period			Lock Up Period ¹			
2 nd Cycle		Vesting Period			Lock Up Period ¹		
3 rd Cycle			Vesting Period			Lock Up Period ¹	

Delivery of the Shares allocated to each Beneficiary shall take place once the relative civil and administrative-accounting obligations have been performed, by way of transfer of said Shares to the securities account designated by that Beneficiary or, with reference to any part of Shares subject to a Lock Up Period, then to the escrow account in the name of the Beneficiary arranged by the financial intermediary appointed by the Company as Plan administrator, on the date set forth in the relevant Allocation notice and in any case within fifteen day of the date of Allocation notice.

Cash Bonus

The Rights further entitle each Beneficiary to receive a Cash Bonus for an amount commensurate to any dividends as have been distributed and paid out by the Company up to Share Allocation Date.

More precisely, the gross amount of the Cash Bonus shall be commensurate to the sum the Beneficiary would have received by way of dividends in relation to the year for each Cycle from the Cycle start date to the Share Allocation Date had he/she held the Shares Allocated to him/her at the end of the Cycle.

For the purpose of the determination of any Cash Bonus, a maximum of three resolutions for the distribution of ordinary dividends per Cycle shall be allowed; therefore, each Beneficiary may receive, for each Cycle of the Plan as concern ordinary dividends, a Cash Bonus not exceeding in any event an aggregate maximum of three ordinary dividends.

The above-mentioned limit does not apply to any extraordinary dividends as may be distributed and paid from the start date of the Cycle up to Allocation Date, whereby 'extraordinary dividend' means a dividend deriving from a part of the Company's earnings/capital reserves, rather than a dividend from the distribution of annual profits.

Such Cash Bonus shall be payable conditional upon the Delivery relating to each Cycle of the Plan provided that all the Vesting Conditions are met.

Upon delivery of the Shares and/or at the time of payment of any Cash Bonus as mentioned above, Unieuro shall have the right to withhold from the sums due for any reason to the Beneficiary - including any sums due as remuneration - the minimum amount deemed sufficient to meet any obligation to pay tax and/or contributions due at source. In the event that it is not possible for any reason to withhold the relative amounts from sums due to the Beneficiary, then the Company may, prior to Delivery, ask the Beneficiary to remit to the Company, or where appropriate to another Group

¹ The Lock-up Period will be effective for 24 months from the Share Delivery Date.

company, those amounts as are necessary to satisfy the obligations for tax and/or contributions due at source.

Any amount of Cash Bonus due shall be paid by the Company in the pay-slip for the month following Delivery date or within 30 days of Delivery date should the Beneficiary not be an employee.

4.3 Term of the Plan.

Please refer to the information set forth in the previous paragraph 4.2 of this Information Document.

4.4 Maximum number of financial instruments, including in the form of options, allocated in each fiscal year to persons identified by name or qualifying category.

The maximum total of Shares to service the Plan (inclusive of all three Cycles) shall be No. 900,000 Shares to be allocated in one or more tranches upon achievement of all the Performance Objectives up to a maximum cap. The Board of Directors at its sitting of 11 May 2022 determined that the maximum number of Shares to service the first Cycle of the Plan be 300,000 (200,000 on achievement of the target threshold).

Shares earmarked to service the Plan for the second and third Cycles shall be subject to approval by the competent bodies in accordance with the legislation in force.

The exact number of Rights to be granted and Shares allocated to each Beneficiary shall be established by the Board of Directors at the time of the Grant of Share Rights and of the Allocation of Shares respectively.

4.5 Manner of and clauses for implementation of plans, stating whether the allocation of the instruments is dependent on the occurrence of conditions or the achievement of certain results, including performance; description of said conditions and results.

Allocation of Shares shall be conditional, *inter alia*, on achievement of the minimum performance threshold of at least one Performance Objective. The Performance Objectives applicable to each Plan Cycle shall be determined by the Board of Directors having consulted the Remuneration and Appointments Committee on the Grant of Rights and for the 1st Cycle are:

- **EBIT Adjusted Indicator**

Meaning the consolidated EBIT post application IFRS 16 adjusted for (i) non-recurring charges/(income) (ii) non-recurring depreciation and write-downs and (iii) the effects of adjustment of revenues for extended warranty services net of the relative estimated future costs for assistance service, as a consequence of the change in the business model for directly managed assistance services.

The Performance Objective based on the Adjusted EBIT indicator has a 50% percentage weighting of the total Shares subject to allocation and coincides with the Unieuro adjusted cumulative EBIT relating to the accounting periods of the 1st Cycle. Achievement of Performance Objectives shall be calculated with reference to the methodology described in the table below.

- **Free Cash Flow Adjusted Indicator**

Meaning the consolidated cash flow generated/absorbed by operating and investment activities comprehensive of financial obligations pre-adoption of IFRS 16. Consolidated Adjusted Free Cash Flow is that adjusted by operative flows and by non-recurring investments and includes adjustments for non-recurring charges (income), their non-monetary component and the related tax impact.

The Performance Objective based on the Adjusted Free Cash Flow indicator has a 25% threshold percentage weighting of the total Shares subject to allocation and coincides with the Unieuro adjusted cumulative Free Cash Flow relating to the accounting periods of a Cycle. Achievement of Performance Objectives shall be calculated with reference to the methodology described in the table below.

- **ESG Indicator**

Is the ESG performance indicator based on KPIs attributable to 4 specific projects: 1st KPI: number of contacts (audience) achieved by the #Cuoricnessi initiatives against cyberbullying; 2nd KPI: acquisitions of energy with certification attesting its origin from renewable sources; 3rd KPI: level of Employee Net Promoter Score (eNPS), as a tool for measuring human resources' level of satisfaction; 4th KPI: Group employees involved in specific training on sustainability issues. Overall, it indicates Unieuro's level of Sustainability in line with its ESG strategy, as laid down in the Sustainability Plan 2022-2026 as has been adopted by the Company and reflects the integration of environmental, social and governance issues into business activities.

The ESG indicator has a percentage weighting of 25% on the total of the Shares subject to Allocation and shall be measured in accordance with the methodology set forth in the table below.

Calculation methodology of ESG Indicator:

ESG Indicator

$$= \left(\frac{\text{Audience \#cuoricnessi}}{\text{Target}} * \frac{1}{3} \right) + \left(\frac{\text{Green Sources}}{\text{Target}} * \frac{1}{3} \right) + \left(\frac{\text{eNPS}}{\text{Target}} * \frac{1}{6} + \frac{\text{Sustainability Training}}{\text{Target}} * \frac{1}{6} \right)$$

Values achieved by individual targets shall be reported in the Non-Financial Statement drawn up by the Company pursuant to Legislative Decree 254/2016.

Achievement of the Plan Performance Objectives shall be ascertained upon completion of each three-year vesting period - without prejudice to the provisions herein governing Good Leaver and Bad Leaver - following a timely assessment process on the part of the Board of Directors (having received the prior opinion of the Remuneration and Appointments Committee), of the results actually achieved.

For each of the Performance Objectives, an achievement curve is provided that links the number of shares as may be allocated to the level of Performance Objective achieved or overachieved in accordance with different thresholds: a) a minimum performance threshold fixed at 80% of performance threshold (target) below which no Shares shall be allocated and upon attainment of which 50% of Shares to be allocated on achievement of the threshold ; b) a performance threshold (target) upon achievement of which a Base Number of Shares shall be allocated; and c) (c) a maximum performance threshold (cap), set at 150% of the performance threshold (target) upon the attainment

³ Baseline FY 2021/22 is 58%

⁴ Unieuro employees shall be asked: *'What is the probability that you would recommend a friend or relative to come and work for your organisation?'* and to weight their answer by giving a score from 0 to 10 where 0 is the most negative judgement on the Company and 10 is the most positive. "Promoters" will be those having given scores of 9 or 10; "Detractors" are those having given scores from 0 to 6 (inclusive). "Passives" are those having given scores of 7 or 8 (inclusive). The Passive category is deemed neutral, therefore is excluded from the eNPS calculation). Please note that eNPS index values are between -100 and +100.

⁵ In each year of the cycle, the eNPS value resulting from the survey conducted on employees shall be that taken into consideration to calculate the average over the three years.

⁶ Please note that to render the training path more complete and articulated, there are three different modules on sustainability, one for each year of the cycle.

⁷ Employees considered "eligible" for the purposes of the calculation are those engaged under permanent contracts and in force on February 28 of each year. Personnel on leave, on maternity leave or on prolonged illness (over 1 month) are excluded from this calculation. The training modules shall in any event be also offered to employees engaged under fixed-term contracts, albeit said latter shall not be taken into consideration for the purpose of achieving the above-mentioned target.

or over-achievement of which the maximum number of Shares, equal to 150% of the Shares attributable to the attainment of the target threshold, will be allocated.

Achievement of Performance Objectives entails the vesting of the Rights (for each weighted Performance Objective) in the manner set forth in the chart and table below:

As regards intermediate values between 80% and 100% and between 100% and 150%, linear interpolation shall be applied to determine the accrued Rights.

	EBIT Adjusted (Weighting 50%)		Free Cash Flow Adjusted (Weighting 25%)		ESG Indicator (Weighting 25%)	
	Result Euro/million	Allocation of Shares	Result Euro/million	Allocation of Shares	Result	Allocation of Shares
Threshold 80%	202.2	50%	156.7	50%	0.8	50%
Target 100%	252.7	100%	195.8	100%	1.0	100%
Cap 150% or +150%	379.1	150%	293.7	150%	1.5	150%

Performance Objectives and the target thresholds relating to subsequent Grant of Share Rights for second and third Cycles shall be determined and disclosed in the Remuneration Report for the fiscal year of the Grant of Share Rights.

With reference to the manner of and clauses for implementation of the Plan, please refer to the provisions of the individual sections of this Information Document.

The Allocation of the Shares on a gratuitous basis for each of the three Cycles of the Plan is dependent upon the achievement of specific Performance Objectives at the end of the Vesting Period subject to fulfilment of the following Vesting Conditions:

- on the Share Allocation Date, the Beneficiary's Relationship with the Company and/or a Group company is still in continuance, unless the Beneficiary is a Good Leaver;
- the minimum performance threshold of at least one Performance Objective has been achieved during the Vesting Period;
- in consideration of the individual allocations to be made by the Board of Directors or by any other body they may entrust with such task, there is from time to time sufficient available reserves, as reported in the last approved accounts of the Company, to carry out the Capital Increase or the purchase of Shares to service the Plan pursuant to articles 2357 and 2357-ter Civil Code. It is understood that the Board of Directors may, at its sole discretion, proportionally reduce the number of Shares to be made available for allocation to Beneficiaries for each Cycle of the Plan.

The Board of Directors shall verify occurrence of the Vesting Conditions no later than the 30th (thirtieth) calendar day following the date of the Shareholders' Meeting that approves the annual Financial Report as of: 28 February 2026 with reference to the 1st Cycle of the Plan; as of 28 February 2027 with reference to the 2nd Cycle of the Plan; as of 29 February 2028 with reference to the 3rd Cycle of the Plan. Said Board shall also duly assess achievement of the Performance Objectives on the basis of the Non-Financial Declarations and the relevant annual financial reports.

4.6 Any constraints encumbering the allocated instruments including in relation to the exercise of options, with particular reference to any timeline within which the subsequent transfer to the company or to third parties is permitted or prohibited.

Share Rights are personal, non-transferable and otherwise non disposable *inter vivos* and must not be pledged or used as security.

The Rights granted to each Beneficiary must not be traded, transferred or otherwise disposed of in any way and must not be subject to any third-party enforcement or interim legal measures. In case of breach of the provisions under this paragraph the Beneficiary shall forfeit the Rights granted to him/her.

Transfer of Rights means any and all transactions by means of which the Rights are disposed of to third parties, whether directly or indirectly, and including on a gratuitous basis, by exchange and or by conferment.

Any sale, assignment, encumbrance or transfer made in breach of the obligation in the previous paragraph shall not be binding on the Company and the breaching Beneficiary shall forfeit the Rights granted to him/her.

Once the Shares have been duly delivered to a Beneficiary, he/she may freely trade them.

Beneficiaries who are also members of the Board of Directors and/or Managers with Strategic Responsibilities are obliged to make a Lock Up Commitment from the Share Delivery Date for each Cycle in which they are a Beneficiary. Such commitment consists of the obligation to continuously and personally hold 100% of the Shares granted to the particular Beneficiary under the Plan for at least 24 months starting from the Share Delivery Date (having deducted a number of Shares commensurate to the tax, social security and welfare charges arising in virtue of the Delivery of Shares which, instead, may be freely disposed of).

The Plan provides a Claw-Back clause which applies in the event that - within 3 (three) years from the Share Delivery Date - it transpires that the Performance Objectives ascertained by the Board of Directors were achieved:

- on the basis of data and/or information furnished by the competent company bodies, that is proven to be "manifestly incorrect", meaning a material or calculation error of the results that caused an objective to be achieved whereas, had the error not been made, such objectives would not have been achieved or would have been achieved differently;
- due to a wilful or grossly negligent alteration by a Beneficiary of the data used to achieve his/her objective/s;
- due to acts and/or conduct on the part of the Beneficiary in violation of laws, regulations or Company rules which impact on the achievement of the objective/s.

The Board of Directors reserves the right to take appropriate measures:

- (i) to demand the return of the Shares allocated under the Plan and any Cash Bonus paid out, less a number of Shares having a value commensurate to the value of the tax, social security and welfare charges connected with the Delivery of the Shares;
- (ii) to cancel any Cash Bonus accrued but not yet paid out;
- (iii) to demand payment of the proceeds of any sale of Shares allocated under the Plan, less the amount commensurate to the tax, social security and welfare charges arising as a consequence of the Delivery of the Shares, in the case that the Shares have already been sold, transferred or otherwise disposed of. Such proceeds may be offset against the salaries and/or any severance pay of the Beneficiary.

A Malus clause is also provided which envisages that: the number of Shares may be reduced or; Shares subject of a Grant of Share Rights not be Allocated or; any Cash Bonus not be paid out, to a Beneficiary in the event that, in the period between the Share Allocation Date and the Share Delivery Date or Cash Bonus payment date, it transpires that the Rights have been granted or the Shares have been Allocated:

- on the basis of data and/or information furnished by the competent company bodies, that is proven to be "manifestly incorrect", meaning a material or calculation error of the results that caused an objective to be achieved whereas, had the error not been made, such objectives would not have been achieved or would have been achieved differently;

- due to a wilful or grossly negligent alteration by a Beneficiary of the data used to achieve his/her objective/s
- due to acts and/or conduct on the part of the Beneficiary in violation of laws, regulations or company rules which impact on the achievement of the objective/s.

4.7 Description of any termination conditions in relation to the assignment of plans applicable in the event that the recipients carry out hedging operations that allow for the neutralization of prohibitions on the sale of the allocated financial instruments, including as options, or of the financial instruments deriving from the exercise of those options.

The Plan Regulations may provide for the prohibition of hedging operations aimed at limiting or neutralizing the restrictions on the Shares of the Shares allocated and subject to a Lock Up Commitment where applicable.

4.8 Description of the effects of cessation of the employment relationship.

The Rights are genetically and functionally linked to the continuation of the Relationship between the Beneficiary and the Company. Therefore, in the event of cessation of said Relationship⁸ - the following provisions a) and b) shall apply:

- a) in the event of cessation of the Relationship on grounds of: (i) dismissal without just cause or (ii) retirement, death or incapacity which renders impossible continuance by the Beneficiary of the relationship (each case considered a “**Good Leaver**” event), during the Vesting Period and in any case before the Share Allocation date, the Beneficiary (or, where appropriate, his/her legal guardian/heirs) maintains the right to receive, subject to the other conditions set out in the Plan and the Regulations, a certain number of Shares to be determined with reference to the Rights granted and calculated *pro rata temporis* and *pro rata* performance in accordance with the criteria set down in these regulations for each Plan Cycle.
- b) in the event of cessation of the Relationship on grounds of: (i) voluntary resignation from office/role; or (ii) dismissal for just cause; or (iii) any circumstances other than those mentioned in the preceding letter a), (each case considered a “**Bad Leaver**” event) during the Vesting Period and in any case before the Share Allocation Date, the Beneficiary shall definitively forfeit all the Rights granted to him/her.

In any event, the Board of Directors of the Company may, at its sole discretion, assign the relative Rights to other Beneficiary/ies.

ON THE PROPOSAL WHICH IS THE SOLE ITEM ON THE
AGENDA OF THE EXTRAORDINARY SHAREHOLDERS'
MEETING OF UNIEURO S.P.A., CONVENED ON 21 JUNE
2022 IN SINGLE CALL**

1. Proposal that the Board of Directors be granted powers pursuant to article 2443 Civil Code and for a period of five years from the date of the resolution, to increase the share capital on a gratuitous basis. Such capital increase may take place in one or more tranches pursuant to article 2349 Civil Code, up to a maximum amount of Euro 180,000.00, to be imputed in full to capital, by means of a new share issuance of a maximum no. 900,000 ordinary Unieuro Shares with no express indication of their par value to beneficiaries of the plan entitled "Performance Shares Plan 2023-2028"; subsequent amendment to article 6 of the current Articles of Association. Related and consequential resolutions.

Dear Shareholders,

This Report, drawn up pursuant to article 125-*ter* paragraph 1 of Legislative Decree 24 February 1998 No. 58 ("TUF") and article 72 and 84-*ter* of the Regulations adopted by means of Consob resolution No. 11971 of 14 May 1999 ("Issuers' Regulations") and duly approved by the Board of Directors of Unieuro S.p.A. ("Unieuro" or "Company" or "Issuer") at its meeting of 11 May 2022, shall be made available to the public in accordance with the applicable law and regulations, at the Company's registered office, on the Company's corporate website in the section "Unieurospa.com / Corporate Governance / Shareholders' Meetings / Shareholders' Meeting 2022", as well as in any manner and within the timelines provided for by current legislation.

