**EXPLANATORY REPORT OF THE BOARD OF DIRECTORS ON THE
PROPOSAL REFERRED TO IN ITEM 4 ON THE AGENDA OF THE ORDINARY
SHAREHOLDERS' MEETING OF UNIEURO S.P.A., CONVENED FOR 20 JUNE
2024 IN SINGLE CALL**

4. Authorisation for the buy back and disposal of treasury shares, upon revocation of the previous authorisation resolved on at the Ordinary Shareholders' Meeting held on 22 June 2023. Resolutions thereon.

Dear Shareholders,

This report has been drafted pursuant to article 125-ter of Legislative Decree 24 February 1998 No. 58 ("TUF") as well as article 73 of the Regulation adopted by Consob resolution No. 11971 of 14 May 1999 ("Issuers Regulations") and in accordance with Annex 3A - Scheme 4 thereto.

We would like to remind you that the Shareholders' Meeting of 22 June 2023 granted the Board of Directors the authorisation to purchase treasury shares for a period of eighteen months from the date of the shareholders' resolution. The authorisation to purchase treasury shares will therefore expire on 22 December 2024, while the authorisation to dispose of shares was granted without time limits.

In light of the imminent expiry of the above-mentioned resolution authorising the buy back of shares, the Board of Directors deems it appropriate to propose to the Shareholders' Meeting to issue a new authorisation on the terms and conditions set forth in this report ("**Report**"), subject to the revocation, for the period still outstanding, of the authorisation approved by the Shareholders' Meeting of 22 June 2023, which has not been used to date.

* * * * *

With reference to item 4 on the agenda of the Shareholders' Meeting, the Board of Directors is desirous to submit for Shareholders' consideration and approval, pursuant to articles 2357 and 2357-ter Civil Code and 132 TUF, its proposal that authorisation be granted to allow, in one or more tranches, the purchase and disposal of a number of (own) shares equal to 2,000,000. It is understood that the number of ordinary shares held from time to time in the portfolio of the Company and of its controlled companies may not in any case exceed 10% of the Company's then current share capital (in compliance with the limits laid down under article 2357 paragraph 3 Civil Code).

This Report illustrates the reasons underlying the request for authorisation, as well as the terms and the manner according to which the purchase and disposal of treasury shares would be carried out.

1. Reasons underlying the request for the authorisation to purchase and dispose of treasury shares

Authorisation for the purchase and disposal of treasury shares as per this Report is required in general to avail of any opportunities that the market may offer in the future, and in particular to allow the Company to carry out the transactions listed below:

- a) disposal of and/or use of treasury shares, in line with the strategic plan that the Company is desirous to pursue in the context of extraordinary transactions, including by way of example and not by way of limitation: share swaps; exchanges; contributions; support for capital transactions; in the context of swaps or sale of share packages and/or to enter into commercial and/or strategic alliances or for any other use deemed to be of financial and/or management interest for the Company; and/or

- b) buy back of shares in the context of medium and long-term investment, or in any case to avail of market opportunities including by way of the purchase and resale of shares whenever such activity is deemed appropriate both on the market (as regards the sale) and in the 'over the counter' market or outside the market provided that the transaction is on market conditions and in compliance with the applicable laws and regulations; and/or
- c) buy back of shares to be used, where deemed appropriate, for servicing existing and future stock incentive plans, including for the long-term, for the benefit of directors and/or employees and/or collaborators of the Company or of companies controlled by Unieuro; and/or
- d) carrying out of activities to support market liquidity where necessary and in compliance with the provisions in force (including for the purposes contemplated by market practice), to favour regular trading conduct and avoid anomalous price movements, as well as regularize trading and price trends against any temporary distortionary phenomena linked to an excess of volatility or poor trading liquidity; and/or
- e) launching of share buyback programmes for the purposes set out in article 5 of Regulation (EU) no. 596 of 16 April 2014 on market abuse ("MAR") - i.e., reduction of share capital, fulfilment of obligations deriving from debt instruments convertible into shares or from share option programmes or any other assignments of shares to employees or members of the management and control bodies of the Company or its connected companies or any other purpose contemplated by the latest version of said regulation and/or for the purposes contemplated by permitted market practices pursuant to article 13 MAR, in accordance with the terms and in the manner as may be approved by the Board of Directors,

it being understood that should the grounds for the buy back no longer apply, then treasury shares in the portfolio or purchased in execution of this authorisation may be used for one of the other purposes indicated above and/or otherwise disposed off.

2. Maximum number, class and nominal value of the shares subject of the authorization

The Board of Directors requests authorisation for the purchase of ordinary shares (fully paid up) of the Company, including in one or more tranches, to an extent that the Board of Directors shall be free to determine, up to a fixed maximum equal to 2,000,000. It is understood that the number of ordinary shares held from time to time in the portfolio of the Company and of its controlled companies may not in any case exceed may not in any case exceed 10% of the Company's then current share capital (in compliance with the limits laid down under article 2357 paragraph 3 Civil Code).

Said authorisation shall include the powers to subsequently dispose of the shares in the portfolio, in whole or in part and in one or more tranches, whether or not the maximum quantity of shares as may be purchased, has been exhausted and on the understanding that the Company shall not be permitted to effect any further purchases once the aggregate limit of 2,000,000 ordinary Unieuro shares has been reached, which is the absolute maximum limit on buy back purchases, which remains unvaried irrespective of the sale or use of the treasury shares held in the portfolio.

3. Information for the purpose of a complete assessment of compliance with the provisions of article 2357 paragraphs 1 and 3 Civil Code

In accordance with the provisions of article 2357, paragraph 3 Civil Code, the nominal value of buy back shares the Company may purchase shall not exceed one fifth of its share capital, including shares held by controlled companies.

The share capital of the Company is 4,139,724.20 divided into 20,698,621 ordinary shares having no par value.

As at the date of this Report:

- (i) the Company holds 368,776 treasury shares which represent 1.78% of the Company's share capital, and
- (ii) no company controlled by Unieuro holds shares in the Company.

You are reminded that pursuant to article 2357 first paragraph Civil Code, the buy back of shares is permitted within the limits of distributable profits and available reserves reported in the most recent duly approved financial statements.

Please note that the draft financial statements as at 29 February 2024 as shall be submitted for approval at the Shareholders' Meeting convened in single call on 20 June 2024 (assuming the Shareholders give their approval as per the terms proposed by the Board), report available and freely distributable reserves of Euro 81.1 million, before the loss for the year ended 29 February 2024, amounting to Euro 15.8 million and the distribution of the dividend to be paid in June 2024, amounting to Euro 9.4 million.

Furthermore, we underline that the Board of Directors is required to verify compliance with the conditions required by the first and third paragraphs of article 2357 Civil Code concerning buy back of shares prior to completion of each authorised purchase, thus checking the sufficiency of the available reserves from time to time. In the event of share: purchase; sale, swap; contribution; devaluation, the appropriate accounting entries must be made in compliance with the provisions of law and applicable accounting principles.

4. Requested authorisation duration

The authorisation for the buy back of treasury shares is requested for the maximum duration allowed by article 2357 second paragraph Italian Civil Code and therefore for a period of 18 (eighteen) months from the date of approval of this proposal at the Shareholders' Meeting.

The Company shall also comply, where applicable, with the limitations and requirements concerning purchase price provided for by the accepted applicable market practices from time to time where the conditions therefor subsist and it is deemed opportune to make use of them.
