

BENEDETTO LEVI

Benedetto Levi gained his degree in Logistics and Production Engineering from the Polytechnic University of Turin and a master's degree in Management from the Ecole Supérieure de Commerce in Paris.

After several experiences in Turin and London, he moved to Paris, where he gained significant experience as a successful entrepreneur and manager: in 2013 he founded ExtraVerso, a startup specialising in the sale of accessories for smartphones, and in 2015 he took on the role of Country Manager Italy and Deputy General Manager International of Captain Train, later acquired by the British group Trainline, European leader in the online sale of train tickets.

In 2018, at the age of just 29, he was engaged to manage the Italian launch of telecommunications operator Iliad, taking over as CEO and quickly making it Italy's fourth largest mobile operator.