* * * * *

The Board of Directors resolved at their meeting held on 11 May 2022, *inter alia* to submit the incentive plan entitled 2020-2025 Performance Shares Plan ("Plan") for Shareholders' consideration and approval as sixth item on the agenda of the Unieuro Shareholders' ordinary meeting. Such Plan is for the benefit of directors classified as executive under the Code of Corporate Governance and/or managers entrusted with specific roles and/or Managers with Strategic Responsibilities and /or employees of the Company and/or other companies belonging to the group of which Company is parent ("Controlled Companies") (Company and Controlled Companies are jointly the "Group"). Said Plan is described in detail in the apposite information document and explanatory report prepared pursuant to article 84-*bis* Issuers' Regulations, which shall be made available to shareholders so that they may examine said agenda item within the timelines and in the manner prescribed by the applicable legal and regulatory provisions. Said documents shall be available for consultation on, *inter alia* the Company's corporate website in the section "Unieurospa.com / Corporate Governance / Shareholders' Meetings / Shareholders' Meeting 2022", and the authorised storage facility "EMARKET STORAGE" (www.emarketstorage.com/home/homepage.en.htm). This explanatory report and the information document, to which you are referred for further information about the Plan, lay down the criteria for identifying the class of beneficiary, the characteristics of the Plan and the detailed reasons underlying its adoption. More specifically, the Plan provides for the grant to beneficiaries of conditional and non-transferable rights on a gratuitous basis to receive Unieuro shares,

likewise on a gratuitous basis, in an amount as shall be determined with relation to the level of achievement and/or overachievement of certain performance objectives and conditional upon the occurrence of the vesting conditions envisaged in said Plan, as well as a cash bonus as is better described in the information document.

The Shares to service the Plan shall be obtained from: (i) an appropriate capital increase on a gratuitous basis, which may be carried out in one or more tranches pursuant to article 2349 Civil Code up to a maximum nominal value of Euro 180,000.00 to be imputed entirely to capital, through issuance of a maximum of 900,000 Shares. Specific powers shall be granted to the Board of Directors pursuant to article 2443 Civil Code to enable them to implement this capital increase (“**Capital Increase**”) and if necessary (ii) treasury shares taken from shares acquired pursuant to article 2357 and 2357-ter Civil Code, such method of servicing the plan being the only one permitted for Plan beneficiaries who not engaged as employees of the Company or of any Controlled Companies.

Therefore, in order to ensure a sufficient package of Shares for allocation to those employees of the Company and/or the Controlled Companies who are beneficiaries of the said Plan (conditional on the performance objectives and further conditions laid down in the Plan being achieved), the Board of Directors is desirous to submit its proposal, in compliance with the law requiring, to the Shareholders’ approval, that the Board of Directors be granted powers pursuant to article 2443 Civil Code for a period of five years from the date of the relative resolution, to increase the share capital on a gratuitous basis. Such capital increase may be carried out in one or more tranches pursuant to article 2349 Civil Code up to a maximum amount of Euro 180,000.00, to be imputed in full to capital, by means of a new share issuance up to a maximum of 900,000 ordinary Unieuro Shares with no express indication of their par value.

For the sake of completeness, we remind you that should all the ordinary shares envisaged for the Plan not be allocated and consequently all the shares are not issued, there shall be a further capital increase, again on a gratuitous basis, through the imputing of profits and/profit reserves in an amount commensurate to that of the ordinary shares actually allocated and thus issued.

* * * * *

1. Reasons for and recipients of the capital increase

The Plan is added to the set of tools used by the Company and the Group to integrate the fixed component of the remuneration package provided to key office holders, with certain variable components which are linked to office holder’s achievement of certain performance objectives - an approach in line with best market practices. Indeed, the Company believes that a five-year share-based incentive plan providing for attainment of specific performance objectives is the most effective incentive tool and best suited to the interests of the Company and the Group.

With that in mind, the Company opines that the Plan promotes the following objectives:

- to focus the attention of Plan Beneficiaries on factors of strategic interest of the Company and direct key resources towards the pursuing of medium-long term results;
- build loyalty among the Plan Beneficiaries and incentivize their continuance with the Company by developing retention policies;
- align the interests of the Beneficiaries with those of the shareholders, with a view to developing the growth of the Company's value; and
- ensure that the overall remuneration of recipients of the Plan remains competitive whilst at the same time developing policies to attract new talent to managerial and professional roles.

The proposal that the Board of Directors be entrusted with powers to increase the share capital, is to enable Shares to be issued to service the Plan. Such Shares would be allocated to those employees of the Group who are classified as beneficiaries of the Plan, upon their achievement of performance objectives as well as other conditions envisaged in said Plan.

2. Characteristics of the share capital increase reserved for beneficiaries of the Plan

As mentioned above, beneficiaries of the Plan can include *inter alia* employees of the Group can - considering that article 6 of the Articles of Association envisages "*the assignment of profits and/or profit reserves to employees of the Company or its controlled companies, through the issuance of shares pursuant to the first paragraph of article 2349 of the Civil Code*". Therefore, we propose a capital increase on a gratuitous basis pursuant to article 2349, paragraph 1, Civil Code, using for such purpose profits and/profit reserves reported in the last approved financial statements, from time to time earmarked for the share issuance.

To carry out the capital increase required to service the Plan, we propose that the Board of Directors be granted powers pursuant to article 2443 Civil Code to increase the share capital on a gratuitous basis. Such capital increase may take place in one or more tranches pursuant to article 2349 Civil Code, up to a maximum amount of Euro 180,000.00, to be imputed in full to capital, by means of a new share issuance of a maximum 900,000 ordinary Unieuro Shares with no express indication of their par value. Such new shares shall have the same characteristics as the Unieuro ordinary shares already in circulation, carry regular dividend rights at an issue value having accounting par value equal to that of Unieuro shares on the date the powers are

exercised and be allocated free of charge to those employees of the Company or of Controlled Companies thereof who are beneficiaries of the Plan.

We also draw your attention to the fact that, with regard to the total of 900,000 ordinary shares in Unieuro earmarked for allocation to beneficiaries who achieve the maximum performance objectives provided for in the Plan, the Board of Directors shall determine at the end of the first three-year vesting period, the actual number of ordinary shares to be allocated to Plan beneficiaries for the each Cycle and which shares shall be made available to each of them, within the term and in the manner established in the Plan. The Board of Directors may also identify in due course and from time to time the profits and/profit reserves to be used for this purpose and is also entrusted with the specific task of making the appropriate entries in the accounts to duly report the share issuance operations in compliance with the laws and accounting principles applicable from time to time.

3. Characteristics of the newly issued shares

The Company shall make the newly issued ordinary shares available to each beneficiary of the Plan free of charge and in accordance with the Plan.

The ordinary shares of the Company that are allocated to each beneficiary shall carry the same dividend rights as the ordinary shares of the Company on the date of issuance and will, therefore, bear the coupon bonds current on that date.

4. Amendment to article 6 of the Articles of Association

Your approval of the proposed resolution that we submit to you will render necessary an addition to the wording of article 6 of the current Articles of Association which envisages the shareholders' resolution granting powers to the Board of Directors, pursuant to article 2443 Civil Code, to increase the share capital free of charge pursuant to article 2349 Civil Code. The left-hand column below sets forth current text of article 6 of the Unieuro Articles of Association, whereas the right-hand column sets forth the amended text that the Board of Directors proposes be adopted.

11. Shareholders will vote for the list and therefore all candidates included therein, without any changes or exclusions.

Article 14

Elections of the Board of Directors

1. All those entitled to vote may only vote for one list.
2. Election of the Board of Directors shall be according to the following criteria:
 - a) Members making up five-sevenths of the members up for election, as this number may be rounded down in the case the result is a fractional number, will be taken from the list that obtained the highest number of votes (the "majority list"), all members bar one according to the sequential order in which they were listed;
 - b) the remaining directors will be taken from the other lists (the "minority lists"), and to that end, votes for each of the minority lists shall be divided by one, two, three, four and so forth according to the number of directors to be

elected. The ratios thus obtained will be applied sequentially to the candidates on each of these lists in the progressive order envisaged therein. The ratios thus attributed to the candidates on the various lists shall be ranked in decreasing order. The directors elected shall be those obtaining the highest ratios. In the event of a ratio tie between candidates, the elected candidate shall be taken from the list from which no director has yet been selected or from that which the lowest number of directors have been elected

If no director has yet been elected from said lists or if there is a tie between the number of directors voted on in relation to the lists, then the candidate obtaining the highest number of votes on such lists will be elected. In the event of a tie in terms of both list vote and ratio, then a Shareholders Meeting shall be called to vote on the election and the candidate who obtains a simple majority of votes shall be elected. The above procedure is subject to the requirement that at least one director must be taken, if presented and voted on, from a list presented by shareholders not connected, whether directly or indirectly, with those who presented or voted on the list that obtained the majority of the votes cast.

3. In the event that the majority list contains an insufficient number of candidates to cover the seats to be filled in accordance with the above paragraph 2, notwithstanding application of the election mechanism under said paragraph 2, (i) all candidates of the majority list; and (ii) the remaining candidates, taken from the minority list which is second in terms of the number of votes required to complete the Board of Directors according to the progressive order indicated therein, shall be elected.

If it is not possible to complete the Board of Directors in the manner described above – thus presenting the minority list that is second based on number of votes leads to a number of candidates lower than that required, the remaining directors shall be taken from the other minority lists in descending order starting with the highest voted first and moving down to the next list as the candidates are exhausted in the preceding list based on number of votes

4. If, after the vote and the application of preceding paragraphs 2 and 3 above, the outcome is that gender balance and the independence requirements are not achieved as provided by the applicable legislation and regulations, the necessary number of elected candidates shall be excluded and substituted by candidates from the under-represented class in progressive order of their listing, as shall be taken from the same list on which the excluded candidates appear.

Replacements shall be made with reference firstly to those belonging to the under-represented gender and secondly to those in possession of the independence requirements.

This replacement mechanism shall be firstly applied in sequential order, to the lists from which no director of the missing class has been chosen, starting with that which has obtained the most votes. Should this process not be sufficient,

or should all the lists presented list at least one director in possession of the requirements of the missing class, the replacement shall be applied, in sequential order, to all the lists, starting with that which received the most votes.

Within the lists, the replacement of excluded candidates shall be effected starting from the candidates having the highest progressive number. The replacement mechanism is not operative in relation to candidates taken from lists that presented less than three candidates.

5. If only one list is submitted, the entire Board of Directors shall be taken from that list in accordance with applicable legislation and regulations. If no list is submitted, the shareholders' meeting shall act on majority vote in accordance with the law.
6. In all those cases in which, as a result of the application of the preceding provisions: (a) it is not possible to complete the Board of Directors and/or (b) gender balance is not achieved or an insufficient number of directors in possession of the independence requisites are elected, having regard to the legislation and regulations in force, then the completion or replacement, as the case may be, shall be effected pursuant a resolution passed at the Shareholders' Meeting by simple majority on those candidates put to vote individually.
7. If no lists are submitted or if, the entire Board of Directors is not elected, the shareholders' meeting shall act on majority vote in accordance with the law, respecting any minimum allotment ratio between genders (male and female) provided by law and regulations.

Article 15

Termination of office

1. This report on corporate governance and proprietary shareholdings (“**Report**”) aims at providing a general and complete overview of the corporate governance system adopted by Unieuro S.p.A. (“**Unieuro**” “**Company**” or “**Issuer**”).

Unieuro adheres to the Corporate Governance Code in force as at the date of the Report and applicable to the financial period 2021/2022, which is accessible to the public on the website of the Corporate Governance Committee at the following page: <https://www.borsaitaliana.it/homepage/homepage.en.htm>

In compliance with the legal and regulatory¹ requirements on this topic in line with the guidelines and recommendations of Borsa Italiana SpA (“**Borsa Italiana**”), this Report contains information on the proprietary shareholdings and on Unieuro’s adherence to the Corporate Governance Code, explaining the choices made in the application of the self-regulatory principles, as well as the corporate governance practices actually applied and following the indications referred to in the “Format for the report on corporate governance and the structure of ownership” drawn up by Borsa Italiana (Edition IX January 2022).

Please note that, in the Management Report which forms a part of Unieuro’s Annual Financial Report relating to the 2021/2022² year, there is a chapter on Governance which describes the corporate governance system of Unieuro whereas for further information on the topic of remuneration, we invite you to view the Report concerning remuneration and recompense paid³, published in the manner and within the timescales envisaged by current legislation.

1. ISSUER PROFILE

Today Unieuro is the Italian market leader in distribution of consumer electronic products and household appliances thanks to its steady growth over the last fifteen years due to a combination of consolidation of its reference market and organic growth.

As of the date of this Report, Unieuro is operating on a national scale through the following distribution channels: (i) its retail channel consisting of 271 stores distributed throughout city centres and in high-affluence shopping centres located mainly in northern and central Italy; (ii) its online channel strengthened by the unieuro.it digital platform and the pure digital player Monclick; (iii) its indirect channels consisting of 259 sales outlets managed by third-party associated businesses; (iv) its business-to-business channel focused on wholesale sales to professional clients; (v) its travel channel made up of 11 retail outlets located at several of the main public transport junctions.

The Issuer's business model is based on an omnichannel business strategy, enabling it to exploit the opportunities of integration between physical sales outlets and the online channel. Therefore, the Issuer operates as a single Strategic Business Unit within which all services and products offered flow together. This approach is supported: (i) by the model of operational control of the Issuer which considers the entire business as a whole, irrespective of individual distribution channels, product lines, or geographic spread, and (ii) by the capillary network of sales outlets, which is distributed over the territory both in terms of location, following the principle of proximity and closeness to customers, as well as in functional terms, using different formats at the individual sales outlets in order to satisfy the preferences of each customer category. The goal of the Company is to create a personalized shopping experience aimed at eliminating the spatial limits of individual physical sales outlets and focusing on rebuilding individual preferences of the customer.

The Company has adopted a corporate governance system in line with the legal and regulatory provisions applicable to it: the central role of the Board of Directors and the objectives of proper management of any eventual situations of conflict of interest, as well as of efficiency of the internal control system and of transparency in relation to the market are highlighted.

Unieuro adopts a so-called 'traditional' management system, which enhances the role of the Board of Directors as an executive body, whereas the audit function is delegated to the Board of Statutory Auditors. The governance structure and the overall organizational structure are also in line with the goals of maximizing management efficiency and creating ever greater value for all shareholders.

The Company's corporate bodies are the Shareholders' Meeting, the Board of Directors and the Board of Statutory Auditors. The powers and operating methods of the

corporate bodies are governed by law, by the Articles of Association and by the resolutions adopted by the appropriate bodies, as the case may be.

The Board of Directors has set up four internal committees with consultative and proposal functions, being the Remuneration and Appointments Committee, the Control and Risk Committee, the Sustainability Committee, and the Related Party Transactions Committee to which the tasks and functions provided for by the Consob Related Parties Regulation are entrusted.

By resolution adopted on 12 December 2016, the Shareholders' Meeting of the Issuer conferred on the Independent Audit Firm the mandate to undertake the statutory audit of the financial statements for the financial years ending from 28 February 2017 to 28 February 2025 pursuant to articles. 14 and 16 of Legislative Decree No. 39 of 27 January 2010 and for the auditing tasks limited to the interim half-yearly financial statements for the half-yearly periods ending from 31 August 2017 to 31 August 2024. Taking into consideration the further activities requested by the Independent Auditors as a result of, inter alia, the acquisition of the equity investment in Monclick S.r.l., the Issuer appointed the Independent Auditors to conduct the statutory audit of the consolidated financial statements for the financial years ending from 28 February 2017 to 28 February 2025, and the limited audit of the abbreviated, half-year consolidated financial statements for the half-years ending between 31 August 2017 and 31 August 2024.

The Issuer's ordinary shares have been traded on the Euronext STAR Milan market, as of 4 April 2017.

The "sustainable success" objective is that which guides the actions of the Board of Directors. The growing focus on the interdependency between company success and its role in social issues has led Unieuro to adopt a strategic approach to sustainability, mindful of the importance thereof as an essential asset for the company's competitiveness in the medium-long term and as a tool for creating value to the benefit of shareholders that takes into account the interests of other key stakeholders.

In order to fully integrate environmental, social and governance factors into the Group's business model and strategies (see Section 4.1 below), into its remuneration (see Section 8 below) and into the system of internal control and risk management (see Section 9 below), the monitoring of ESG issues has been further reinforced during the year and a Sustainability Plan (2022-2026) has been drawn up.

At the governance level, following the establishment in late 2020 of the intra-board Sustainability Committee (see Section 6 below), as concerns 2021 your attention is brought to the appointment of a manager responsible for Sustainability who reports directly to the Chief Financial Officer, and the creation of an internal Sustainability Committee thus creating a high-level cross-functional management team. Such

reinforcement of the organisational structure is aimed at: rendering the Group's actions more organic and coordinated, thus ensuring the necessary link between corporate functions transversally involved in the various projects; giving due continuity to initiatives under development; ensuring that ESG (Environmental Social and Governance) projects and initiatives are integrated into the company's activities, in line with the guidelines of the Strategic Plan and matters which the Company deems as material.

A Sustainability Plan has been developed to give greater weight to Unieuro's strategic vision and formalise the Group's commitment in the ESG field. Its timeframe coincides with that of the Business Plan and shall be updated on an annual basis. In addition to being the principal management tool for planning and supervising those projects linked to sustainable matters, said Plan also offers a set of performance indicators as may become future sustainability targets to which the medium-long term remuneration of company management is linked.

For more information on these initiatives, the activities carried out and the progress thereof in the remit of sustainability, please refer to the Consolidated Non-Financial Statement ("**NFS**") drawn up pursuant to Legislative Decree 254/2016 and available on the Company's corporate website in the section "Corporate Governance / Shareholders' Meetings / Shareholders' Meeting 2022".

It should be noted that, as of the date of this Report, also for the purpose of applying certain rules on corporate governance and proprietary shareholdings envisaged by the TUF, Unieuro falls within the definition of small and medium sized enterprises pursuant to article 1, paragraph 1, lett. w-quater.1) TUF and article 2-ter of the Listing Code⁴, as stated in the list published by Consob and last updated in January 2022⁵.

With reference to the categories set forth in the Corporate Governance Code, Unieuro - based on its capitalisation and its ownership structure respectively - is not classified as "large company" nor a "concentrated ownership company".

⁴ Pursuant to article 1, paragraph 1, lett. w-quater.1) TUF, "PMI" are defined as: "without prejudice to the provisions of other legal provisions, small and medium-sized enterprises, issuers of listed shares, whose turnover, including prior to their shares being admitted to trading, is less than EUR 300 million or which have a market capitalisation of less than EUR 500 million." Issuers of listed shares exceeding both of these limits for three consecutive years are not considered as PMI. Consob establishes by regulation the implementing provisions concerning said letter, including the disclosure requirements for such issuers in relation to the acquisition or loss of PMI status. Consob publishes the list of PMI on its website on the basis of the information provided by issuers.

⁵ More specifically, for PMI classification purposes, Unieuro's values are:

- Capitalisation as at 28 February 2022: Euro 366.4 million
- Consolidated turnover for the year ending 28 February 2022: Euro 2,949.7 million.

2. INFORMATION ON THE PROPRIETARY SHAREHOLDINGS (PURSUANT TO ARTICLE 123-BIS, PARA. 1, TUF)

There are no categories of shares other than ordinary shares⁶.

b) Restrictions on the transfer of securities (pursuant to art. 123-bis, paragraph 1, letter b) TUF)

No restrictions on the transfer of the Company's shares, limits on share ownership or approval conditions to access the shareholding structure are envisaged, with the exception of the 24-month lock-up commitment as regards shares allocated to Managers with Strategic Responsibilities pertaining to the medium-long term variable incentive plan "*2020-2025 Performance Share Plan*".

c) Relevant equity interests in the share capital (pursuant to art. 123-bis, paragraph 1, letter c) TUF)

Unieuro is a fully-fledged public company. Such status was acquired following the gradual withdrawal from capital of Rhône private equity which, thanks to the initial public offer on the Italian Stock Exchange (April 2017) and three subsequent placements (September 2017, November 2019 and January 2020), ceased its shareholding in Unieuro which was initially 70.5% of the capital.

In September 2020, Mr. Giuseppe Silvestrini reported that the 3% investment threshold in the Issuer's capital had been exceeded in the previous month of April and thus announced that he directly and indirectly holds 4.3% of Unieuro capital.

The public float was further expanded on 14 January 2021, following the sale on the market through an accelerated book-building procedure concerning 7.17% of the capital in Unieuro originally owned by Dixons Carphone plc through Alfa S.r.l.

On 6 April 2021, the telecommunications operator Iliad S.A. announced that it has acquired a shareholding of approximately 12% of the share capital of Unieuro.

⁶ Shares reported in the last share capital certificate filed with the Chamber of Commerce.

⁷ For the sake of completeness, please note that the 2023-2028 Performance Shares Plan, to be submitted for approval at the Shareholders' Meeting to be held on 21 June 2022, also provides for the same 24-month lock-up commitment as regards shares allocated to Managers with Strategic Responsibilities.

At the date of this Report, the public float of Unieuro is equal to approximately 80% of the Company's capital.

Below are the percentages of Unieuro ordinary shares owned at the date of this Report, both directly and indirectly, by shareholders or by parties at the peak of the holding chain who have

declared a significant holding threshold to have been exceeded pursuant to article 120 TUF and the Consob Issuers' Regulations; said percentages are updated to the best of the Company's knowledge based on the information available:

For the sake of completeness, we draw your attention to the fact that the Shareholders' Meeting to be held on 21 June 2022 shall be called, *inter alia*, to approve a new incentive

plan entitled "2023-2028 Performance Share Plan". Said plan does not provide for any mechanism that excludes or limits the direct exercise of voting rights by beneficiaries. For further information, please see the first section of the Report concerning the policy for remuneration and recompense paid drawn-up pursuant to article 123-ter TUF made available to the public within the timelines and in the manner provided for by the laws and regulations in force.

Change-of-control clauses

On 23 December 2017, the Company extinguished the facilities granted under a previous medium-/long-term loan agreement called the "Euro Term and Revolving Facilities Agreement", by signing a new medium-/long-term loan agreement called the "Senior Facilities Agreement", with Banca Intesa Sanpaolo S.p.A., Banco BPM S.p.A., Gruppo Crédit Agricole and Banca IMI S.p.A., this latter as the agent bank.

On 3 January 2021, the Company terminated the Senior Facilities Agreement, by way of the simultaneous entering into of four different medium and long-term revolving cash loan agreements, respectively with: (i) Unicredit S.p.A. for the amount of Euro 50,000,000.00 ("UCI Credit Line"); (ii) Intesa San Paolo S.p.A. for Euro 40,000,000.00 ("ISP Credit Line"); (iii) Banco BPM S.p.A., for Euro 30,000,000.00 ("BBPM Credit Line") and (iv) Credit Agricole Italia S.p.A., for Euro 30,000,000.00 ("CAI Credit Line"). Pursuant to such loan agreements, "Change of Control" means:

"the occurrence of any of the following circumstances: (a) one or more persons acting individually or in concert with third parties acquire - whether directly or indirectly - (x)

the majority of the voting rights at the ordinary and extraordinary shareholders' meetings of the Beneficiary; and/or (y) the right to determine the composition of the majority of the board of directors or the equivalent administrative body of the Beneficiary; (b) following the purchase of shares of the Beneficiary on the market, a total public offer on the shares of the Beneficiary is required to be, and is, made.

In the event of a Change of Control, the Beneficiary shall repay the loan in full to the Finance Parties under the Finance Documents together with interest thereon and any other amounts due up to that time, such payment to be made within 5 (five) Business Days of the occurrence of such event, and in any event, the Final Maturity Date shall not be exceeded”.

Without prejudice to the above, the Company, within the remit of its commercial activities, is party to trade agreements which, as is customary (i.e., business leases, real estate leases, supply agreements etc.), include the right for one or both parties to terminate or withdraw from the agreement, if there is a direct or indirect change in control involving the other party.

Articles of Association provisions on the subject of public tender offers

The Issuer's Articles of Association do not contain provisions that derogate from the passivity rule set forth in article 104, paragraphs 1 and 1-bis TUF nor provisions that provide for application of the neutralization rules provided for in article 104-bis, paragraphs 2 and 3 TUF.

i) Delegated powers to increase the share capital and authorisations to acquire treasury shares (pursuant to art. 123-bis, paragraph 1, letter m) TUF)

At the Extraordinary Shareholders' Meeting held on 17 December 2020, the Shareholders resolved, pursuant to articles 2443 and 2349 Civil Code, that the Board of Directors be granted powers pursuant to articles 2443 and 2349 Civil Code to increase the share capital on a gratuitous basis for a period of five years to run as of the date of the relative resolution, in order to implement the “2020-2025 Performance Share Plan”. It was envisaged that such capital increase may take place in one or more tranches up to a maximum amount of Euro 180,000.00 to be imputed in full to capital by way of a new share issuance of up to 900,000 ordinary Unieuro Shares with no express indication of their par value, such new shares: having the same characteristics as the Unieuro ordinary shares already in circulation and carrying regular dividend rights. A commensurate maximum amount of the profits/profit reserves reported in the last financial statement approved from time-to-time was to be earmarked to that end, within the term, on the conditions and in the manner provided for in the “2020-2025 Performance Share Plan”.

On 14 October 2021 the Board of Directors made a partial exercise of said powers as were granted at the Extraordinary Shareholders' Meeting of 17 December 2020, and resolved to increase the share capital on a gratuitous basis by Euro 1,750.00 by issuing

8,750 ordinary shares, with no express indication of par value. Such shares have the same characteristics as those already in circulation and carry regular dividend rights in favour of Mr. Italo Valenti (who held office as Chief Financial Officer until 1 June 2021) as beneficiary of the 1st Cycle of the 2020-2025 Performance Share Plan.

Without prejudice to the foregoing, as at the date of this Report, no director has been granted powers to make a capital increase in one or more tranches, nor is any director empowered to issue convertible bonds, whether for ordinary shares or savings yielding share option rights.

At the ordinary Shareholders' Meeting held on 17 December 2020, the Shareholders authorised the Board of Directors to buy back, in one or more tranches, a maximum number of ordinary shares in Unieuro not exceeding 10% of the share capital (which was - as at the date the relative explanatory report was presented to the Shareholders - a maximum of 2,000,000). The authorisation envisaged that: Such buy back would be effected in one or more tranches within 18 (eighteen) months of the date the resolution was passed and in any manner envisaged by the combined provisions of article 132 TUF and article 144-*bis* Issuers' Regulations, taking into account the specific exemption provided for by paragraph 3 of article 132 TUF and, in any case, in any other manner permitted by the legal and regulatory provisions in force from time to time. Said authorisation was also required to take into account the procedures and operating limits of the MAR, including market practices permitted pursuant to article 13 MAR, the Delegated Regulation (EU) No. 1052 of 8 March 2016 ("**Delegated Regulation**") and the applicable general and sector legislation (including the provisions referred to in Regulation (EU) 2019/2115 or provided for by CONSOB or ESMA).

The shares' purchase unit price was to be for consideration not lower than a minimum of 10% and not higher than a maximum of 10% of the share reference price recorded in the trading session on the stock exchange of the day preceding each individual transaction. Any such buy back was to be in compliance with applicable EU law and accepted applicable market practices from time to time. Moreover, the shares' purchase price was required to comply with the provisions of article 3 paragraph 2 Delegated Regulation 2016/1052/EU which, with reference to the date on which the explanatory report of the Board of Directors was presented to the Shareholders, refers to a price not higher than the higher of the price of the last independent trade and the then highest current independent purchase bid on the trading venue where the purchase is carried out or in conformity with the regulations in force from time to time.

Following completion of the Share Buy Back Programme resolved on by the Board of Directors on 11 November 2021, Unieuro holds 600,000 treasury shares, equal to 2.9% of its current share capital.

For the sake of completeness, please note that the Shareholders' Meeting to be held on 21 June 2022, shall be called to resolve on the proposal that the Board of Directors be granted powers pursuant to articles 2443 and 2349 Civil Code, such powers being valid for a period of five years from the date of the said resolution, to increase the share capital on a gratuitous basis including in one or more tranches. Such share increase is

for the purposes of the incentive plan entitled “2023-2028 Performance Shares Plan” which plan shall be submitted at the same Shareholders' Meeting and which envisages an increase up to a maximum amount of Euro 180,000.00 to be fully allocated to share capital, through the issuance of a maximum of 900,000 Unieuro ordinary shares with no express indication of par value. Such shares shall have the same characteristics as those already in circulation and carry regular dividend rights. A corresponding maximum amount of profits and/or profit reserves as reported in the latest financial statements approved from time to time shall be imputed for the issuance in conformance with the terms, conditions and procedures provided for in the “2023-2028 Performance Shares Plan”.

On the same date, the Board shall seek authorisation to buy back ordinary shares of Unieuro in one or more tranches up to a maximum number not exceeding 10% of the share capital for a period up to a maximum of 18 months from the date of the shareholders' resolution as shall be submitted for approval at the Shareholders' Meeting.

For further information on the above matter, please refer to the Explanatory Reports as shall be published by the Company in the manner and within the timeframes provided for under current legislation.

j) Management and coordination activities (pursuant to articles 2497, *et seq.* Civil Code)

On 12 December 2016, the Board of Directors deemed that the Company was no longer subject to management and coordination activities, as contemplated under articles 2497, *et seq.* Civil Code, by International Retail Holding S.à.r.l. and decided to expressly declare this circumstance, also in fulfilment of the required disclosure formalities. In particular, on 12 December 2016, the Issuer's Board of Directors deemed that: (i) the main decisions relating to management of the Issuer's company are made within the Issuer's own bodies; (ii) the Issuer's Board of Directors is responsible, *inter alia*, for examining and approving the Issuer's strategic, industrial and financial plans and budgets, examining and approving the Issuer's financial and credit access policies, examining and approving the Issuer's organisational structure, assessing the adequacy of the organisational, administrative and accounting structure of the Company; (iii) the Issuer operates in full autonomy with respect to the management of relations with customers and suppliers without any interference from entities outside of the Issuer; (iv) International Retail Holding S.à.r.l. does not perform any centralized cash management function for the Issuer.

By virtue of a reverse merger transaction that took place during the financial year ending 28 February 2018, International Retail Holdings S.à.r.l. was merged by incorporation into Italian Electronics Holdings S.à.r.l.

Following the accelerated book building transaction carried out on 6 September 2017 by IEH and the demerger, the stake held by IEH in Unieuro decreased from 65.492% to 33.815%.

During financial year up to 28 February 2018, Italian Electronic Holdings S.r.l. moved its registered office to Luxembourg, assuming the status of a company incorporated under Luxembourg law and the new name of Italian Electronics Holdings S.à.r.l.

On 13 November 2019, IEH carried out a further accelerated book-building procedure, disposing of 16.25% of the Company's existing share capital to institutional investors. On 22 January 2020, IEH disposed of the remaining 17.6% of its capital to institutional investors, through an analogous accelerated book-building process, as a consequence ceasing to be a Company shareholder.

On 13 April 2022, the Board of Directors confirmed to the extent it is able, that the Company is not subject to any management or coordination pursuant to article 2497 *et seq.* Civil Code.

This Report has been prepared also taking into account the guidelines in the "Format for the report on corporate governance and proprietary shareholdings" developed by the Borsa Italiana (Edition IX January 2022).

On 18 March 2021, the Board of Directors of Unieuro approved the adoption of the Corporate Governance Code - accessible to the public on the website of the above-mentioned Corporate Governance Committee at the page: <https://www.borsaitaliana.it/borsaitaliana/regolamenti/corporategovernance/code2015.en.pdf> - in force at the date of this Report and which became applicable

commencing as of the first financial year starting after 31 December 2020 (in Unieuro's specific case, starting from 1 March 2021).

This Report contains details of decisions taken by Unieuro's Board of Directors in compliance with the principles of the Corporate Governance Code.

The rules contained in the Articles of Association, the specific Shareholders' Meeting Regulations, the Regulations of the Board of Directors and the Regulations of the Board Committees are an integral part of, and complete, the Company's corporate governance system.

The Issuer is not subject to any non-Italian law provisions that affect the corporate governance structure.

4. BOARD OF DIRECTORS

4.1. Role of the Board of Directors

The Board of Directors is vested with the broadest powers for the ordinary and extraordinary administration and management of the Company and has the power to perform all the acts deemed necessary and useful for the achievement of the corporate purpose, with the exception of the powers reserved by law and the Articles of Association to the Shareholders at the Shareholders' Meeting.

Pursuant to the regulations in force for companies with shares listed on regulated markets and in accordance with the recommendations of the Corporate Governance Code, the Board of Directors plays a central role in the Company's governance system and is responsible for determining and pursuing the Company's strategic objectives, as well as verifying the existence of the controls necessary to monitor the Company's performance.

The Board of Directors guides the company by pursuing sustainable success in the development of its business plan, taking into consideration the impact on the environment, shareholders, consumers and all stakeholders who are affected by the conduct of the Company and the Group. To confirm the close link between Unieuro's business and ESG issues, the Board of Directors, after consulting the Sustainability Committee, approved a Sustainability Plan on 11 May 2022, the timeframe of which coincides with that of the Business Plan and for which an update is envisaged on an annual basis.

During the 2021-2022 financial year and in any case up to the date of this Report, the Board of Directors was also called upon to approve, subject to the opinion of the Sustainability Committee (i) the updating of the materiality matrix, with the aim of identifying the most relevant issues in the ESG area both from the point of view of the Group and of internal and external stakeholders as well as (ii) the Consolidated Non-Financial Statement ("**NFS**"), subject to the opinion of the Sustainability Committee.

Furthermore, in order to pursue the sustainable success of the Company, the Board of Directors, has identified non-financial objectives within the remit of the Remuneration Policy to which part of the variable component of remuneration is linked, both in the short and medium-long term, related to ESG issues.

With reference to the Remuneration Policy and the Sustainability Committee, please refer to the respective Chapters of this Report.

To date, the current corporate governance system adopted by the Company has been deemed by the Board to be appropriate with respect to its size and needs. No changes in the corporate governance system are planned to be submitted at the Shareholders' Meeting.

The Board is updated and supervises the way information is managed vis a vis the financial community. Furthermore, it should be noted that - in line with the provisions introduced by the Corporate Governance Code - the Board of Directors

has adopted, on the proposal of the Chairman, in agreement with the Chief Executive Officer and subject to the favourable opinion of the Sustainability Committee, its Policy for the management of dialogue with shareholders and other Interested Parties (for further details see Section 12 of this Report).

In accordance with article 16 of the Articles of Association, the Board of Directors is vested with all powers for the ordinary and extraordinary management of the Issuer. The Board of Directors is also responsible for adopting resolutions concerning: (i) mergers in the cases envisaged by articles 2505 and 2505-*bis* Civil Code according to the terms and conditions described therein; (ii) the opening and closing of secondary offices; (iii) the designation of the directors duly authorised to represent the company; (iv) a reduction in the share capital in the event of withdrawal of a shareholder; (v) amendments to the Articles of Association to comply with laws and regulations; and (vi) the relocation of the registered office within Italy.

In accordance with the provisions of the Corporate Governance Code, on 20 December 2021 the Board of Directors adopted its own regulations governing, *inter alia*, the duties of the management body, which include:

- examination and approval of the strategic, business and financial plans of the Company and of Unieuro Group, with the possible support by a committee entrusted with analysis of matters that are relevant to the generation of long-term value;
- periodic verification of the implementation of the business plan and assessment of general management performance, periodically comparing the results achieved with those planned;
- determination of the nature and level of risk compatible with the Company's strategic objectives, including in its evaluations all elements as may be relevant, with a view to creating long-term value for the benefit of shareholders, taking into account the interests of other stakeholders that are material to the Company;
- determination of the corporate governance system most suitable for carrying out business activity and pursuing the strategies of the Company and of Unieuro Group, as well as the assessment of the adequacy of the organisational, administrative and accounting structures of the Company and of any controlled companies having strategic importance, with particular reference to the internal control and risk management system;
- passing of resolutions on transaction of the Company and its controlled companies that have a significant strategic, economic, equity or financial importance for the Company, as shall be identified according to criteria decided by the Board of Directors from time to time;
- adoption of regulations, procedures and internal policies deemed necessary or appropriate for the organisation of the company, or for compliance with the Law or to makes adjustments in line with the Code, including, by way of example: (i) one or more regulations setting forth the operative rules of the Board of Directors and its committees; (ii) the procedure for internal

management and disclosure of privileged information pursuant to the Law;
(iii) a policy for the management of dialogue with all shareholders.

With reference to the Financial Year, and in accordance with the provisions of the Corporate Governance Code, the Board has examined and approved the Company's five-year Strategic Plan and the annual budget for the first year of the said plan, as well as those corporate transactions having a significant strategic, economic, capital or financial importance for the Group; moreover, the Board has been kept updated on issues of a strategic nature or in any case relevant to business development, by way of dedicated in-depth sessions and a periodic comparison between results achieved and those planned.

As of this Report date, the Board has not established any general criteria for identifying transactions that have a significant strategic, economic, capital or financial impact on the Issuer. All transactions beyond the remit of the powers conferred upon the Executive Director are subject to approval by the Board of Directors.

The Board, with the support of the Control and Risk Committee, has laid down the guidelines for the Internal Control and Risk Management System in line with the Company's strategies. Said Board has assessed the adequacy of the system with respect to the characteristics of the company and the risk profile assumed, as well as its effectiveness and the adequacy of the organisational, administrative and accounting structures of the Issuer drawn up by the Chief Executive Officer.

4.2. Appointment and replacement of directors (pursuant to art. 123-bis, paragraph 1, letter I) TUF)

Pursuant to art. 12 of the Articles of Association, the management of Unieuro is conferred to a Board of Directors consisting of an odd number of members not less than 7 (seven) and not more than 15 (fifteen). The Shareholders' Meeting determines the number of Board members from time to time, prior to their appointment. Within the limits indicated above, the Shareholders' Meeting may increase the number of directors including during the term of office of the Board of Directors; the term of office of the additional directors thus appointed cease as per the term of those already in office. Directors remain in office for the term set by the shareholders' resolution appointing them, subject to a maximum of 3 (three) financial years. Directors are re-eligible for office.

The members of the Board of Directors must meet the requirements of professionalism and integrity provided for by the rules and regulations in force. A minimum number of Directors not less than that established by the regulation in force *pro tempore* should satisfy the requirements of independence established by the Corporate Governance Code, without prejudice to the fact that at least 2 (two) directors, in addition to the Chairman of the Board of Directors, satisfying the requirements of independence

established by the law and by the regulatory provisions and/or by the Corporate Governance Code of listed companies should be part of the Board of Directors (“Independent Director” or “Independent Directors”). A failure to fulfil such prerequisites shall cause the Independent Director to forfeit his/her office. A failure to fulfil the prerequisite of independence prescribed by art. 148, para. 3, TUF on the part of an Independent Director shall not cause him/her to forfeit the office to the extent that the prerequisites are in any event still met by the minimum number of Independent Directors who, according to the rules in force, must meet such requirement. Independent Directors are required to maintain independence for the duration of their term of office and in any event to inform the Board of Directors without delay as to any eventual intervening loss of the requirements of independence.

In accordance with the provisions of article 147-ter TUF, the Articles of Association of the Company provide for the appointment of directors through the list-vote mechanism.

Article 13 of the Articles of Association provides that both the Board of Directors in office as well as the shareholders who alone or acting together hold the percentage of share capital required by applicable laws or regulations from time to time (in the percentage of 42.5% in accordance with the Consob Management Deliberation No. 63 of 15 March 2022) are entitled to submit lists.

For completeness, please note that in view of the renewal of the administrative body at the Shareholders' Meeting of 21 June 2022, the Board of Directors made available to the public, on 13 April 2022, a document that illustrates the procedure for the presentation of a list by the outgoing Board of Directors. More specifically, said document:

- sets out the various stages of the process, with the chronology of each stage and the persons and bodies involved, and
- indicates the optimal skills of candidates for any Board of Directors list, also in light of the “Guidelines on the Size and Composition of the New Board of Directors”, as published on 13 January 2022.

This document is available on the Company's corporate website Unieurospa.com in the section Corporate Governance / Shareholders' Meetings / Shareholders' Meeting 2022 as well as on the authorised storage mechanism eMarket STORAGE (www.emarketstorage.com).

The lists are filed within the time limits provided for by the *pro tempore* rules in force as shall be indicated in the notice of meeting, at the registered office of the Company or otherwise by such remote means of communication as may be indicated in the notice of meeting.

The following shall be submitted together with the lists, it being specified that any changes as may occur prior to the actual date of the Shareholders' Meeting shall be promptly notified to the Company: (i) information as to the shareholders who have submitted the list and indication of the percentage of share capital held; (ii) a statement by shareholders other than those who hold, including jointly, either a controlling interest or a relative majority, attesting to the absence of any connected relationships

with the latter, even if indirect, within the meaning of the *pro tempore* rules, including regulatory rules, in force; (iii) the candidates' *curriculum vitae* as well as a declaration by which each candidate attests, under his or her responsibility, that there are no grounds of ineligibility and conflict of interest, and confirms fulfilment of the prerequisites for their respective posts; (iv) indication of the management and control posts held in other companies and any indication of suitability for qualification as independent director in accordance with the rules in force and the codes of conduct relating to corporate governance that may eventually be adopted by the Company; (v) a statement by which each candidate accepts his or her own candidacy; (vi) any other further or differing statement, report and/or document as provided for by the *pro tempore* rules, including regulatory rules, in force, including a declaration of any relationship with the "relative majority" shareholder.

Election of the Board of Directors shall be carried out according to the following criteria:

- a) members making up five-sevenths of the members up for election, as this number may be rounded down in the case the result is a fractional number, shall be taken, based on the progressive order in which they were listed, from the list that obtained the highest number of votes ("majority list");
- b) the remaining directors will be taken from the other lists ("minority lists"), and to that end, votes for each of the minority lists shall be divided by one, two, three, four and so forth according to the number of directors to be elected. The ratios thus obtained shall be applied sequentially to the candidates on each of these lists in the progressive order envisaged therein. The ratios thus attributed to the candidates on the various lists shall be ranked in descending order. The directors elected shall be those obtaining the highest ratios. In the event of a ratio tie between candidates, the elected candidate shall be taken from the list from which no director has yet been elected or from that which the lowest number of directors has been elected.

If no director has yet been elected from said lists or if there is a tie between the number of directors voted on in relation to the lists, then the candidate obtaining the highest number of votes on such lists shall be elected. In the event of a tie in terms of both list vote and ratio, then a Shareholders' Meeting shall be called to vote on the election and the candidate who obtains a simple majority of votes shall be deemed elected. The above procedure is subject to the requirement that at least one director must be taken, if put forward and voted on, from a list submitted by shareholders who have no connection, whether directly or indirectly, with those who presented or voted on the list that obtained the majority of the votes cast.

In the event the majority list contains an insufficient number of candidates to cover the seats to be filled in accordance with the above paragraphs, notwithstanding

application of the election mechanism above: (i) all candidates on the majority list; and (ii) the residual candidates, taken from the minority list which is second in terms of the number of votes required to complete the Board of Directors according to the progressive order indicated therein, shall be deemed elected.

If it is not possible to complete the Board of Directors in the manner described above - thus the minority list that is second based on number of votes leads to a number of candidates lower than that required, the remaining directors shall be taken from the other minority lists in descending order starting with the highest voted first and moving down to the next lists as the candidates are exhausted in the preceding list based on number of votes.

If, after the voting and the application of preceding paragraphs, gender balance and/or the independence requisites are not met as provided for under the applicable legislation and regulations, the necessary number of elected candidates shall be excluded and substituted by candidates from the under-represented class in progressive order of their listing, as shall be taken from the same list on which the excluded candidates appear. Replacements shall be made with reference firstly to those belonging to the under-represented gender and secondly to those in possession of the independence requisites. This replacement mechanism shall be firstly applied in sequential order, to the lists from which no director of the missing class has been chosen, starting with that which has obtained the most votes. Should this process not be sufficient or should all the lists submitted list at least one director in possession of the requisites of the missing class, the replacement shall be applied, in sequential order, to all the lists, starting with that which received the most votes. Within the lists, the replacement of excluded candidates shall be effected starting from the candidates having the highest progressive number. The replacement mechanism is not operative in relation to candidates taken from lists that put forward less than three candidates.

If only one list is submitted, the entire Board of Directors shall be taken from that list in accordance with applicable legislation and regulations. If no list is submitted, the shareholders shall resolve on majority vote in accordance with the law at the Shareholder's Meeting.

In all those cases in which, as a result of the application of the preceding provisions: (a) it is not possible to complete the Board of Directors and/or (b) gender balance is not achieved or an insufficient number of directors in possession of the independence requisites are elected, having regard to the legislation and regulations in force, then the completion or replacement, as the case may be, shall be effected pursuant a resolution passed at the Shareholders' Meeting by simple majority on those candidates put to vote individually.

If no lists are submitted or if the entire Board of Directors is not elected, the shareholder at the Shareholders' Meeting shall resolve on a majority vote in accordance with the law, respecting any minimum allotment ratio between genders (male and female) provided by law and regulations.

The list-vote system only applies when the entire Board of Directors is being replaced. If the Board of Directors must, during the course of the financial year, proceed to

replace one or more Directors, it shall appoint by co-option pursuant to article 2386 Civil Code, ensuring compliance with the requirements of law and of the Articles of Association regarding the composition of the board.

It is noted that the Issuer is not subject to any further provisions regarding the composition of the Board of Directors in accordance with the rules provided for by TUF.

Lastly, it should be noted that, in terms of gender balance, on 1 January 2020 the provisions of the Budget Law 2020 entered into force amending articles 147-*ter*, paragraph 1-*ter*, and 148 paragraph 1-*bis* TUF. In particular, as concerns the renewal of corporate bodies that occurs subsequent to 1 January 2020, this law has: (i) increased the percentage of body members that must be taken up by the under-represented gender from at least one third to at least two fifths; this applies to both the administrative body and the control body; and (ii) extended the period of validity of this new criteria (minimum two fifths) - from the previous three consecutive terms of holding office - to six consecutive terms of holding office.

In furtherance of the above-mentioned new regulations, the Shareholder's agreed on 12 June 2020 the amendments to the Articles of Association, namely art. 13.6 (election of the members of the Board of Directors) and art. 21.13 (election of the members of the Board of Statutory Auditors), bringing the wording of said articles in line with the laws and regulations in force from time to time on the subject of gender balance in the composition of the administrative and control bodies of listed companies, and thus deleting the reference to one third criterion which is no longer applicable. The new provisions in any case shall be applicable with effect as of the date upon which the corporate body is subject to renewal, which the Shareholders' Meeting of Unieuro shall be required to resolve on, and which - for both the Board of Directors and the Board of Statutory Auditors - shall be the date of approval of the financial statements as at 28 February 2022. Moreover, by way of resolution No. 21359 of 13 May 2020, Consob amended art. 144-*undecies* of the Issuers' Regulation to provide that, if the application of the gender-division criterion does not result in a full number of members belonging to the under-represented gender on those corporate bodies made up of three members, then said number shall be rounded down to the lower unit (without prejudice to those other cases which provide for rounding up to the higher unit).

For information on the role of the Board of Directors and Board committees in the processes concerning self-assessment, appointment and replacement of directors, please see Section 7 of this Report.

4.3. Composition (pursuant to art. 123-bis, paragraph 2, letter d), d-bis), TUF)

The current Board of Directors is made up of eleven members having appropriate diverse professional profiles and skills. Indeed, said Board is comprised of members from the following areas: business; managers from other sectors; finance; professionals; academia. 7 members of the Board are independent directors and there is a sole

executive director who is the Chief Executive Officer. Thus, the number and skills of non-executive directors are deemed such to ensure they have significant weight in the passing of board resolutions and safeguard the effective monitoring of management.

On 18 June 2019, the Shareholders appointed the current Board of Directors, which was initially made up by 9 members whose terms of office shall expire upon approval of the financial statements as at 28 February 2022.

Bernd Erich Beetz, Catia Cesari, Monica Maria Luisa Micaela Montironi, Alessandra Stabilini, Marino Marin, Giancarlo Nicosanti Monterastelli, Gianpiero Lenza and Robert Frank Agostinelli were selected from the "majority" list presented by Monte Paschi Fiduciaria S.p.A. on behalf of IEH (holder of 33.8% of share capital at the date of submission of the list, and voted by 59.55% of ordinary shares admitted to the vote), whereas Pietro Caliceti was selected from the "minority" list presented by institutional investors (representing a total of 5.8% of share capital at the date of submission of the list and voted by 26.80% of the ordinary shares admitted to vote).

Following the resignation of Robert Frank Agostinelli, Bernd Erich Beetz and Gianpiero Lenza, on 23 January 2020, the resulting lacunae in the Board of Directors of Unieuro was filled on 20 February 2020 by the appointment of Michele Bugliesi, Paola Elisabetta Galbiati and Stefano Meloni (who has held the office of Chairman of the Board of Directors since 24 February 2020). These appointments were confirmed at the Company Shareholders' Meeting held on 12 June 2020 pursuant to and for the purposes of article 2386 Civil Code.

On 24 May 2021, the Company received a request, submitted jointly by the shareholders Iliad S.A. and Iliad Holding S.p.A., that the agenda of the ordinary part of the Shareholders' Meeting of 15 June 2021 be supplemented.

The shareholders, pursuant to article 126-*bis*, paragraph 1 of legislative decree No. 58/1998, requested the addition of the following item on the agenda: "Appointment of 2 (two) Directors with prior redetermination of the number of members of the Board of Directors from 9 (nine) to 11 (eleven) Directors. Inherent and subsequent resolutions".

More specifically, Iliad S.A. and Iliad Holding S.p.A. submitted the following resolution proposal to the Shareholders' Meeting for approval:

- redetermination of the number of members of the Board of Directors of the Company, increasing it from 9 (nine) to 11 (eleven);
- appointment as new Board Directors of the Company of Mr. Benedetto Levi and Mr. Giuseppe Nisticò, who will remain in office until expiry of the term of office of the current Board of Directors, and therefore until the approval of the financial statements as at 28 February 2022;

The Shareholders' Meeting held on 15 June 2021 duly redetermined the number of members of the Board of Directors from nine to eleven and approved the appointment of Benedetto Levi and Giuseppe Nisticò as new Directors of the Company.

As of the date of this Report, the composition of the Board of Directors is as shown in the following table:

Criteria and diversity policy in the composition of the Board and corporate organisation

As regards the composition of the Board of Directors, the presence of differentiated and diverse professional backgrounds ensures compliance with the applicable recommendations of the Corporate Governance Code and is assessed annually as part of the self-assessment process.

The results of the board evaluation show a positive assessment made by the directors with regard to the size, numerical composition, combination of age, gender and experiences and professional and personal characteristics of the members of the Board of Directors. Overall, the directors considered that the Board has carried out an adequate activity during the reference period, having addressed the relevant business and financial topics, relying on a good mix of internal skills and on the spirit of duty of its members united by commitment and a sense of responsibility in carrying out their roles.

For more details on the outcomes of the self-assessment, please refer to the "board evaluation" section of this Report.

Please also note that for the composition of the Committees, in accordance with the Regulations of the Unieuro Board of Directors, the Board takes into account the independence requisites, the professional characteristics of Directors and their experience, so that each Committee is made up of members whose skill-set and professionalism is deemed adequate for the duties entrusted to the Committee on which they serve. The Board of Directors also takes into account the respect of gender equality and recommends that the chair of its Committees be divided equally between genders.

Finally, on 13 January 2022, the Board of Directors approved the Guidelines on the optimal qualitative-quantitative composition of the management body as required under the Corporate Governance Code in view of the renewal of the current Board.

In this context, the Board of Directors trusts that Board renewal will be implemented according to a rationale of continuity so ensuring the stability and consistency of Company management, mindful that the Board, as is currently made up, has:

- gained thorough knowledge of the Company's organisational and business issues;
- achieved operational effectiveness, carrying out timely and ongoing control and direction functions for the Company for the entire term of its mandate;
- supported business development.

Furthermore, the Board deems it useful that its members be reinforced by persons holding managerial skills – preferably coming from the sector in which the Company operates and from the digital innovation field – who are strongly focused on strategy and the exercise of business judgement such as to consolidate the abilities of strategic vision, interpretation of the evolution of market scenarios and evaluation of new business opportunities on the part of said Board.

On 11 May 2022, the Board of Directors, following a prior assessment on the part of the Remuneration and Appointments Committee, evaluated the advisability of adopting a specific policy on the diversity in corporate bodies.

More specifically, during the above-mentioned meeting, the Board of Directors decided, in continuity with the previous year, not to adopt any specific policy on grounds that the suite of legal and regulatory provisions, including those under the Corporate Governance Code, for the composition of the administration, management and control bodies of the Company, allow for the adequate composition on matters such as gender, age, experience, professional and personal characteristics.

In any event, it should be noted that the Board of Directors is currently made up of 7 members belonging to the most represented gender and 4 members belonging to the under-represented gender.

In the context of protecting and safeguarding human resources, as indicated in the Code of Ethics, diversity and inclusion represent at Unieuro an opportunity for enrichment and innovation fundamental to ensuring that business activities are performed out in a concrete and sustainable manner.

The Issuer is committed to promoting equal opportunities in all aspects of employment relations commencing as of the recruiting stages, ensuring that candidates are selected solely on the basis of their skills, conducting a selection process that is clear, transparent, evidence-based and free of any discriminatory parameters.

For further information, please refer to the Code of Ethics adopted by the Company and made available to the public on the corporate website in the section "Corporate Governance / Corporate Documents and Procedures".

Maximum number of offices held in other companies

The Board of Directors, having considered that:

- each member of the Board of Directors resolves with knowledge of the facts and in autonomy, pursuing the objective of creating value for the Shareholders over a medium to long-term horizon, and - in accordance with the recommendations of the Corporate Governance Code- , ensures he /she gives adequate time and availability for the diligent performance of his/her duties, regardless of the positions held outside Unieuro Group with full awareness of the responsibilities inherent to the office held;
- to this end, prior to accepting office at the Company and notwithstanding the limitations established by the provisions of law and regulations regarding the accumulation of posts, each candidate for the position of Director must carry out an assessment of his/her ability to perform the tasks so assigned with due attention and effectiveness, taking into account, in particular, the overall commitment required by those posts held outside of the Unieuro Group

deemed it unnecessary to express any stance with regard to the maximum number of administrative posts held by board members in other companies, considering it more appropriate that a check be conducted from time to time, as to the overall number of actually offices held.

Without prejudice to that stated above, on 14 April 2020 the Board of Directors issued its guidance regarding the maximum number of administration and control offices deemed compatible with effective performance of the office of executive director or member of one or more Company internal board Committees (“**Guidance**”), as illustrated below.

Executive Directors of Unieuro, being those Directors holding positions on any of the Company’s intra-board committees - may accept and retain the office provided that they believe they can devote the necessary time to ensure the effective performance of their duties. Such evaluation shall take into account both the number and nature of the positions held in the administration and control bodies of the Relevant Companies (as defined below) and the commitment required of them to carry out their further professional activities and corporate offices.

The companies considered as relevant for the purpose of the calculation of the accumulation of positions held in them are:

- a) Italian or overseas companies with shares listed on regulated markets;
 - b) Italian or overseas companies which prevalently operate in the insurance, banking, securities brokerage, asset management or financial sectors;
- collectively, “**Relevant Companies**”.

The guidance approved by the Board provides for the following:

- a) **those persons holding the role of executive Director** of Unieuro may hold up to a maximum of three positions as Director or Standing Auditor in Relevant Companies, in addition to the position held in Unieuro;
- b) **Unieuro Directors who are members of the Unieuro intra-board committees** may hold up to a maximum of five positions as Director or Statutory Auditor in Relevant Companies, in addition to the position held in Unieuro.

For the purposes of counting the offices indicated above, any offices held in non-profit entities or companies directly and/or indirectly controlled by or associated with Unieuro are not taken into account.

The Directors are required to provide the Board of Directors an annual update stating the administrative and/or control positions held. The Directors shall promptly inform the Board of Directors in the event the roles held by them exceed the limits indicated.

Should the number of offices actually held exceed the limits set out above, the Board of Directors of Unieuro shall evaluate the situation from the viewpoint of the Company interests and may agree to exemptions (including temporary exemptions), giving reasons therefor.

For completeness, please note that on 23 March 2022 following a preliminary analysis on the part of the Remuneration and Appointments Committee, the Board of Directors deemed the Guidance to be adequate for the Unieuro structure and on 13 April 2022, verified that each Director who is a member of a Committee as well as the Chief Executive Officer is conformant with said Guidance.

4.4. Function of the Board of Directors (pursuant to art. 123-bis, paragraph 2, letter d) TUF)

On 20 December 2021, in the context of adjusting corporate governance matters line with the Corporate Governance Code, the Board of Directors adopted a set of procedural rules that set forth their correct functioning ("**Regulations**"), also with a view to ensuring effective management of board information available to the public on the Company's corporate website in the section "Corporate Governance / Corporate Documents and Procedures".

Said Regulations govern the role, organisation and operating methods of the Board of Directors, as well as the main organizational profiles of the Company's corporate governance model, to ensure, inter alia, the effective management of information amongst the corporate bodies. The Regulations further provide that operating procedures of the Committees shall be governed by specific regulations, approved by the Board of Directors upon the proposal of said Committees.

As regards meeting minutes, discussions and relative resolutions shall be recorded in meeting minutes drawn up in the Italian language, signed off by the Chairman and the Secretary (and by the Notary in those cases provided for by law).

Said minutes shall be drawn up as a short-form report of the business discussed and shall set forth: The principal interventions, as shall be summarized by the Secretary and, more specifically, those parts of any illustrations made that are deemed essential supplementary elements to the documentation submitted; the questions and answers deemed apposite to clarify the documentation; any comments deemed relevant or which are specifically requested be recorded in the minutes; the votes cast by Directors.

The draft minutes shall be prepared by the Secretary and submitted to the Chairman for his/her validation and subsequent circulation to the Board of Directors. The Chairman may arrange the immediate recording of the minutes without prior approval on the part of all the other members in the event there are objective grounds of an urgent nature that render this necessary. In all cases the minutes shall be signed off by the Secretary.

Prior to approval, the draft minutes shall be circulated to the other members of the Board of Directors, and of the Board of Statutory Auditors to allow them to make any observations thereon by way of the Secretary, who shall then circulate them amongst the other meeting attendees. As a general rule, the draft minutes shall be put forward for approval at the very next Board meeting.

The minutes shall be kept by the Company Secretary in paper form on the corporate books containing meeting documentation and resolutions and shall also be made available for consultation by Directors or Statutory Auditors on the IT platform. The supervisory body may consult the minutes on request.

The Chairman the Secretary or Company Secretary may raise certified parts or extracts of those sections of the minutes pertaining to resolutions adopted for immediate execution prior to completion of the verification process of the complete version of the minutes. Said complete version shall indicate the interventions made.

To facilitate discussion of the items on the agenda, the Secretary or the Company Secretary shall make available to the Directors and Statutory Auditors such documentation as is deemed reasonably necessary to provide adequate information on the items on the agenda

Preparation and subsequent sending of supporting documentation by the Company Secretary is governed by the “Procedure for the management of information flows to Board members of Unieuro S.p.A.” duly adopted by the Company.

The Company Secretary shall send such documentation relating to the matters for discussion to the Board of Directors and the Board of Statutory Auditors, as a general rule not less than five days prior to the meeting, together with the notice of call to said meeting.

For any extraordinary meetings not scheduled on the annual calendar that are convened on less than five days' notice, or in any case convened in a manner not in compliance with the above-mentioned deadline, the documentation shall be made available as soon as possible, and in any case prior to board meeting commencement.

Said documentation shall be accessible by the Board of Directors and the Board of Statutory Auditors through an IT platform with restricted access and that ensures that the data and information are sufficiently safeguarded. In case of specific requirements, the information may be made available in an alternative manner provided that such manner allows the complete documentation to be kept confidential and accessed in a timely way.

Directors and Statutory Auditors are under a duty to treat all information made available pursuant to the previous article as confidential, as is equally confidential all information acquired by them for the purpose of their offices as specified under article 8 of the Regulations.

Should any Director or Statutory Auditor deem additional documentation necessary, then he/she shall inform the Company Secretary in writing in good time to allow said Company Secretary to liaise with the relevant company functions and procure the necessary information, preferably no later than the day prior to that fixed for the meeting. The Company Secretary shall send any additional information, where available, by commencement of the meeting.

Should it not prove feasible to provide documentation well in advance, the Chairman, with the support of the Secretary, shall ensure that a timely and thorough explanation be given on the issue/s during the board meeting.

The Chairman may check with the Company Secretary that the above-mentioned information has been duly made available to the Directors and Statutory Auditors. Such information may be supplemented with any illustrations as may be provided during the board meeting, or in any specific preparatory meetings to clarify any issues and ensure that Directors are able to perform their functions in an informed manner.

During the self-assessment process conducted at the end of the 2021-2022 business year, the adequacy and timeliness of pre-meeting information was specifically addressed by the directors who agreed that such disclosures were consistently made in a timely and sufficient manner.

Pursuant to article 18 of the Articles of Association, the Board of Directors shall meet at the Company registered office or at any other place as shall be indicated in the notice of meeting provided that such place is within Italy whenever the Chairman deems such meeting to be necessary, or by the vice chairman should the former be absent or prevented from calling a meeting.

The Board of Directors shall also meet where requested in writing by at least 3 (three) of its members (if the Board has seven 7 (seven) or 9 (nine) members) or by at least 4 (four) of its members (if the Board has 11 (eleven) to 15 (fifteen) members), to resolve on any specific management issue they deem of particular importance; this issue shall be mentioned in the notice of meeting.

For the purpose of providing appropriate further details regarding the items for discussion on the agenda, invitations to attend board meetings held during Financial Period were given to several senior staff of the Issuer in charge of pertinent corporate functions as well as several outside consultants. This enabled said board meetings to be used also as opportunities for the Directors to obtain adequate information with regard to the management of the Company.

More specifically, the Legal Director is an established participant in the meetings of the Board of Directors and he or she describes the topics pertinent to his or her function in relation to the matters on the agenda for the Board of Directors. The General Manager, Chief Financial Officer and the Manager responsible for the preparation of the company's accounting documents also participate in most meetings of the Board of Directors, as does the Internal Audit Manager or the Company's employees from time to time depending on the matters on the agenda, to describe specific topics connected with its business, upon request of the Board Chairman.

In accordance with article 18 of the Articles of Association, the Board of Directors' meeting is quorate if the majority of its members are present. Meetings of the Board of Directors may also take place by videoconference or conference call, provided that each participant can be identified by all the others and that each participant is able to participate in the discussion of business in real time, as well as to send, receive and view documents. Provided these

conditions are met, the meeting is deemed to be held at the venue from which the Chairman and Secretary take part.

The Board of Directors passes resolutions with the favourable vote of the absolute majority of board members present.

The Board of Directors meets regularly: During Financial Period it met 19 times (with meetings lasting an average of around 2.42 hours each) and attendance stood at around 98% for directors and 98% for Independent Directors. During current financial period, at least 12 meetings are scheduled (3 of which have already been held as of the date of this Report). In view of the COVID-19 health emergency, meetings were mainly held by electronic means.

The Directors have ensured that they have sufficient time and availability to diligently fulfil the duties entrusted to them.

As a general rule, the appropriate documentation in support of proposals and the information necessary to enable the directors to knowledgeably express themselves on the matters discussed is made available to the directors at least five days before the board meeting date. Where, in specific cases, it is not possible to provide the necessary information within the timescale referred to above, the Chairman shall ensure that adequate more thorough knowledge is imparted during the board meeting.

With regard to Financial Year, and as of the date of this Report, the directors and the Statutory Auditors have been provided supporting documentation in relation to the matters under discussion, particularly the resolution envisioned, in sufficient advance time, save for in cases of an exceptional and exogenous nature. Any urgency for the convening of board meeting and any extension of deadlines for the transmission of documents is always shared in advance with all the board members. Sais members have declared that they consider themselves duly informed of the facts and of those in relation to which adequate and timely further in-depth information is generally obtained as a matter of course during the work of the board.

With regard to this aspect, the Company Secretary arranged specific board induction sessions for the newly appointed Directors Levi and Nisticò, to inform said officers of the main topics as are necessary and useful for the performance of their duties. Furthermore, periodic briefings and in-depth sessions were conducted during individual Board meetings, whenever deemed necessary on grounds of legislative and regulatory changes concerning the Company and its corporate bodies. The CEO holds the office of principal executive in charge of management of the enterprise pursuant to the Corporate Governance Code.

On 19 May 2021, in the broader context of the remodelling of Unieuro's organisational structure, the Board of Directors established the office of Chief Strategy Officer. Such officer reports directly to the Board of Directors and is responsible for determining and implementing the company's strategic development as well as relations with strategic stakeholders.

The Board of Directors resolved that said office be entrusted to Giancarlo Nicosanti Monterastelli, who is already Chief Executive Officer of the Company and its CEO.

Chairman of the Board of Directors

In accordance with the provisions of the Articles of Association, the Chairman has not been entrusted with any management powers, nor does he/she perform a specific role in the development of corporate strategies and is not the Issuer's controlling shareholder.

Executive Committee

Pursuant to article 20 of the Articles of Association, the Board of Directors may also decide that an executive committee be created, such committee composed of several of its members.

At the date of this Report no executive committee has been created.

Reporting to the Board

As provided for by article 2381, para. 5, Civil Code, and article 20.2 of the Articles of Association, delegated bodies are required to report to the Board of Directors - promptly and at least quarterly - duly reporting during the Board meetings at which at least one representative of the Board of Statutory Auditors is present, on the activities carried out, the overall performance of the management and the foreseeable evolution thereof, as well as the most significant transactions in terms of size and characteristics carried out by the Company.

The Articles of Association also state that the directors promptly report, at least on a quarterly basis, to the Board of Statutory Auditors on the activities carried out and on the most significant economic, financial and asset transactions carried out by the Company or its controlled companies and, in particular, on transactions in which such directors have an interest, be it on their own behalf or on behalf of third parties, or which are influenced by the party who may exercise direction and coordination. Such information is usually given at meetings of the Board of Directors.

Other executive directors

There are no other Executive Directors except for the CEO, Mr Giancarlo Nicosanti Monterastelli.

4.7. Independent Directors

Pursuant to the provisions of article 147-ter, paragraph 4 TUF, where the Board is made up of more than seven members, then at least two of them must meet the independence requirements established for the Board of Statutory Auditors under article 148 paragraph 3 TUF.

Furthermore, according to the provisions of art. 2.2.3, paragraph 3 letter m) of the Stock Market Regulations and of art. IA.2.10.6 of the Instructions to the Stock Exchange Regulations, where the boards consist of 9 to 14 members, at least three of them must satisfy the requirements of the Corporate Governance Code.

The Corporate Governance Code provides that an adequate number of non-executive directors must be independent, which means that they must not have, or have had recently, any direct or indirect dealings with the issuer or with any issuer-related party that could be such as to compromise their impartiality of judgement.

The Board verifies the continued application of the above requirements based on the information that the interested parties are required to provide under their own responsibility

pursuant to article 12 of the Articles of Association and in any case information that is available to the Board.

The Board's finding during the first meeting after its appointment, such meeting being held on 26 June 2019 in the presence of the Board of Statutory Auditors was that it considers Pietro Caliceti, Catia Cesari, Marino Marin and Monica Luisa Micaela Montironi to be - on the 20 February 2020 that it considers Michele Bugliesi, Paola Elisabetta Galbiati and Stefano Meloni to be, and finally on 24 June 2021 that it considers Benedetto Levi and Giuseppe Nisticò to be - persons satisfying the requirements to qualify as independent directors according to the application criteria defined in the Corporate Governance Code and the criteria of article 147-ter, paragraph 4 TUF which reiterates the criteria set forth in article 148 TUF.

More specifically as concerns the Directors in office, the Board of Directors on the basis of the declarations made by the Directors and the information available to the Company determined most recently on 13 April 2022, that 7 Directors meet the independence requisites provided for by law and the Corporate Governance Code (Stefano Meloni, Michele Bugliesi, Pietro Caliceti, Catia Cesari, Paola Elisabetta Galbiati, Marino Marin and Monica Luisa Micaela Montironi) who, as referred to in the Company's Articles of Association 7 of the Corporate Governance Code and thus:

- a) are not significant shareholders of the Company;
- b) have not been an executive director or employee in the previous three financial years:
 - of the Company, a controlled company having strategic relevance or of a company under common control;
 - of a significant shareholder of the company;
- c) have not had in the previous three financial years, a significant commercial, financial or professional relationship, directly or indirectly (for example through controlled companies or through companies of which he or she is an executive director, or as a partner of a professional or a consulting firm);
 - with the Company or its controlled companies or its executive directors or top management;
 - with a person who alone or together with others under a shareholders' agreement, controls the Company; or, if the controlling party is a company or other entity, then with controlling party's executive directors or top management;
- d) have not received from the Company, any of its controlled or controlling companies including in the preceding three company financial years, any significant remuneration other than fixed remuneration for the office and that provided for the position held on committees recommended by the Code or required by law in force;
- e) have not served as Directors of the Company for more than nine financial years, whether or not consecutive, in the last twelve financial years.

- f) have not held the office of executive director in another company in which an executive director of the company holds the office of director;
- g) are not shareholders or Directors of a company or an entity belonging to the network of companies that has been entrusted to carry out the external legal audit of the Company;
- h) are not a close relative of any person that is in one of the circumstances situations listed above.

Please note that, in application of Recommendation No. 7 of the Corporate Governance Code - which specifies determined circumstances deemed to compromise or that would appear to compromise, the independence of a director (as well as that of an auditor, pursuant to Recommendation No. 9) - the Board of Directors on April 15 2021 following a preliminary assessment carried out by the Remuneration and Appointments Committee, laid down the assessment criteria to measure the relevant nature of commercial, financial or professional relations of independent directors with the Company, as well as any additional remuneration received by said directors in relation thereto. More specifically, the Board of Directors deems a Director to be independent based on the following factors, without prejudice to the assessment of particular circumstances based on the specific case:

- the total value of any commercial, financial or professional relationships maintained during the current year or in the three previous years with the Company and/or its subsidiaries or with its executive directors or top management or with a person who controls the company or with the related executive directors or top management, does not exceed the lesser amount between:
 - 5% of the annual turnover of the company or entity of which the Director has control, or is a key representative of, or of the professional firm or consulting company which he/she is a partner in;
 - (i) Euro 300,000 (meaning an annual fee for professional services rendered to the Company by the company or body over which the Director has control of or of which he/she is a key representative or by the professional firm or company consultancy of which he/she is a partner in or (ii) Euro 150,000 (meaning an annual fee for the professional services rendered to the Company by the Director as an individual professional).
- the additional remuneration paid directly to the Director during the current financial period or in the three previous financial periods (i) by the Company or (ii) by its parent company or any subsidiaries thereof, does not exceed the overall remuneration he/she receives due to his/her office and participation in those committees recommended by the Corporate Governance Code or envisaged by the legislation in force.

The Board also specified that the fact of being a "close family member" of a person who exceeds one of the above-mentioned thresholds is also a circumstance deemed relevant to the compromising of a director's independence, whereby "close family members" are deemed to be parents, children, spouses who are not legally separated and cohabitants, in

alignment with that set forth in the Q&A to the Corporate Governance Code published in November 2020 by the Corporate Governance Committee.

On 23 February 2022, the Board of Directors confirmed the adequacy of the above-mentioned criteria, which shall therefore be applied for the purpose of assessing the independence of the newly elected Board of Directors that shall be appointed at the Shareholders' Meeting called to approve the financial statements as at 28 February 2022.

On 13 April 2022, the Board of Directors, following a preliminary investigation by the Remuneration and Appointments Committee, assessed on the basis of the information made available by the interested parties and/or in any case available, those relationships that are generally deemed to compromise independence. During the self-assessment process, said Board considered that 7 directors out of 11 and the competencies of the independent directors, are adequate for the needs of the company, the functioning of the administrative body and the intra-board committees.

Therefore, the Board of Directors has:

- confirmed the previous assessment in relation to as to whether the Chairman Stefano Meloni and the Directors Michele Bugliesi, Pietro Caliceti, Catia Cesari, Paola Elisabetta Galbiati, Marino Marin and Monica Luisa Micaela Montironi meet the independence requisites laid down by law and the Corporate Governance Code, there not having been an occurrence of any of the circumstances indicated in Recommendation No. 7 of the Corporate Governance Code;
- confirmed that the non-executive directors Benedetto Levi, Giuseppe Nisticò and Alessandra Stabilini are not deemed to be independent directors.

With specific regard to the assessment of the independence of the Chairman Stefano Meloni, please note that he was deemed not to hold the independent requisites pursuant to the provisions of TUF on first appointment and that, following the introduction of the new provisions of the Corporate Governance Code - which no longer deem a director to be non-independent solely on grounds he/she is a "significant officer" - an expression that also included the office of Chairman regardless of whether or not he/she is an executive - it has been possible to classify Mr Meloni as an independent director also pursuant to the Corporate Governance Code.

On grounds there have been no changes to the circumstances described above in the year in question, the Chairman is also this Financial Year deemed to meet the independent requisites in accordance with both the law and the Corporate Governance Code.

It should be noted that on 11 May 2022, Director Alessandra Stabilini informed the Board of Directors that she qualified as an independent director since the professional association relationship with the law firm with which Unieuro maintains business relations had ceased. Therefore, following the assessment of the Remuneration and Appointments Committee, the Board of Directors has verified that Mrs. Alessandra Stabilini meets the requirements of independence pursuant to the law and the Corporate Governance Code.

Each non-executive director has provided all the elements necessary or useful for the Board's evaluations.

The Board of Statutory Auditors, within the remit of the tasks entrusted to it by law, verified the correct application of the confirmation and verification criteria adopted by the Board to

assess the independence of its members and the results of these checks will be disclosed to the market within the remit of the Statutory Auditor's report to the Shareholders' Meeting.

The Board of Statutory Auditors has always checked on the correct application of the assessment criteria and procedures adopted by the Board to assess the independence of its members.

During the Financial Year the independent Directors met without the other directors on one occasion at an autonomous' meeting held on 19 February 2021 and, more recently, on 17 February 2022 in order to agree on the guidelines for the performance of their role within the Company's Board of Directors and of the intra-board committees. At such meeting, chaired by Marino Marin, the Independent Directors also addressed the issue of the effectiveness of the Board of Directors, taking also into account their task of overseeing the regularity of internal processes. The independent directors concluded they are satisfied with the dynamics in place to perform interaction between the diverse Board members and between said Board and the Company management.

4.8. Lead Independent director

In consideration of the fact that the offices of Chairman and Chief Executive Officer are held by different persons and mindful that the office of Chairman is held by a person who does not control the issuer nor hold an executive office, the Company has not designated an independent director as lead *independent director* on grounds that the conditions set forth in Recommendation 13 of the Corporate Governance Code. This decision was also confirmed at the meeting of the Board of Directors held on 18 March 2021 at which the Board resolved to adhere to the new Corporate Governance Code.

5. PROCESSING OF COMPANY INFORMATION

The Board of Directors of the Company, at its meeting on 12 July 2018, approved the new releases of:

- (i) the “Internal regulation for the management of insider and relevant information”;
- (ii) the “Internal regulation relating to the keeping of the register of persons who have access to insider and relevant information”;
- (iii) the “Internal Dealing Regulation”,

originally adopted on 12 December 2016.

The above-mentioned regulations are in line with the rules governing market abuse, outlined by MAR and can be found on the Issuer’s website in the section “Corporate Governance/Corporate documents and procedures”.

5.1. Internal regulation for the management of Relevant Information and Insider information

The Internal regulation for the management of relevant information and insider information dictates certain procedural safeguards aimed at ensuring correct management of corporate information involving the Issuer and which involve insider information pursuant to the existing regulation. It is also the goal of the regulation to prevent certain recipients of such information, from using it in order to carry out speculative transactions on the market, to the detriment of investors, who are not aware of this information.

Note that: (i) “**Insider Information**” means information of a precise nature which has not been made public and which directly or indirectly concerns the Company or its financial instruments which, if made public, could have a significant influence on the prices of the Company’s financial instruments; (ii) “**Relevant Information**” means any information or news not yet classified as Insider Information that the Company deems relevant, as it relates to data, events, projects or circumstances that, continuously, repetitively, periodically, or occasionally, occasional or unexpected, directly concern the Company itself and that can, at a later stage, become Insider Information; and (iii) “**Confidential Information**” means any information or information that cannot be classified as Insider Information concerning, directly or indirectly, the Company and/or its controlled companies (“**Controlled Companies**”), which is not in the public domain or that it is by its nature confidential or exclusive to the Company and/or its Controlled Companies, acquired by the recipients in the performance of their duties and/or functions.

The Regulation is applicable to all those who have access to Relevant Information and/or Insider Information and/or Confidential Information, in particular: (i) members of the management, administrative and supervisory bodies, the members of the Company’s Committees and the members of any Controlled Companies; (ii) employees; (iii) natural and legal persons who, on account of their employment, profession or duties, have regular or occasional access to Confidential Information, Relevant Information and/or Insider Information.

5.2. Internal regulation relating to the keeping of the registers of persons who have access to Insider Information and Relevant Information

If the information is assessed to be Relevant Information, it must be recorded in a specific section of the Relevant Information Register (“RIL”), established and updated by the Company, pursuant to the laws and regulatory provisions in force at the time, indicating the subjects who have access to Relevant Information in virtue of the work or professional activity carried out or the functions performed by them.

The Company has set up a register in an electronic form pursuant to the legal and regulatory provisions in force at the time (“Register”) which it shall keep updated, indicating the persons who, by virtue of the work or professional activity performed or of the functions performed, have access to Insider Information, also on a delayed basis. The Register is made up of a several distinct sections, one for each set of Insider Information, containing data about the subjects with access to that specific Insider Information. A new section shall be added to the list each time new Insider Information is identified. In addition, a permanent section has been established which lists the names of those persons who always have access to Insider Information because of the functions or tasks performed by them.

The internal regulation concerning the keeping of the Register of persons having access to Insider Information and of the Register of persons having access to Relevant Information sets forth the rules and procedures for keeping and updating the Register and the RIL.

5.3. Internal Dealing Regulation

The Internal Dealing Regulation, amended by the Board of Directors on 12 July 2018 to reflect the changes made to the Consob Regulations by means of resolution No. 19925 of 22 March 2017, sets out a procedure relating to the disclosure obligations imposed on relevant persons and persons closely associated with the relevant persons, who perform transactions on shares, on derivative financial instruments or on related financial instruments.

The “relevant persons” are: (a) members of the Company’s administrative or supervisory body; (b) executives who, although not members of the Company’s administrative or supervisory bodies, have regular access to Insider Information concerning the Company directly or indirectly and hold the power to adopt decisions that may affect the Company’s future evolution and prospects, as from time to time identified by name by the Board of Directors of the Company or by any party delegated by the Board; (c) persons performing the functions referred to in subparagraphs (a) and (b) above in a company controlled directly or indirectly by the Company, if book value of the shareholding is more than 50% of the assets of the Company based on the last approved financial statements; and (d) anyone holding a shareholding, calculated in accordance with article 118 of the Issuers’ Regulations, of at least 10% of the Company’s share capital, with voting rights attached thereto, as well as any other entity that controls the Company.

The Internal Dealing Regulation, *inter alia*, identifies the relevant transactions for the various persons targeted by the applicable legislation, the materiality threshold of such transactions

and contains the rules regarding management, processing and communication of information relating to such transactions.

6. BOARD COMMITTEES (pursuant to art. 123-bis, paragraph 2, letter d), TUF)

In compliance with the Corporate Governance Code recommending that listed companies establish within their boards of directors, intra-board committees having competency for specific areas, on 26 June 2019 following its own taking of office, the Board of Directors established the following committees which will submit proposals and provide advice.

- Remuneration and Appointments Committee;
- Control and Risk Committee;
- Related Parties Transactions Committee.

In view of the Company's organisational needs, its mode of operation and the size of its Board of Directors, the Company has established a single committee for remuneration and appointments pursuant to Articles 5 and 6 of the Self-Regulation Code then in force, which is responsible for making enquiries, providing advice and offering suggestions to the Board of Directors.

On 12 November 2020, the Board of Directors, mindful of the growing importance of social and environmental matters in the corporate governance systems of listed companies, approved the establishment of a Sustainability Committee within its organization, such committee to carry out propositional and consultative functions to said Board on sustainability related matters, evaluating the processes, initiatives and activities to oversee Unieuro's commitment to create long-term value for the benefit of all its stakeholders.

The members of the Control and Risk Committee, including its Chairman, were appointed by the Board of Directors on 26 June 2019. Namely: Gianpiero Lenza, Monica Luisa Micaela Montironi and Marino Marin (as Chairman).

Following the resignation of director Gianpiero Lenza on 4 March 2020, the Board of Directors resolved to integrate the composition of the Control and Risk Committee and thus appointed independent Director Paola Elisabetta Galbiati as the third Committee member, so elected on 20 February.

The Control and Risk Committee in office on the date of this Report, is consequently made up entirely of Independent Directors, being Marino Marin (in his capacity as Chairman), Monica Luisa Micaela Montironi and Paola Elisabetta Galbiati.

On 23 September 2021 and following a preliminary assessment by the Remuneration and Appointments Committee and the Control and Risk Committee, the Board of Directors updated the Regulations governing said Committee, aligning its operating rules to the recommendations of the Corporate Governance Code.

- analysed, together with the Related Party Transactions Committee, the terms of the settlement negotiated with the former Chief Financial Officer as concerns his termination of employment, such settlement for formalisation in a secure environment, as well as the process for the allocation of the shares of the 1st cycle of the 2020-2025 Performance Share Plan;
- provided its opinion on the proposed remuneration of Marco Pacini as Chief Financial Officer of the Company with effect as of 1 June 2021;
- analysed and gave a favourable opinion on, the KPIs set forth in the budget, given that such KPIs have been automatically inserted as objectives of the incentive system applicable to the Chief Executive Officer, in his capacity as a Manager with Strategic Responsibilities and to the other members of top management;
- carried out a preliminary assessment regarding the adoption of a new medium-long term incentive plan.

Furthermore, during the first few months of the financial period, the Committee requested that the consulting firm, Management Search, carry out an analysis of the remuneration of members of the Board of Directors and of the Board of Statutory Auditors, with reference to a selected sample of other companies operating in analogous sectors or of comparable size to that of Company, so as to verify whether the remuneration paid to non-executive Directors and members of the Board of Statutory Auditors was appropriate having regard to the skills, professionalism and commitment required by such offices.

On May 2021, on the basis of the analyses carried out by the Committee, a material misalignment of the remuneration levels of Unieuro was found with respect to the average values of the panel of comparison companies considered and - as specifically regards the remuneration of its board members - with reference to the remuneration envisaged for participation on intra-board Board Committees. Therefore, the Committee found that the remuneration of the management body is not in line with the level of commitment actually made and that yet to be carried out up to the end of the term of office by its members on the Board as well as on intra-board committees. Such finding

also took, into consideration the alteration to the strategic and corporate context in which Unieuro is positioned as a consequence of the Company's strong growth and the intervening change of Unieuro to a public company structure. The Committee also pointed out that the total remuneration granted to the Board of Directors upon its appointment in 2019 has not undergone any adjustment with respect to the amount of remuneration the Shareholders resolved said body be granted in 6 February 2017. Indeed, at that time the Board of Directors of Unieuro was made up of 7 Directors rather than 9.

The Committee therefore deemed it appropriate to propose to the Board of Directors that the Shareholders, at the Shareholders' Meeting, be asked to increase the overall gross annual remuneration of the Board of Directors by EUR 130,000.00 (one hundred and thirty thousand/00), plus VAT and social security contributions thereon where applicable, such amount to be subsequently distributed by the administrative body pursuant to article 2389, paragraph 3 of the Civil Code and the Articles of Association.

The Committee also took note that the Board of Statutory Auditors submitted that the remuneration resolved on at the Shareholders' Meeting held on 18 June 2019 was no longer adequate having regard to the commitment actually required and said Board's request to the Board of Directors, for a proposal to be put to the Shareholders' Meeting for an increase of the remuneration of the Board of Statutory Auditors up to the end of its terms of office, such increase to take into account the broader scope of controls to be carried out as a consequence of the strong growth of the Company - which has led to an increased complexity of the business it operates - as well as the changes to the relative corporate and organisational structure, principally deriving from the intervening change of Unieuro to a public company.

Furthermore, during June 2021, following the approval at the Shareholders' Meeting of the proposal put forward by the Company to increase the overall gross annual remuneration of the Board of Directors by EUR 130,000.00 (one hundred and thirty thousand/00), plus VAT and social security contributions, thus bringing it to a total amount of Euro 710,000.00 (seven hundred and ten thousand/00), the Committee, upon unanimous approval of its members and having heard the opinion of the Board of Statutory Auditors, expressed its favourable opinion on the proposal concerning distribution of the Board of Directors' total remuneration.

Remuneration and Appointments Committee meetings have been attended by the Company's Human Resources Director (on occasions replaced by the Legal Director) who acted as secretary and presented those issues within the remit his/her responsibility as well as, as required, by other managers of the Company, upon proposal of the Chairman of the Committee and duly informing the Managing Director. The Chairman of the Board of Statutory Auditors, was amongst others who participated at the meeting. The meetings were all convened by the Chairman of the Committee who coordinated their tasks. The Secretary duly drew up minutes for all the meetings.

The Chairman shall provide information regarding the activities of the Remuneration and Appointments Committee at the next sitting of the Board of Directors.

Board Evaluation

The Board of Directors assessed the operation of the said Board and its Committees, as well as their size and composition, also taking into account elements such as professional characteristics, experience, including managerial experience, the gender of members, their seniority in office, diversity criteria, as required by article 4, recommendation 23 of the Corporate Governance Code.

For such assessment as regards the Financial Year, the Company was supported by consultancy firm Management Search, which assisted the Company in the preparation of questionnaires to be sent to the members of the Board, upon prior favourable opinion of the Remuneration and Appointments Committee. Upon appointment of said consultancy firm, the Company asked that it take into account during the performance of its activities, the recommendations set forth the Letter of the Corporate Governance Committee dated 3 December 2021.

The self-assessment process was carried out by way of individual interviews with the consultant so appointed, on the basis of a questionnaire prepared by said consultant which was reviewed and agreed on in advance by the Remuneration and Appointments Committee. The questionnaire was submitted and completed by the directors prior to the relative interviews and includes comments or suggestions for any improvements deemed appropriate with regard to the composition and functioning of the Board and the committees established by these bodies. All analyses and comments were processed by the consultant on an anonymous and confidential basis which does not identify the author, so as to facilitate freedom of expression on the part of each director, free from any constraints that could arise in another context, for example, during board meetings.

At the end of the process, a document summarising the outcomes of the evaluations provided by the individual directors was presented to the Remuneration and Appointments Committee and the Board of Directors on 10 January 2022 and 13 January 2022 respectively.

The outcomes of the board evaluation process demonstrate that the directors made a positive assessment with regard to the size, number, combination of age, gender and experience and professional and personal characteristics of the members on the Board of Directors. Overall, the directors also considered that the Board has carried out adequate activities during the year, duly dealing with relevant business and financial issues, relying on a good mix of skills on the Board and a good level of spirit of service on the part of the members who shared a sense of commitment and responsibility in carrying out their offices.

The observations made by the Board members highlight, amongst the strengths of the current Board and over and above its commitment, dedication of time and active participation in Company life - the overall good functioning of the Board of Directors and more specifically as regards its:

- composition in terms of the mix of its skills and experience;
- capability to engage in open and transparent debate;
- willingness to engage in debate in a thorough and broad manner;
- ability to react promptly to external events;
- maintenance of a constructive and collaborative environment within it the Board in the interests of the Company.

Notwithstanding that the Board members highlighted an overall positive judgement in their annual self-assessment reports, in order to facilitate improvements in the functioning of the Board of Directors and the Committees set up by said Board, the members identified certain areas of the Board as could be improved,

in terms of its contribution to determining the Company's development strategies. Indeed, the Board members deemed it necessary for the Board to have expertise so as to develop:

- a higher level of understanding of business and commercial issues;
- greater knowledge in the field of large-scale distribution, primarily with regard to online business;
- greater ability to analyse trends in digital innovation and the Company's vision on digital transformation.

Furthermore, Board members would consider it opportune that the Board be reinforced by members having specific skills in the field of digital innovation. Certain members would be willing to consider adding another member on the Board, in the belief that profiles with such characteristics may contribute to strengthening the direction of the Board on strategic issues as well as its capacity for business judgement.

Finally the conclusions of the self-assessment undertaken, showed that, in view of the renewal of the Board, the members recommended that the incoming Board:

- maintain the diversity of gender, skills and experience within its ranks;
- proceed in continuance of the works already undertaken
- further increase the time devoted to the discussion of issues of strategic importance;
- share the corporate strategy whilst maintaining a dialectical, supportive attitude vis a vis management;
- be open and responsive to scenario changes.

As a concluding part of the board evaluation activity, the consultant conducted an analysis on how the evaluation process undertaken by the Company compares with that carried out by companies that constitute the reference benchmark. A comparative analysis was also carried out on boards of directors of sample companies in relation to various aspects such as: size, composition, mix of Directors' professional competencies.

More specifically, this benchmarking activity looked at the following areas:

- the composition of the Board in terms of number, diversity, average age and professional activity of its Directors;
- the operativity of the Board and of the intra-board Board Committees
- the frequency of Board evaluations
- the manner of carrying out and methodology used for Board evaluations
- the disclosure levels for the results of the Board evaluation contained in the Corporate Governance report

- the corporate bodies subject of the assessment
- the specific areas subject to the assessment that were indicated in the Corporate Governance report

The benchmark reference was eight Italian listed companies comparable to Unieuro on the basis of the following characteristics: (i) membership in the STAR segment; (ii) company size; (iii) broadest possible shareholdings (iv) market dynamism. The comparison concluded that Unieuro operates in compliance with governance best practices.

In view of the next Shareholders' Meeting, called *inter alia* to renew the corporate bodies, on 13 January 2022 the Board of Directors of Unieuro, having acknowledged the self-assessment activity carried out with the support of Management Search for the third and final year of its three-year term, furnished its guidelines on the optimal size and qualitative and quantitative composition of the new administrative body, subject to the prior opinion of the Remuneration and Appointments Committee.

Considering the number of eleven directors to be adequate, the Board deemed it appropriate that the incoming Board be established within context of continuity, to ensure stability and consistency in the actions of Company management, identifying the apposite personal and professional characteristics for the various roles on the Board.

Said Guidelines have been available to the public since 13 January 2022, on the Company's corporate website in the section Corporate Governance / Shareholders' Meetings / Shareholders' Meeting 2022 and on the authorised storage mechanism www.emarketstorage.com, thus well in advance of the publication of the notice of call (on 11 May 2022) of the Shareholders' Meeting called to renew the Board of Directors.

In the preparation of the documentation to be provided to shareholders for the submission of any lists of candidates for the office of Director, the Company has requested that any shareholder submitting a list containing a number of candidates exceeding half of the members up for election, provide sufficient information with that presented for the filing of the list, on the compliance of the list with the Board of Directors Guidelines, and to indicate their own candidate for the office of Chairman of the Board.

Succession plan

As of 2019, Unieuro appointed a first-class specialist consultancy firm to support the Company in determining the succession plan for the Executive Director concerning the reporting line and the development of profiles for successors as provided for in domestic and international best practices.

Such plan, structured as a modular scheme consisting of several phases, lead to an analysis during the course of the Financial Year of the business context and the specific characteristics pertaining to the role of Executive Director, so as to fix a reference profile for possible suitable candidates as well as to create a procedure for activation of said Plan.

On 23 February 2022, the Board of Directors, following preliminary activities on the part of the Remuneration and Appointments Committee, laid down the formalities to implement the Chief Executive Officer succession plan ("**Succession Plan**") as well as the Contingency Succession Plan which outlines the process to be followed in the event that the Chief Executive Officer were suddenly unable to perform his/her duties, so as to source the

appropriate person to perform the office during the transition period until activation of the Succession Plan. On the same date, the Board of Directors authorised the Chief Executive Officer to monitor the adequacy of the Succession Plan and to submit to the Board of Directors any requests for its amendment as may be necessary or as may be appropriate in the event of significant regulatory or organisational changes.

9. INTERNAL CONTROL AND RISK MANAGEMENT SYSTEM

During the Financial Year and in compliance with Corporate Governance Code, the Issuer adopted an internal control and risk management system that will allow it to identify, measure, manage and monitor the main risks in line with best domestic and international practices. The Issuer shall in any case periodically update the corporate risk catalogue.

The internal control and risk management system contribute to protect the company's assets, the efficiency and efficacy of the corporate processes, compliance with the laws and regulations, the Articles of Association, the internal procedures as well as the reliability of the financial information. In this area, the internal control system, set up with the objective of guaranteeing the reliability, accuracy, integrity and timeliness of the financial information, must therefore be considered as an integrative element rather than separate from the general risk management system adopted by the Company.

Said system is integral to the general organizational and corporate governance structures adopted by the company, taking into consideration as appropriate the best domestic and international practices as well as the models of reference, also in light of the evolution of this subject.

In particular, the planning, implementation and monitoring of the internal control and risk management system determined by the company have been inspired by the CoSo Framework methodology developed on the basis of the guidelines of the Committee of Sponsoring *Organizations of the Treadway Commissions*; the company plans and carries out ongoing development and streamlining of the system in all its components, in the context of continuous improvement. These components are briefly summarised below.

a) Control environment

The control environment is the organizational context within which the strategies and objectives are established as well as the procedures by which the business activities are structured and the risks are identified and managed. This encapsulates many elements, including the ethical values of the company, the skills and development of the personnel, the operating style and the procedures with which delegations, powers and responsibilities are conferred.

b) Risk assessment

Risk assessment is considered as a basic element of the system. To this end, in order to acquire instruments that are more in line with the requirements of the control and risk management system required by the organizational model overall, the status as a listed company and the business dynamics, the Company has initiated a structured process aimed at periodically identifying and assessing risks, which provides the base methodology for identifying control system and audit plan priorities.

c) Control activities

The control activities are determined within the framework of regulations, policies, guidelines and procedures that can help to ensure that the decisions for handling risks are executed in an adequate fashion. The Audit Plan, in accordance with principles of conformity with the task of optimising corporate resources and efficiency, has been implemented taking into consideration the main results of the risk assessment activities; these elements were supplemented by control activities that were triggered as a result of

the requirements stated by the Financial Reporting Officer and by the Supervisory Body, for which Internal Audit provides operational support, as explained in more detail below. The Audit Plan was approved by the Board of Directors, after analysis and evaluation by the Control and Risk Committee.

d) Information and Communication

Information is necessary at all corporate levels to identify, evaluate and implement the decisions for the handling of the risks as well as to carry out control activities in compliance with the objectives that have been previously set. The individuals who make up the internal control and risk management system carry out their function also by maintaining a constant flow of executive reporting in line with their roles.

e) Monitoring

The internal control and risk management system is periodically audited and updated in order to align the structure and the implementation procedures with the specific requirements of the organization and the market in which the Company operates, according to the guidelines expressed by the Board of Directors

On 13 May 2021, the Board of Directors: (i) approved the annual work plan prepared by the head of the Internal Audit function, having consulted the Board of Statutory Auditors and the director responsible for the internal control and risk management system; and (ii) held, based on the information provided to the Directors and having heard the opinion of the Control and Risk Committee, that the internal control and risk management system adopted by the Company is consistent with the provisions of Application Criterion 7.C.1. of the Self-Regulation Code for listed companies.

9.1. Risk management system in relation to financial reporting

As regards the internal control system in place for the preparation of the financial reports, the Company has undertaken a process of adjustment to the indications set forth in law 262/05. This process aims to document the accounting and administrative model that has been adopted as well as to put in motion specific audit checks by way of support to the certification process under the Financial Reporting Officer's responsibility.

The above-mentioned accounting and administrative audit model constitute the totality of internal procedures and instruments adopted by the Company to ensure achievement of the corporate objectives of reliability, accuracy, integrity and speed in financial reporting.

The methods applied by the Financial Reporting Officer for the analysis and verification of the administrative and accounting audit system is set forth in a document describing the model, which has been constructed in line with the indications set forth in the "CoSo Report" which is referred to as the model of reference in the ANDAF Guideline for the Financial Reporting Officer preparing the Company's accounts.

The valuation of the risks identified by the financial reporting at both the *entity* and process and individual transaction levels, aims to measure the appropriateness of the

safeguards in place to efficiently mitigate the risks inherent to the administrative-accounting process.

The approach adopted is mindful of possible risks arising due to innocent mistake as well as the risks that derive from fraudulent intent, thus providing for the planning and monitoring of safeguards and controls that guarantee coverage of this nature of risk, as well as coordination with those control protocols that have been implemented as part of the overall internal control system.

Furthermore, the approach adopted is mindful of both manual controls and those made by information systems in support of the accounting and administrative processes, in other words, so-called automatic controls at the application system level and IT general controls safeguarding the areas which relates to system access, control of development and modifications and finally, adequacy of the IT structures. At the general IT and infrastructure level, the control system is subject to analyses to reveal issues and carry out initiatives aimed at strengthening it.

Monitoring activities are concentrated on the operating processes which refer to material accounting items. Furthermore, *ad hoc* checks are carried out on activities connected to closing of those operations which the company documents, allocates the responsibilities therefor and authorizes through a dedicated information system, so as to guarantee the completeness and accuracy thereof.

The Financial Reporting Officer constantly monitors the adequacy of the controls, initiating corrective actions where necessary.

Based on the results of the activity for the tracking of the processes, risks and controls, the company determines improvement plans aimed at introducing and/or modifying the controls whether at the general or at the individual process level and moves to determine or update the administrative - accounting procedures.

9.2. Director in charge of the internal control and risk management system

By way of support to the Issuer's internal control and risk system and in addition to the internal control system, the Company's Board of Directors appointed Giancarlo Nicosanti Monterastelli on 26 June 2019 as the director in charge of the internal control and risk management system having the duties listed in Recommendation No. 34 of the Corporate Governance Code. In this regard, the Issuer deems that the appointment of Giancarlo Nicosanti Monterastelli who also holds office as CEO, is in line with the provisions of the Corporate Governance Code, which provides that said office be expressly covered by the Chief Executive Officer.

In conformity with the provisions of Recommendation 34 Corporate Governance Code, the Director in charge of the internal control and risk management system is required to:

- identify the main corporate risks, taking into account the characteristics of the activity carried out by the Issuer and its Controlled Companies and periodically submit them for examination by the Board of Directors;

- request, at his/her discretion, the Internal Audit department to check specific operating areas and compliance with the internal rules and procedures in executing the corporate operations. In such case he/she shall concurrently inform the Chairman of the Board of Directors, the chairman of the Control and Risk Committee and the Chairman of the Board of Statutory Auditors;
- immediately inform the Control and Risk Committee (or the Board of Directors) of any problems and critical areas that are flagged up as a result of activities or of which he/she becomes aware so that the committee (or the Board) can take the appropriate actions.

9.3. Internal audit department manager

At its meeting of 12 April 2017, the Board appointed Raffaella Folli as the *Internal Audit* Department Manager of the Issuer in charge of the Issuer's internal audit operations.

The appointment of the Internal Audit Manager is the result of a proposal put forward by the director in charge of the internal control and risk management system, after receiving favourable opinions from Control and Risk Committee and the Board of Statutory Auditors.

On the proposal of the director in charge of the internal control and risk management system and having received the favourable opinions from the Control and Risk Committee and Board of Statutory Auditors, the Board fixed the remuneration of the *Internal Audit* Department Manager in line with the corporate policies and ensured that the appropriate resources for the discharge of the relative duties are available to such manager.

The Internal Audit Department Manager reports directly to the Board of Directors and is not responsible for any operating area.

The Internal Audit Manager has adequate resources at his/her disposal to carry out the allocated tasks. During Financial Year, the Internal Audit Manager carried out the relative tasks in conformity with Recommendation No. 37 of the Corporate Governance Code in line with the Audit Plan approved by the Board of Directors, the results of which were reported to the Management, the Control and Risk Committee, the Board of Statutory Auditors and the Board of Directors.

The Company believes the incentivising mechanisms for the Internal Audit Manager are consistent with the tasks assigned to this office (Recommendation No. 33 Corporate Governance Code).

On 15 November 2020, an induction sitting of the most recent members of the Committee having taken place beforehand, the Company approved an updated version of the Model further to the introduction into law of a new type of criminal offence.

The second part of the Model is of a special nature and contains a description of the types of offences provided for in the Decree as well as the penalties applicable thereto, as concerns those risk areas considered applicable to the Company as a result of risk areas that were identified during the risk assessment process.

10. INTERESTS OF THE DIRECTORS AND TRANSACTIONS WITH RELATED PARTIES

In its meeting held on 24 June 2021, the Board of Directors, having obtained the favourable opinion of the Related Party Transactions Committee, approved new "Internal regulations governing related party transactions" (the "Procedure") pursuant to and in accordance with Consob Related Parties Regulations No. 17221 of 12 March 2010, as subsequently amended and supplemented. This Procedure, which replaces and supersedes that adopted in 2017, sets out the principles to which the Company adheres to ensure transparency and substantive and procedural fairness of transactions with related parties whether carried out directly or through its controlled companies. Said Procedure is viewable on the Company's corporate website at [https://unieurospa.com/en/_home/Corporate Governance / Corporate Documents and Procedures](https://unieurospa.com/en/_home/Corporate%20Governance%20-%20Corporate%20Documents%20and%20Procedures)".

The above-mentioned procedure applies to transactions with related parties (the definition of which is provided in the respective definitions of the Consob Related Party regulation, which is expressly referred to in the Procedure) conducted directly by the Company or through controlled companies.

In conformance with the Consob Related Party Regulations, the procedure governs, *inter alia*, the inquiry and approval procedures regarding transactions with related parties of *greater importance* based on the criteria indicated in Consob's Related Party Regulation and those transactions with related parties classified as of *lesser importance*, which are transactions other than those of *greater importance* and transactions involving modest amounts (individual transactions of not more than Euro 150,000 where the related party is a natural person and not more than Euro 300,000 where the related party is not a natural person).

Pursuant to the provisions of the Consob Related Parties Regulation, the Procedure considers to be transactions of greater importance with related parties those in which at least one of the relevant indexes indicated in attachment 3 of said Regulation is higher than the threshold of 5% and requires that a specific corporate body (comprised of the Chief Financial Officer and the Legal Director) be entrusted with the task of deciding how to apply the Procedure to the specific transaction, including the manner for classifying a transaction as of *greater importance* or of *lesser importance*.

Pursuant to the Consob Related Parties Regulations, the Procedure provides that, prior to approval of a transaction with related parties, the Related Parties Committee - which shall be comprised exclusively of unrelated and non-executive directors and a majority of independent directors pursuant to the TUF and the Corporate Governance Code - shall give a reasoned, non-binding opinion on the interests of the Company to pursue the transaction as well as the convenience and essential correctness of the terms and conditions related thereto¹⁶.

The rules provided by the Procedure do not apply in the following cases which are deemed as exempt therefrom:

- (i) compensation plans based on financial instruments approved by the Shareholders' Meeting pursuant to article 114-*bis*, TUF and transactions for the enactment thereof;
- (ii) resolutions other than those indicated in article 13, paragraph 1 of the RPT Regulations concerning the remuneration of directors and board members holding particular offices or remuneration of Managers with Strategic Responsibilities provided that:

- (v) transactions entered into by the Company with any Controlled Company of the Company save for to the extent provided for below.

The Procedure shall not be applicable to the items specified under points (iii), (iv) and (v), however shall apply where the counterparty to the transaction is a related or controlled company in which other Related Parties hold a Significant Interest.

¹⁷ Meaning those shareholders' meeting resolutions referred to in the first paragraph of article 2389 Civil Code, relating to the remuneration of the members of the board of directors and of the executive committees as well as resolutions on the remuneration of directors holding particular offices where such remuneration is within a total amount pre-determined at a shareholders' meeting in accordance with article 2389, *third* paragraph Civil Code. 11. BOARD OF STATUTORY AUDITORS

11.1. Appointment and Replacement

The Board of Statutory Auditors is appointed at the Company's ordinary Shareholders' Meeting.

Pursuant to articles 21 in 22 of the Articles of Association, the Issuer has adopted a transparent procedure for the appointment of the statutory auditors which guarantees, among other things, adequate and timely information regarding the personal and professional features of the candidates in office.

For as long as the Company's shares are listed on a regulated market in Italy or in another member state of the European Union, the Board of Statutory Auditors will be elected at the ordinary Shareholders' Meeting on the basis of lists submitted by the shareholders as provided below and ensuring a gender balance respecting the applicable laws and regulations.

Shareholders have the right to submit a list to the extent that they hold, whether individually or jointly with others on the date of submission of said list, the share percentage established by law or regulations in force from time to time (4.5%, pursuant to the Consob Management Deliberation No. 48 of 7 May 2021).

The lists have two sections: one for the appointment of statutory auditors and the other for the appointment of alternate auditors. The first candidate in each section shall be a certified auditor and shall have worked for a minimum of 3 (three) years as an auditor for clients that are legally required to have their financial statements audited. Should the other candidates do not meet such requirement for the immediately preceding period, they must meet the other professional requirements under applicable legislation and regulations from time to time. In the event of non-fulfilment of the obligations laid down in this paragraph, the list will be deemed unsubmitted.

Each list that contains 3 (three) or more candidates (mindful that there are two sections), shall also include a number of candidates from the under-represented gender so as to ensure that the list respects the principle of equality between genders and the number is at least the minimum required under the laws and regulatory provisions in force from time to time. Any list that fails to fulfil the obligations laid down in this paragraph shall be deemed unsubmitted.

As concerns gender balance, please refer to that specified in relation to regulatory changes and the consequent amendments to the Articles of Association which were approved by the shareholders at a Shareholder's Meeting held in 2021.

The lists shall be submitted within the period prescribed by the applicable legislation referred to in the convocation notice at the Company's registered office or electronically, as stated in the notice, and made public within the timeline and in the manner laid down by applicable legislation and regulations. If by the deadline for the submission of lists, only one list has been submitted or there are only lists submitted by shareholders acting together within the meaning of article 144-*quinquies* of the Issuer Regulation, then lists may be submitted for up to three days after said deadline. In this event, the thresholds

indicated in the Articles of Association are reduced by half. Together with the lists, the following shall also be submitted:

- (i) information about the shareholders who submitted the list and an indication of the percentage of equity held by them;
- (ii) a declaration from shareholders other than those who hold, even jointly, a controlling or relative majority interest, certifying the absence of direct or indirect relationships with such shareholders under applicable legislation and regulations;
- (iii) the *curriculum vitae* of the candidates and a declaration from each candidate attesting that there are no grounds for ineligibility or incompatibility and that he or she meets the requirements for office;
- (iv) information about the candidates with an indication of administrative and supervisory positions held in other companies, as well as a declaration by the candidates that they meet the requirements, including those in terms of integrity, professionalism, independence and those concerning concurrent office, provided by applicable legislation and regulations and the articles of association, and their acceptance of the nomination and office, if elected;
- (v) a declaration whereby each candidate accepts his or her nomination;
- (vi) any other declaration, information and/or document as may be required by applicable legislation and regulations.

Any shareholders, who have signed a shareholders' agreement pertaining to the Company and relevant for the purposes of article 122 of the TUF, parent company, controlled companies and companies under common control and any other entities with whom a relationship exists, including indirectly within the meaning of applicable legislation and regulations, may not submit or participate in the submission of more than one list, even through an intermediary or trust company, nor vote for different lists.

Each candidate shall only be included in one list, otherwise he or she shall be considered ineligible.

Any list not complying with the provisions set forth in this paragraph shall be considered as not having been submitted.

The statutory auditors will be the first two candidates from the list with the highest number of votes ("**Majority List**") and the first candidate from the list obtaining the second highest number of votes ("**Minority List**") submitted by shareholders who are not related, even indirectly, to the shareholders who submitted or voted for the Majority List, and this candidate will also be appointed Chairman of the Board of Statutory Auditors.

The alternate auditors will be the first alternate candidate on the Majority List and the first alternate candidate on the Minority List.

If the gender balance is not achieved as required by applicable legislation including any *pro tempore* regulations, the necessary replacements will be selected from the candidates put forward for the office of standing auditor on the Majority List, in the order in which the candidates are listed.

If fewer candidates are elected based on the lists submitted than there are auditors to be elected, the remainder will be elected at the Shareholders' Meeting on simple majority

ensuring that the gender balance required under applicable legislation, including any *pro tempore* regulations, is achieved.

In the event of a tie between the lists, a tie-breaker vote to decide the between the candidates subject of the tie shall be held for anyone entitled to vote at the Shareholders' Meeting. The candidates who obtain a simple majority of the votes shall be elected.

If only one list is submitted, the entire Board of Statutory Auditors shall be elected from that list in accordance with applicable legislation and regulations. If no list is submitted, the Shareholders' Meeting will shall resolve on the candidate by statutory majority.

The Chairman of the Board of Statutory Auditors shall be the statutory auditor elected from the Minority List, unless only one list is submitted or no list is submitted; in such cases the Chairman of the Board of Statutory Auditors shall be appointed at the Shareholders' Meeting by resolution a voted on simple majority of representative votes.

11.2. Composition and operation (pursuant to article 123-bis, paragraph 2, letters d) and d-bis) TUF)

Pursuant to article 21 of the Articles of Association, the Board of Statutory Auditors shall be comprised of 3 (three) statutory auditors and 2 (two) alternate auditors who satisfy the requirements of professionalism, integrity and independence as required by law and other applicable provisions.

As concerns the requirement of professionalism in particular, pursuant to article 1, paragraph 2, letters b) and c) of Ministerial Decree 162 of 30 March 2000, matters and sectors of activity which are closely related to those of the business carried out by the Company means those matters and sectors of activity connected to or inherent in the operations of the Company, as these are indicated in the corporate objects clause.

The requirements, functions, responsibilities of the Board of Statutory Auditors are governed by law.

Statutory Auditors shall remain in office for three company financial years. Their term of office shall expire on the date of the Shareholders' Meeting convened to approve the financial statements relative to their third year in office. Said auditors may be re-elected.

The Board of Statutory Auditors in office at the date of this Report and appointed at the Shareholders' Meeting on 18 June 2019 is composed of Giuseppina Manzo (Chairman), Maurizio Voza and Federica Mantini (standing auditors), Valeria Francavilla and Davide Barbieri (alternate auditors). For more information about the members of the Board of Statutory Auditors, please refer to the corporate website of the Issuer https://unieurospa.com/en/_home/, in the section "Corporate Governance/Board of Statutory Auditors" where the *curriculum vitae* of Statutory Auditors illustrating the professional characteristics of the Auditors are available.

Pursuant to the recommendations made in the Corporate Governance Code and in accordance with applicable laws, the Board of Statutory Auditors shall monitor the financial reporting process, the efficacy of the Internal Control and Risks System, the legal auditing of the annual and consolidated accounts and the independence of the independent auditors, in particular as concerns any non-auditing services this latter may provide. To correctly perform their own activities, the Statutory Auditors may request the Internal Audit Manager to carry out checks on specific operating areas or company operations.

During Financial Year, in the performance of its activities, the Board of Statutory Auditors have coordinated with the Internal Audit Department and the Control and Risk Committee by means of participation in discussions on issues of specific interest. The Internal Audit Manager has participated on a regular basis in the checks carried out by the members of the Board of Statutory auditors.

All Statutory Auditors must satisfy the requirements of eligibility, integrity and professionalism as provided by the applicable laws and regulations. Furthermore, in application of the recommendations set forth under Corporate Governance Code, the above-mentioned article 21 of the Articles of Association provides that all Statutory Auditors must satisfy the requirements of independence set forth in the applicable legislation and regulations.

In application of article 144-*novies* of the Issuer Regulation and the above-mentioned application criterion, the holding the requirements indicated above by the members of the Board of Statutory Auditors shall be assessed by the Board of Statutory Auditors:

- (i) after their appointment; the outcomes of this verification shall be disclosed to the market by press release;
- (ii) every year; the relative results shall be provided in the report on corporate governance.

The 21 April 2021 was the last occasion upon which the Board of Statutory Auditors verified that all the members of said Board of Statutory Auditors continue to fulfil the requirements of integrity and professionalism required by article 148 TUF and the implementation regulation adopted with Decree No. 162/2000 issued by the Ministry of Justice. At the meeting, held on 6 May 2021, the Board of Directors also verified the continued fulfilment of the independence requirements under article 148, paragraph 3 TUF and the combined provisions of Recommendations 7 and 9 of the Corporate Governance Code, for all members of the Board of Statutory Auditors and found that none of them falls within the remit of the matters under article 148, paragraph 3 TUF and the combined provisions of Recommendations 7 and 9 of the Corporate Governance Code.

Also on 21 April 2021, the Board of Statutory Auditors examined the outcomes of the self-assessment process pursuant to rule Q.1.1. (Code of Conduct of the Board of Statutory

Auditors of listed companies - April 2018) to ascertain the existence and continuance of members' suitability requirements as well as its correct and effective operation. Said Board of Statutory Auditors' self-assessment process, deemed to be successfully concluded, was recorded in minutes and sent to the Board of Directors.

Please note that, in application of Recommendation No. 7 of the Corporate Governance Code - which specifies determined circumstances deemed to compromise or that would appear to compromise, the independence of a director (as well as that of an auditor, pursuant to Recommendation No. 9) - the Board of Directors on April 15 2021 following a preliminary assessment carried out by the Remuneration and Appointments Committee, laid down the assessment criteria to measure the relevant nature of commercial, financial or professional relations of independent directors with the Company, as well as any additional remuneration received by said directors in relation thereto.

More specifically, the Board of Directors deems a Director to satisfy the independency requirements based on the following factors, without prejudice to any particular circumstances to be considered based on the specific case:

- the total value of any commercial, financial or professional relationships maintained during the current year or in the three previous years with the Company and/or its subsidiaries or with its executive directors or top management or with a person who controls the company or with the related executive directors or top management, does not exceed the lesser amount between:
 - 5% of the annual turnover of the company or entity of which the Director has control, or is a key representative of, or of the professional firm or consulting company which he/she is a *partner* in;
 - (i) Euro 300,000 (meaning an annual fee for professional services rendered to the Company by the company or body over which the Director has control of or of which he/she is a key representative or by the professional firm or company consultancy of which he/she is a partner in or (ii) Euro 150,000 (meaning an annual fee for the professional services rendered to the Company by the Director as an individual professional).
- the additional remuneration paid directly to the Director during the current financial period or in the three previous financial periods (i) by the Company or (ii) by its parent company or any subsidiaries thereof, does not exceed the overall remuneration he/she receives due to his/her office and participation in those committees recommended by the Corporate Governance Code or envisaged by the legislation in force.

The Board also specified that the fact of being a "close family member" of a person who exceeds one of the above-mentioned thresholds is also a circumstance deemed relevant to the compromising of a director's independence, whereby "close family members" are deemed to be parents, children, spouses who are not legally separated and cohabitants, in alignment with that set forth in the Q&A to the Corporate Governance Code published in November 2020 by the Corporate Governance Committee.

With regard to the Board of Statutory Auditors, you are reminded that the Corporate Governance Code provides that all members of the control body shall satisfy the same independence requirements as those applicable to directors under Recommendation 7.

The independence assessment shall be carried out by the management body or the control body in the manner and within the timelines mentioned above, on the basis of the information provided by each member of the control body. As concerns the specific practice of Unieuro S.p.A., we remind you that, to date - the Board of Statutory Auditors performs the assessment of its own members' independence in compliance with standard Q.1.1. (Self-assessment of the board of statutory auditors) referred to in the code of conduct governing boards of statutory auditors of listed companies (April 2018 version) and then informs the Board of Directors of its findings.

That stated, on 12 April 2022 the Board of Statutory Auditors found that all members of the Board of Statutory Auditors satisfy the independence requirements provided for by law and by the Corporate Governance Code as well as the integrity and professionalism requirements under article 148 TUF and its implementing regulation adopted by Decree of the Ministry of Justice No. 162/2000. On 13 April 2022, the Board of Director took note of said findings.

Also on 12 April 2022, the Board of Statutory Auditors verified the outcomes of the self-assessment process pursuant to regulation Q.1.1. (Code of conduct of Boards of Statutory Auditors of listed companies - April 2018) so as to check the existence and continuity of conformance with eligibility requirements on the part of its members and the correctness and effectiveness of its own system. The self-assessment process was recorded in minutes and found to have a satisfactory outcome. Said minutes were furnished to the Board of Directors.

Please note that in view of the renewal of the Board of Statutory Auditors to take place at the Shareholders' Meeting that shall approve the financial statements as at 28 February 2022, said Board of Statutory Auditors was desirous to provide Shareholders with its own Guidelines on the requirements for each of its members as well as on Board composition in terms of balance and complementarity between the experience and skill sets of its members.

More specifically, taking into account

- the outcomes of the self-assessment process for the 2021-2022 financial year;
- that, during its next term of office, the monitoring and supervisory activities of the Board shall require particular commitment, on grounds that UNIEURO's activity is focused on the continuation of its development which may also be achieved through extraordinary operations.

The current Board of Statutory Auditors trusts that the appointment of the incoming Board shall give due consideration to reappointment of the current members so as to ensure stability and continuity of action of Board activity during this phase, mindful that the Board, in its current composition has:

- acquired in-depth knowledge of the Company's organisation and business;
- adequately fulfilled its role of supervising and monitoring activities throughout its term of office.

The above-mentioned Guidelines are viewable by the public on the Company's corporate website under Corporate Governance / Shareholders' Meetings / Shareholders' Meeting 2022 and on the authorised storage mechanism www.emarketstorage.com on 13 January 2022.

For the 2021-2022 financial period at least 10 meetings have currently been scheduled (4 of which have already been held as at the date of this Report).

11.3. Diversity criteria and policies

With regard to the diversity policy, as already reported above in relation to the Board of Directors, on 11 May 2022, said Board of Directors assessed whether it would be opportune to adopt a specific diversity policy; they decided that such a specific policy was not necessary on grounds that the set of legislative and regulatory provisions, including the provisions of the Corporate Governance Code concerning the composition of the administrative, management and control bodies of the Company allows for an adequate composition regarding aspects such as gender, age, experiences, professional and personal characteristics.

In any case, it should be noted that the Board of Statutory Auditors currently consists of 3 members belonging to the most represented gender and 2 members belonging to the under-represented gender.

The Chief Executive Officer has ensured that following their appointment and during their term of office, the statutory auditors shall be able to participate in the most appropriate way in those initiatives aimed at furnishing them with adequate knowledge of the sector of activity in which the Issuer operates, the Company dynamics and their evolution, the correct risk management principles as well as the reference regulatory and self-regulatory framework.

Remuneration

The compensation of the standing members of the Board of Statutory Auditors is determined at an ordinary Shareholders' Meeting at the time of their appointment. The information on the remuneration of the Statutory Auditors is set forth in the Report concerning the policy of remuneration and recompense paid which has been drawn up by the Company pursuant to article 123-ter TUF and is available on the Company's website.

We draw to your attention that the Board of Statutory Auditors deems the remuneration resolved on 18 June 2019 to be no longer adequate having regard to the commitment actually required and taking into account the broader scope of controls to be carried out as a consequence of the strong growth of the Company - which has led to an increased complexity of the business it operates - as well as the changes to the relative corporate and organisational structure, principally deriving from the intervening change of Unieuro to a public company. Said commitment had led to, inter alia, a significant increase in the number of meetings, and as a consequence, the number of hours dedicated to participation in meetings of the Board of Statutory Auditors and of other corporate bodies.

In its report of 5 May 2021, the Board of Statutory Auditors of the Company provided the Board of Directors with an account of the activities carried out and objective grounds based on which it is deemed opportune that the remuneration for the remainder of the term of office be increased, such grounds concerning the intervening factors that have arisen subsequent to their original acceptance of the office and the relative remuneration therefor.

In its sitting of 13 May 2021, the Board of Directors took note of the above-mentioned request of the Board of Statutory Auditors, trusting that an adjustment to the remuneration may be granted in an amount commensurate to the greater qualitative and quantitative efforts required over and those envisaged for the governance structure on the date the supervisory body was appointed.

In light of such request, the Shareholders' Meeting held on 15 June 2021 resolved:

- that with effect as of such Shareholders' Meeting, the overall gross remuneration of the Board of Statutory Auditors shall be increased from Euro 60,000.00 to Euro 105,000.00, and therefore the effective increase shall be by 45,000.00. Such amount shall apply for the residual duration of their term of office;
- that the increase to remuneration referred to in point 1 above shall be divided as follows: (i) Euro 19,000.00 plus social security contributions thereon for the Chairman of the Board of Statutory Auditors; (ii) 13,000.00 plus social security contributions thereon for each acting Statutory Auditor.

Interest management

The Statutory Auditors shall carry out their duties autonomously and independently in relation to the Shareholders. Participation by those entitled to vote at said Shareholders' Meeting was carried out by the representative designated pursuant to art. 135-undecies TUF, which is Spafid S.p.A. This manner of participation was used on grounds that the Board of Directors, in consideration of the emergency situation, deemed it apposite to avail of the option under art. 106 paragraph 4 of Legislative Decree No 18 of 17 March 2020, converted with amendments by Law of 24 April 2020 No. 27, the effectiveness of which was last extended by Decree Law 31 December 2020 No. 183 converted with amendments by Law 26 February 2021 No. 21 ("**Cure Italy Decree**").

Members of the Board of Directors and statutory auditors in office participated in the above-mentioned two Shareholders' Meeting during which the Chairman of the Board of Directors and the Chief Executive Officer reported on behalf of the Board of Directors on the activities carried out and those that are scheduled, duly furnishing the shareholders with sufficient information so they have knowledge of the facts as required for them to resolve on the decisions under the competence of the Shareholders' Meeting. The Shareholders' Meeting Regulation is available on the Company's website https://unieurospa.com/en/_home/ under the section "Corporate Governance".

As far as changes in the composition of the shareholder structure is concerned, you are referred to that stated in chapter 2 of this Report.

The Board of Directors has not deemed it necessary to determine any corporate governance system more suited to the needs of the business. For such reason it has not submitted any proposals for consideration at the Shareholders' Meeting regarding:

- choice and characteristics of the corporate model;
- size, composition and appointment of the Board and term of office of its members;
- articulation of the administrative and property rights of shares;
- percentages established for the exercise of those prerogatives to protect minorities (as provided for under the Corporate Governance Code by Recommendation No. 2).

14. ADDITIONAL CORPORATE GOVERNANCE PRACTICES (pursuant to art. 123-bis, paragraph 2, letter a), TUF)

The Issuer has not adopted corporate governance practices that are additional to those required by the applicable laws and regulations.

Specifically, please refer to the previous Paragraph 10.4 of the Report with regard to the model adopted by the company pursuant to Legislative Decree No. 231/2001.

15. CHANGES TO THE CLOSURE OF THE FINANCIAL YEAR OF REFERENCE

As of closure of the Financial Year up to the date of this Report, there have been no changes in the corporate governance structure compared to those indicated in the specific sections of this Report.

16. CONSIDERATIONS ON THE LETTER OF 3 DECEMBER 2021 FROM THE CHAIRMAN OF THE CORPORATE GOVERNANCE COMMITTEE

The recommendations formulated in the annual report of the Italian Corporate Governance Committee on application of the Corporate Governance Code by issuers (“2021 Report”) as well as in the communication of 3 December 2021 from the Chairman of the Committee, first of all, submitted to the attention of the Chairman of the Board of Directors, the Chief Executive Officer and the Chairman of the Board of Statutory Auditors (the parties to whom this letter was addressed). Such recommendations were evaluated by the above-mentioned recipients and then were brought to the attention of the Board of Directors and the Board of Statutory Auditors during the meeting held on 13 January 2022, following examination of said recommendations by the Remuneration Appointments Committee in the meeting held beforehand on 10 January 2022.

The Chairman of the Committee advises that the Report published in December 2020 recommended that issuers assess, and, where appropriate improve, the concrete and substantial application of certain best practices contained in the Corporate Governance Code and in particular:

- Sustainability issues

The Committee invited boards of directors to integrate business sustainability in their strategies and remuneration policy, including on the basis of a materiality analysis of those factors that may affect the generation of value in the long term.

The 2021 Report shows that in approximately half of its member companies, such integration was undertaken by express integration of environmental and social objectives into company strategies and policies, in certain cases by including sustainability parameters in their remuneration policies.

UNIEURO FULLY COMPLIES WITH THE RECOMMENDATION

In this regard, Unieuro has integrated sustainability objectives into its remuneration policies for both the short and medium-long term, fully complying with the Committee’s request.

- Quality of pre-meeting information to the Board of Directors

The 2021 Report shows an increase in the number of companies that provide ex-ante a notice period considered adequate for sending documentation to the board. The critical points noted in previous years on generic exemptions to the notice period for reasons of confidentiality remain.

UNIEURO FULLY COMPLIES WITH THE RECOMMENDATION

The Board of Directors of Unieuro has approved a procedure for information flows to Directors and the Board of Directors’ Regulations which contain the rules governing the quality and transmission of pre-board information.

In particular, the aforementioned documents contain a timeframe for the appropriate transmission of documents to the Board of Directors. There are no exceptions to the timelines for reasons of confidentiality.

- Concrete and full application of independence criteria

The Committee invited the boards of directors to always justify, case by case, any disapplication of one or more independence criteria, as well as to define in advance the quantitative and/or qualitative criteria to be used in the assessment of the significance of the relationship between the director and the Company in order to establish the independence of the said director. The Report shows, on the one hand, a lower disapplication of the Code's independence criteria and, on the other, a significant improvement in the provision of such criteria, albeit limited to only a quarter of the issuers.

UNIEURO FULLY COMPLIES WITH THE RECOMMENDATION

Unieuro has never disappplied the independence criteria of the Corporate Governance Code.

On 15 April 2021, Unieuro adopted qualitative and quantitative criteria for analysing the relationship between directors and the company when assessing independence. These criteria have been fully described in the Corporate Governance Report.

- Remuneration policies

The Committee recommended that boards of directors - and the relevant committees responsible for remuneration - (i) provide clear indications on the identification of the weight of the variable component, distinguishing between components linked to annual and multi-year time horizons; (ii) strengthen the link between variable remuneration and long-term performance objectives, including, where relevant, also non-financial parameters; (iii) limit to exceptional cases, subject to adequate explanation, the possibility of paying amounts not linked to pre-determined parameters (i.e. ad hoc bonuses); (iv) define criteria and procedures for the assignment of end-of-office indemnities; (v) verify that the amount of remuneration paid to non-executive directors and members of the board of statutory auditors is proportionate to the amount of the variable component. (iv) define criteria and procedures for the assignment of end-of-office severance pay; (v) verify that the amount of compensation paid to non-executive directors and members of the control body is appropriate to the competence, professionalism and commitment required by their office.

The 2021 Report identifies significant progress on performance policies, which issuers increasingly link to capped long-term objectives. There has also been an improvement in the provision of clear rules for the allocation of severance pay and in the limited provision for the possibility of paying ad hoc bonuses. These elements, however, continue to represent the main weaknesses of remuneration policies.

UNIEURO FULLY COMPLIES WITH THE RECOMMENDATION

In its Remuneration Report, Unieuro has provided clear indications for the identification of capped remuneration components linked to the short and medium-long term. In the second cycle of the LTIP 2020-2025, an ESG parameter was included as a performance objective. In the Remuneration Report, the process for the assignment of end of office severance pay has been explained.

Furthermore, the Shareholders' Meeting of June 2021 approved, following a benchmarking exercise that was also prompted by the CG Committee Letter of 2020, an increase in the amounts recognised as remuneration to Directors and Auditors.

- Optimal composition and succession themes

The Report shows how all the critical elements identified, such as the clear assignment of functions to the appointments committee and the provision of guidelines from the outgoing board on the optimal composition, are clearly applied by only half of the companies. Even the provision of succession plans for executive directors, although increasing, is provided for by only a third of listed companies. These issues continue to emerge even in the light of the greater proportionality of the new Code: the provision of board guidance is insufficient in smaller "non-concentrated" companies, while only half of the "large" companies provide for a succession plan.

UNIEURO FULLY COMPLIES WITH THE RECOMMENDATION

In view of the renewal of the Board of Directors, Unieuro has drawn up its own guidelines for the optimal qualitative and quantitative composition for the new board.

Furthermore, Unieuro, even though it is not a "large" company within the meaning of the Corporate Governance Code, has formalised the CEO's succession plan.

- Themes on self-assessment and contribution to strategic plans

The Committee recommended that boards (i) oversee the board review process and (ii) assess the board's contribution to the development of strategic plans. The 2021 Report highlights that the role of the board is unclear with respect to the self-assessment process as it does not provide information on who is in charge of the assessment.

UNIEURO FULLY COMPLIES WITH THE RECOMMENDATION

Unieuro undertook its self-assessment process in compliance with the Code, entrusting the task to an external consultant, however entrusting the preliminary investigation to the Remuneration and Appointments Committee, which provided clear indications to the consultant (for example on possible changes to the questionnaire to be submitted to the Board).

In the board evaluation report, there is a precise reference to the contribution of the board to the determination of strategic plans.

The below table illustrates the position of Unieuro on the recommendations of the Chairman of the Corporate Governance Committee for 2022:
